service and repair request
 Find your serial number
 Each Bose product has a unique serial number or 4-digit headphone code located on the product or original packaging. Most serial numbers can be found on the back or bottom of the product, and they're typically near a barcode. Most serial numbers are 17 digits long (or 4 digits long for some headphones) and can include letters and ...Service and repair request - Bose CD-20 MANUAL REVISION OVERVIEW This service

manual contains information about changes to the CD-20 PCB assemblies. It also includes the original service manual as well as the supplements (183884-S1, 183884-S2, 183884-S3) concerning the CD-20. The following PCB assemblies (as well as the original CD-20 PCB) are covered by this service manual.
