The Lady of the Lake Alfred Music Publishing

As early as the 1500s, a surprising number of women have composed classical music. Many were successful, finding venues for both publishing and performing their music; others found the social barriers for women impossible to overcome. This book provides access to these composers, both well known and obscure. Arranged chronologically by era, the profiles are further divided into countries. For each female composer within a country, a brief biographical sketch is provided, as well as a description of her body of work. This text also includes an extensive timeline of operatic works by female composers.

Francesca Caccini (1587--ca.1640) was an accomplished composer, singer, and instrumentalist in the tradition of the Florentine Camerata. Her 1618 volume *Il primo libro delle musiche* was dedicated to her patron the Cardinal de' Medici (1596--1666). This modern critical edition presents 17 secular monodies for one and two voices with figured bass accompaniment from this landmark collection. The book includes text translations, biographical and stylistic essays, recommendations on performance practice, and other commentary.

The Virgin's Slumber Song Hal Leonard Corporation

Virtually every country blues recording made prior to World War II that has been recovered by the collectors is commercially available. No one could have anticipated how much of the recorded legacy of country blues would become available to be heard. It really is a treasure trove of musical history, and in listening to the incredible breadth and variety in the country blues that this re-issuing movement has made possible, I stand in awe of the magnitude and scope of what the people who played in this style expressed in their music. There really is something for everyone in this music, whether you like your blues smooth and sophisticated or down and dirty. - John Miller. Includes access to online audio.
