## A 40-DAY DEVOTIONAL

Simon and Schuster

Communicate boldly and effectively like never before with the help and guidance of a #1 New York Times bestselling author and trusted Bishop. #1 New York Times bestselling author Bishop Jakes has been speaking in front of audiences large and small for decades, and over the years, he has learned a thing or two about communicating with audiences. Now, for the first time ever, Bishop Jakes shares his wisdom and skills he's learned to help readers communicate better themselves. Whether you are preparing to speak on stage before thousands or present at the next budget meeting, preach a sermon or deliver a diagnosis, this book is full of practical advice and solutions to help you get your message across. Readers will learn: The process Bishop Jakes uses to create his sermons, which connect with hundreds of thousands each week How to tailor you message for your intended audience The importance of body language How to be ready to make every opportunity count When and how to use silence to speak for you Why how you present yourself matters Drawing lessons from Scripture and his own life, Jakes gives career advice for those who have or want to grow into a speaking career, but he also provides clear direction and insight for everyone who gives presentations, writes emails, or talks to other people in their job or home life. In this book, Bishop Jakes gives you tools and skills so that you can communicate better.

## SPEAK LOVE

Independently Published

In our default state, our brains constantly get in the way of effective communication. They are lazy, angry, immature, and distracted. They can make a difficult conversation impossible. But Andrew Newberg, M.D., and Mark Waldman have discovered a powerful strategy called Compassionate Communication that allows two brains to work together as one. Using brainscans as well as data collected from workshops given to MBA students at Loyola Marymount University, and clinical data from both couples in therapy and organizations helping caregivers cope with patient suffering, Newberg and Waldman have seen that Compassionate Communication can reposition a difficult conversation to lead to a satisfying conclusion. Whether you are negotiating with your boss or your spouse, the brain works the same way and responds to the same cues. The truth, though, is that you don't have to understand how Compassionate Communication works. You just have to do it. Some of the simple and effective takeaways in this book include: • Make sure you are relaxed; yawning several times before (not during) the meeting will do the trick • Never speak for more than 20-30 seconds at a time. After that they other person's window of attention closes. • Use positive speech; you will need at least three positives to overcome the effect of every negative used • Speak slowly; pause between words. This is critical, but really hard to do. • Respond to the other person; do not shift the conversation. • Remember that the brain can only hold onto about four ideas at one time Highly effective across a wide range of settings, Compassionate Communication is an excellent tool for conflict resolution but also for simply getting your point across or delivering difficult news.

## THE POWER OF YOUR WORDS CAN CHANGE THE WORLD

Word Sculptures Pub L P

Allen Klein, master of the right quote at the right moment, has gathered his favorite, most inspiring words of wisdom into this treasury of moving and meaningful sayings from around the world that incite readers to live life to the fullest. Readers can take this book on the go to get a quick shot of inspiration at any time, or they can select one quote every day for in-depth thought and meditation. The book's small size makes it ideal to carry in a purse or a bag, or to keep by the computer for those moments of need. However readers choose to use these uplifting and inspiring quotes, they all have the potential to be life-changing. Kipling once said that words are "the most powerful drug used by mankind" — the words in this book are the prescription readers need to revise their lives. The book features a foreword by Jack Canfield, cocreator of the best-selling Chicken Soup for the Soul series.

Conscious Communications Penguin

This enlightening book helps educators use everyday language to create more equitable school environments, and offers exercises that strengthen communication and leadership skills.

## GREAT QUOTES FROM GREAT LEADERS

### TEN WORDS THAT WILL CHANGE YOUR LIFE

FaithWords

#1 New York Times bestselling author Joyce Meyer teaches readers how to create change in their lives and truly receive God's blessings. Includes powerful Scriptures covering over 50 topics, such as patience, loneliness, and wisdom.

### HOW YOUR WORDS CAN CHANGE YOUR WORLD

Zondervan

#1 New York Times bestselling author Joyce Meyer discusses the importance of words in Change Your Words, Change Your Life: "Words are a big deal. They are containers for power, and we have to decide what kind of power we want our words to carry. . . . I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future. . . . One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have." Building on the premises of her bestselling books, Power Thoughts and Living Beyond Your Feelings, Joyce examines how we use words—the vehicles that convey our thoughts and emotions—and provides a series of guidelines for cultivating talk that is constructive, healthy, healing, and used for good results. Topics include: The Impact of Words How to Tame Your Tongue How to be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion? The importance of keeping your word The power of speaking God's word How to have a smart mouth In "A Dictionary of God's Word" at the end of the book, Joyce provides dozens of scripture verses, arranged by topic, and recommends that we read them aloud to strengthen our vocabulary of healing words.

**Power Words** Sourcebooks, Inc.

The Power of Words will take ordinary words that we use daily and give them a deeper meaning. "Haves" have power and we must learn to maximize them every day. The Power of Words is easy reading and will give one something to chew on all day long. The journal is ageless that can be read over and over again.

Hay House, Inc

A book of transformation and guidance that cheers the spirit and awakens a sense of personal responsibility. We use words every day to communicate, to express our feelings and thoughts, but we often forget how powerful they can be and how important it is to choose them with care if we wish to attract love, happiness and success. With honesty and warmth, Andrea Gardner shares her own ups and downs on her journey to changing her words and her world, and provides the inspiration and tools that you need to find your own true purpose and transform your life to match your dreams. From attracting prosperity and improving your relationships, to finding your true purpose and serving the world, Andrea touches on a wide variety of themes, and helps you laugh at your failings with love, and then pick yourself up and carry on to the wonderful life that you truly deserve. This is a light and entertaining read, but it contains a very powerful message that may very well change your world for good.

**Change Your Words, Change Your World** Whitaker House

Instant Persuasion is a unique communication book that offers a creative way to reduce stress, resolve conflict, and enrich our relationships with family members, friends, and coworkers. Laurie Puhn cleverly translates complex mediation skills into simple, practical communication rules that readers can easily apply to everyday situations in order to instantly persuade others to listen to, cooperate with, respect, and like them. The rules are revealed through real-life anecdotes that show readers how saying the right words at the right time can convince others to give them what they want. Some Instant Persuasion rules are: - find factual solutions - be a problem solver - disagree without being disagreeable - beware of uncomplimentary compliments - avoid superficial offers Puhn presents readers with a script that will allow them to smoothly implement these rules in everyday life and change the way they communicate forever. Instant Persuasion is an amazing tool that has the power to transform friendships, marriages, and careers.

### CHANGE YOUR VOCABULARY CHANGE YOUR OUTLOOK IN LIFE IN 31 DAYS

Transform your life or the life of someone you love with Life Force—the newest breakthroughs in health technology to help maximize your energy and strength, prevent disease, and extend your health span—from Tony Robbins, author of the #1 New York Times bestseller Money: Master the Game. What if there were scientific solutions that could wipe out your deepest fears of falling ill, receiving a life-threatening diagnosis, or feeling the effects of aging? What if you had access to the same cutting-edge tools and technology used by peak performers and the world's greatest athletes? In a world full of fear and uncertainty about our health, it can be difficult to know where to turn for actionable advice you can trust. Today, leading scientists and doctors in the field of regenerative medicine are developing diagnostic tools and safe and effective therapies that can free you from fear. In this book, Tony Robbins, the world's #1 life and business strategist who has coached more than fifty million people, brings you more than 100 of the world's top medical minds and the latest research, inspiring comeback stories, and amazing advancements in precision medicine that you can apply today to help extend the length and quality of your life. This book is the result of Robbins going on his own life-changing journey. After being told that his health challenges were irreversible, he experienced firsthand how new regenerative technology not only helped him heal but made him stronger than ever before. Life Force will show you how you can wake up every day with increased energy, a more bulletproof immune system, and the know-how to help turn back your biological clock. This is a book for everyone, from peak performance athletes, to the average person who wants to increase their energy and strength, to those looking for healing. Life Force provides answers that can transform and even save your life, or that of someone you love.
