The Green House Farrar,
Straus and Giroux
Mario Vargas Llosa's A
Fish in the Water is a
twofold book: a memoir of

one of Latin America's
most celebrated writers,
beginning with his birth in
1936 in Arequipa, Peru;
and the story of his
organization of the reform
movement which
culminated in his bid for
the Peruvian presidency

in 1990.
Sabers and Utopias
Macmillan
"On his way to visit an
inmate at a Texas prison
who has promised him
information, Detective
Dave Robicheaux stops
off at an amusement park

to watch a teenaged Elvis-like rock-and-roller from his hometown of New Iberia named Johnny Shondell playing to a crowd of swooning young girls. One of them is another New Iberia teenager named Isolde Balangie. The Shondell and Balangie families are longtime rivals in the New Iberia criminal underworld. Yet Johnny and Isolde are in love. And like Romeo and Juliet, Johnny and Isolde are being kept apart by their families. In fact, Isolde tells Robicheaux, her

parents have given her to the Shondell patriarch to be used as a sex slave. Seeking to uncover why, Robicheaux gets too close to both Isolde's mother and her father's mistress. As retribution, the elder Balangie orders a mysterious assassin to go after Robicheaux and his longtime partner, Clete Purcell. Yet this is unlike any hitman Robicheaux has ever faced: he has the ability induce hallucinations and might be a time-traveling reptilian. A *Private Cathedral* is both vintage

James Lee Burke and one of his most inventive works to date--mixing romance, violence, mythology and science-fiction to produce a thrilling story about the all-consuming, all-conquering power of love."--

Turing's Cathedral Farrar, Straus and Giroux
PULITZER PRIZE FINALIST

- Twelve short stories that mark a turning point in the work of "one of the true American masters" (The New York Review of Books). "A writer of astonishing compassion

and honesty ... His eye is so clear, it almost breaks your heart." —The Washington Post Book World A remarkable collection that includes the canonical titular story about blindness and learning to enter the very different world of another. These twelve stories "overflow with the danger, excitement, mystery and possibility of life." —The Washington Post Book World

THE CAMBRIDGE COMPANION TO MARIO

VARGAS LLOSA

Penguin

This work explores how cathedral musicians in eighteenth-century Mexico City relied on music and on their institutional affiliation to define their social place. In the tensions that brewed within New Spain's racial casta (or caste) system, people of mixed race increasingly competed for Spanish benefits and prerogatives. To Cancer, with love
Faber Paperbacks
A sweeping story about

obsession, mysticism, art, earthly desire, and the construction of a Cathedral in medieval Germany. At the center of this story is the Cathedral. Its design and construction in the thirteenth and fourteenth centuries in the Rhineland town of Hagenburg unites a vast array of unforgettable characters whose fortunes are inseparable from the shifting political factions and economic interests vying for supremacy. From the bishop to his treasurer to local

merchants and lowly stonecutters, everyone, even the town's Jewish denizens, is implicated and affected by the slow rise of Hagenburg's Cathedral, which in no way enforces morality or charity. Around this narrative center, Ben Hopkins has constructed his own monumental edifice, a novel that is rich with the vicissitudes of mercantilism, politics, religion, and human enterprise. Fans of Umberto Eco, Hilary Mantel, and Ken Follett will delight at the

atmosphere, the beautiful prose, and the vivid characters of Ben Hopkins's Cathedral. "Cathedral is a brilliantly organized mess of great, great characters. It is fascinating, fun, and gripping to the very end." —Roddy Doyle, Booker Prize-winning author of Paddy Clarke Ha Ha Ha "A varied cast of hugely engaging characters jostle for status, rising and falling according to the whims of pirates and Popes. An immersive, old-fashioned read that rattles along at a cracking

pace." —Richard Beard, author of Lazarus is Dead and The Day That Went Missing "Six hundred pages sounds long, but this deeply human take on a medieval city and its commerce and aspirations, its violent battles and small intimacies, never feels that way. This sweeping work is as impressive as the cathedral at its center." —Publishers Weekly, starred review, PW Pick

A FISH IN THE WATER

W. W. Norton & Company

A thrilling tale of desire and Peruvian corruption swirls around a scandalous exposé that leads to murder. From the Nobel Laureate comes a politically charged detective novel weaving through the underbelly of Peruvian privilege. In the 1990s, during the turbulent and deeply corrupt years of Alberto Fujimori's presidency, two wealthy couples of Lima's high society become embroiled in a disturbing vortex of erotic adventures and politically driven blackmail. One day

Enrique, a high-profile businessman, receives a visit from Rolando Garro, the editor of a notorious magazine that specializes in salacious exposés. Garro presents Enrique with lewd pictures from an old business trip and demands that he invest in the magazine. Enrique refuses, and the next day the pictures are on the front page. Meanwhile, Enrique's wife is in the midst of a passionate and secret affair with the wife of Enrique's lawyer and best friend. When Garro shows up murdered, the

two couples are thrown into a whirlwind of navigating Peru's unspoken laws and customs, while the staff of the magazine embark on their greatest exposé yet. Ironic and sensual, provocative and redemptive, the novel swirls into the kind of restless realism that has become Mario Vargas Llosa's signature style. A twisting, unpredictable tale, *The Neighborhood* is at once a scathing indictment of Fujimori's regime and a crime thriller that evokes the

vulgarity of freedom in a corrupt system.

The Life She Wished to Live: A Biography of Marjorie Kinnan Rawlings, author of The Yearling
Picador

#1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a

clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest

Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.

THE DISCREET HERO

Henry Holt and Company
A comprehensive and engaging biography of Marjorie Kinnan Rawlings, Pulitzer Prize-winning author of the beloved classic *The Yearling*. Washington, DC, born and Wisconsin educated, Marjorie Kinnan Rawlings was an unlikely author of a coming-of-age novel about a poor central Florida child and his pet fawn—much less one that has become synonymous with Florida literature writ large. Rawlings was a

tough, ambitious, and independent woman who refused the conventions of her early-twentieth-century upbringing. Determined to forge a literary career beyond those limitations, she found her voice in the remote, hardscrabble life of Cross Creek, Florida. There, Rawlings purchased a commercial orange grove and discovered a fascinating world out of which to write—and a dialect of the poor, swampland community that the literary world had yet to

hear. She employed her sensitive eye, sharp ear for dialogue, and philosophical spirit to bring to life this unknown corner of America in vivid, tender detail, a feat that earned her the Pulitzer Prize in 1938. Her accomplishments came at a price: a failed first marriage, financial instability, a contentious libel suit, alcoholism, and physical and emotional upheaval. With intimate access to Rawlings's correspondence and revealing early writings, Ann McCutchan uncovers

a larger-than-life woman who writes passionately and with verve, whose emotions change on a dime, and who drinks to excess, smokes, swears, and even occasionally joins in on an alligator hunt. *The Life She Wished to Live* paints a lively portrait of Rawlings, her contemporaries—including her legendary editor, Maxwell Perkins, and friends Zora Neale Hurston, Ernest Hemingway, and F. Scott Fitzgerald—and the Florida landscape and people that inspired her.

[Novels by Mario Vargas Llosa](#) Createspace Independent Publishing Platform
A young Russian woman comes into her own in the midst of revolution and civil war in this "brilliant" novel set in "a world of furious beauty" (Los Angeles Review of Books). After the loves and betrayals of *The Revolution of Marina M.*, young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on

her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of *Once Had Been*, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of

tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. Chimes of a Lost Cathedral is the culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who

discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

the Cathedral, Death in the Andes, In Praise of the Stepmother, The Bad Girl, The Dream of the Celt, The Feast of the Goat, The Green House, The Storyteller (novel), The Time of the Hero, The War of the End of the World, The Way to Paradise, Who Killed Palomino Molero?. Excerpt: The Feast of the Goat (Spanish:, 2000) is a novel by the Peruvian Nobel Prize in Literature laureate Mario Vargas Llosa. The book is set in the Dominican Republic and portrays the assassination of

Dominican dictator Rafael Trujillo, and its aftermath, from two distinct standpoints a generation apart: during and immediately after the assassination itself, in May 1961; and thirty five years later, in 1996. Throughout, there is also extensive reflection on the heyday of the dictatorship, in the 1950s, and its significance for the island and its inhabitants. The novel follows three interwoven storylines. The first concerns a woman, Urania Cabral, who is back in the Dominican

Republic, after a long absence, to visit her ailing father; she ends up recalling incidents from her youth and recounting a long-held secret to her aunt and cousin. The second story line focuses on the last day in Trujillo's life from the moment he wakes up onwards, and shows us the regime's inner circle, to which Urania's father once belonged. The third strand depicts Trujillo's assassins, many of whom had previously been government loyalists, as they wait for his car late

that night; after the assassination, this story line shows us the assassins' persecution. Each aspect of the book's plot reveals a different viewpoint on the Dominican Republic's political and social environment, past and present. Readers are shown the regime's downward spiral, ...

The Real Life of Alejandro Mayta

Pantheon

The latest masterpiece—perceptive, funny, insightful, affecting—from the Nobel

Prize-winning author Nobel laureate Mario Vargas Llosa's newest novel, *The Discreet Hero*, follows two fascinating characters whose lives are destined to intersect: neat, endearing Felícito Yanaqué, a small businessman in Piura, Peru, who finds himself the victim of blackmail; and Ismael Carrera, a successful owner of an insurance company in Lima, who cooks up a plan to avenge himself against the two lazy sons who want him dead. Felícito and Ismael are, each in

his own way, quiet, discreet rebels: honorable men trying to seize control of their destinies in a social and political climate where all can seem set in stone, predetermined. They are hardly vigilantes, but each is determined to live according to his own personal ideals and desires—which means forcibly rising above the pettiness of their surroundings. *The Discreet Hero* is also a chance to revisit some of our favorite players from previous Vargas Llosa

novels: Sergeant Lituma, Don Rigoberto, Doña Lucrecia, and Fonchito are all here in a prosperous Peru. Vargas Llosa sketches Piura and Lima vividly—and the cities become not merely physical spaces but realms of the imagination populated by his vivid characters. A novel whose humor and pathos shine through in Edith Grossman's masterly translation, *The Discreet Hero* is another remarkable achievement from the finest Latin American novelist at work

today.

The Cubs and Other

Stories Oxford University Press

Analyses Vargas Llosa's career as a writer and as an important cultural and political figure in Latin America and beyond.

Notre Dame Cathedral

Forever

A Haunting tale of power, corruption, and the complex search for identity Conversation in The Cathedral takes place in 1950s Peru during the dictatorship of Manuel A. Odría. Over beers and a sea of freely spoken

words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, Conversation in The Cathedral is a groundbreaking novel that

tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

Conversations with

Mary Farrar, Straus and Giroux

The diverse countries of Latin America have produced a lively and ever evolving tradition of novels, many of which are read in translation all over the world. This Companion offers a broad overview of the novel's history and analyses in depth several representative works by,

for example, Gabriel García Márquez, Machado de Assis, Isabel Allende and Mario Vargas Llosa. The essays collected here offer several entryways into the understanding and appreciation of the Latin American novel in Spanish-speaking America and Brazil. The volume conveys a real sense of the heterogeneity of Latin American literature, highlighting regions whose cultural and geopolitical particularities are often overlooked. Indispensable to students of Latin American or

Hispanic studies and those interested in comparative literature and the development of the novel as genre, the Companion features a comprehensive bibliography and chronology and concludes with an essay about the success of Latin American novels in translation.

CATHEDRAL

Vintage
The true story of Guatemala's political turmoil of the 1950s as only a master of fiction can tell it Guatemala,

1954. The military coup perpetrated by Carlos Castillo Armas and supported by the CIA topples the government of Jacobo Árbenz. Behind this violent act is a lie passed off as truth, which forever changes the development of Latin America: the accusation by the Eisenhower administration that Árbenz encouraged the spread of Soviet Communism in the Americas. Harsh Times is a story of international conspiracies and conflicting interests in the

time of the Cold War, the echoes of which are still felt today. In this thrilling novel, Mario Vargas Llosa fuses reality with two fictions: that of the narrator, who freely re-creates characters and situations, and the one designed by those who would control the politics and the economy of a continent by manipulating its history. *Harsh Times* is a gripping, revealing novel that directly confronts recent history. No one is better suited to tell this riveting story than Vargas Llosa, and there is

no form better for it than his deeply textured fiction. Not since *The Feast of the Goat*, his classic novel of the downfall of Trujillo's regime in the Dominican Republic, has Vargas Llosa combined politics, characters, and suspense so unforgettably.

Conversation in the Cathedral Farrar, Straus and Giroux
 WINNER OF THE NOBEL PRIZE IN LITERATURE A landmark collection of essays on the Nobel laureate's conception of Latin America, past,

present, and future Throughout his career, the Nobel Prize winner Mario Vargas Llosa has grappled with the concept of Latin America on a global stage. Examining liberal claims and searching for cohesion, he continuously weighs the reality of the continent against the image it projects, and considers the political dangers and possibilities that face this diverse set of countries. Now this illuminating and versatile collection assembles these never-before-translated

criticisms and meditations. Reflecting the intellectual development of the writer himself, these essays distill the great events of Latin America's recent history, analyze political groups like FARC and Sendero Luminoso, and evaluate the legacies of infamous leaders such as Papa Doc Duvalier and Fidel Castro. Arranged by theme, they trace Vargas Llosa's unwavering demand for freedom, his embrace of and disenchantment with revolutions, and his

critique of nationalism, populism, indigenism, and corruption. From the discovery of liberal ideas to a defense of democracy, buoyed by a passionate invocation of Latin American literature and art, *Sabers and Utopias* is a monumental collection from one of our most important writers. Uncompromising and adamantly optimistic, these social and political essays are a paean to thoughtful engagement and a brave indictment of the discrimination and fear that can divide a

society. *Harsh Times* Cambridge University Press
The Cubs and Other Stories is Mario Vargas Llosa's only volume of short fiction available in English. Vargas Llosa's domain is the Peru of male youth and machismo, where life's dramas play themselves out on the soccer field, the dance floor, and on street corners. The title story, "The Cubs," tells the story of the carefree boyhood of P.P. Cuellar and his friends, and of P.P.'s bizarre accident and

tragic coming of age. Innovative in style and technique, it is a work of both physical and psychic loss. In a candid and perceptive forward to this collection of early writing, Vargas Ilosa provides background to the volume and a unique glimpse into the mind of the Nobel Prize-winning artist. *The Black Cathedral* Viking
A smart and delightful romantic comedy featuring fabulous female friendships and "a great love story." --Jasmine Guillory, bestselling

author of *Party of Two* Samiah Brooks never thought she would be "that" girl. But a live tweet of a horrific date just revealed the painful truth: she's been catfished by a three-timing jerk of a boyfriend. Suddenly Samiah -- along with his two other "girlfriends," London and Taylor -- have gone viral online. Now the three new besties are making a pact to spend the next six months investing in themselves. No men and no dating. For once Samiah is putting herself

first, and that includes finally developing the app she's always dreamed of creating. Which is the exact moment she meets the deliciously sexy Daniel Collins at work. What are the chances? But is Daniel really boyfriend material or is he maybe just a little too good to be true? "A smart, funny digital-age romance about real women living in the real world. Couldn't put it down!" --Abby Jimenez, USA Today bestselling author of *The Happy Ever After Playlist*
