A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is "vast in scale and ambition, while luscious and inviting ... in its intimacy" (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

Karen Carpenter was the instantly recognisable lead singer of the Carpenters. The top-selling American musical act of the 1970s, they delivered the love songs that defined a generation. Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 – including Close to You, We've Only Just Begun, Rainy Days and Mondays, Superstar, and Hurting Each Other – propelled the duo to worldwide stardom and record sales of over 100 million. Karen's musical career was short – only 13 years. During that time, the Carpenters released 10 studio albums, toured more than 200 days a year, taped five television specials, and won three Grammys and an American Music Award. But that's only part of Karen's story. As the world received news of her death at 32 years of age in 1983, she became the proverbial poster child for anorexia nervosa. Little Girl Blue is an intimate

profile of Karen Carpenter, a girl from a modest Connecticut upbringing who became a Superstar. “A true urban novel filled with vivid images of the street.” –Black Issues Book Review Treasure E. Blue, street lit’s hottest newcomer, crafts characters that fly off the page and a story that burns with intensity. Set in Harlem, this searing novel is a poignant and gritty portrait of urban survival of the ghetto’s fittest . . . and most fierce. Silver Jones knows just how cruel life can be. Her mother was chewed up and spit out by its dark side—brutally murdered while turning a trick. Rather than live with her abusive grandmother, Silver runs away. Determined to escape the mean streets, Silver longs for an education. But after running into an old friend, a homeless youth named Chance whom she’d taken under her wing once upon a time, Silver puts her dreams of college on hold. Chance is grown now—and he’s a powerful drug overlord. But underneath the cool exterior is the same innocent boy Silver once loved. As they begin an affair, Silver tries to convince Chance to give up the lethal way of life that ruined both their childhoods. But Chance knows that walking away from the game means having to pay a deadly price. Silver won’t take no for an answer—even if it means delving into a seedy underworld and outsmarting some of its most vicious drug-dealers and cold-blooded murderers. “Even in Blue’s world of double-crossing, misogyny, drugs and brutality, an against-all-odds fairy tale can come true.” –Publishers Weekly

Set against the backdrop of a 1970s commune in Northern California, Clover Blue is a compelling, beautifully written story of a young boy’s search for identity. There are many things twelve-year-old Clover Blue isn’t sure of: his exact date of birth, his name before he was adopted into the Saffron Freedom Community, or who his first parents were. What he does know with certainty is that among this close-knit, nature-loving group, he is happy. Here, everyone is family, regardless of their disparate backgrounds—surfer, midwife, Grateful Dead groupie, Vietnam deserter. But despite his loyalty to the commune and its guru-like founder Goji, Blue grapples with invisible ties toward another family—the one he doesn’t remember. With the urging of his fearless and funny best friend, Harmony, Clover Blue begins to ask questions. For the first time, Goji’s answers fail to satisfy. The passing months bring upheaval to their little clan and another member arrives, a beautiful runaway teen named Rain, sparking new tensions. As secrets slowly unfurl, Blue’s beliefs—about Goji, the guidelines that govern their seemingly idyllic lives, and the nature of family itself—begin to shift. With each revelation about a heartbreaking past he never imagined, Blue faces a choice between those he’s always trusted, and an uncertain future where he must risk everything in his quest for the truth.
