The day Jason Lawson's stress reached a tipping point, he found himself shaking so badly he couldn't even pour orange juice into a blender for his family's breakfast. He felt like his world was falling around him, and he was afraid of losing his family, his job, and his mind. But that was the day Jason met the Potter. Not the cartoon God on nursery walls, or the religious God preached about in many churches. That day, Jason began a journey with the Potter to learn Who He really is and why He created man, and this journey is compiled in his new devotional *The Potter's Hands: A 366-Day Journey to Knowing God*. The Potter's Hands tackles questions such as: If the Potter is so good, then why did He create me to hurt and struggle? Why am I so cracked and flawed? Why does He fill me with so much pain? ...and many more. The answer Jason found was simple—He is the Potter and we are the clay. He formed us for His glory, not our comfort. He decides our size and shape, He chooses what to pour into us, and He is the One Who determines where He places us. Our role in this is to trust Him as the Potter, the Savior, the Counselor, the Servant, the Commander, the Spirit, the Creator, the Father, the Rabbi, the Redeemer, the Healer, and the Shepherd. The heartbeat of *The Potter's Hands* is to remind readers that the clay can do nothing apart from the Potter's hands, but in the Potter's hands, He can create a masterpiece for His glory. What more could we ask for? Come along for one year and walk with Him. Let the Potter reveal to you Who He really is.

The Obama administration is not only attacking entrepreneurs and small business owners, it's launched a fundamental assault on the very concept of success. By denigrating all the qualities that make success possible—self-reliance, ambition, hard work, the pursuit of excellence—the administration is setting the stage for Big Government to step in and “guarantee” everyone's success through socialist-style redistribution. Brash, direct, and unafraid, *The War on Success* tells

you what's at stake: nothing less than the survival of the American Dream.

DAILY WORD

Everything Is Symbolic is a compilation of blog posts—366 of them, to be exact. So it's also a devotional. I grew up reading and listening to the King James Version of the Bible. Alongside this, I developed a seriously fluid imagination and mind (what with all the emergent media of the eighties). If I hadn't had the former, the latter would have driven me mad as the inevitable “storms of life” came to me during my twenties. Herein are the distilled thoughts in the wake of those events, presented one day, one thought at a time.

Hours of Power Ambassador International

Choose This Day is a daily devotional by one of South Africa's outstanding preachers, Pastor Ray McCauley of Rhema Bible Church. These easy-to-read devotions give you a fresh word for each day, helping you to deepen your relationship with God through prayer and further study of the Word of God. *Choose This Day* is premised on Deuteronomy 30:19: ‘I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both you and your seed may live.’ One of the most amazing faculties God has given us is the power of choice. In the above Scripture, God is challenging us to exercise this faculty, and to do so wisely. He knows what a hard choice it can be between choosing life and death. And so He tells us what He desires us to choose every day – life. *Choose This Day* is divided in weekly topics such as: • Choose to Be Redeemed • Choose the Right Attitude • Choose to Be Generous • Choose Victory • Choose Favour • Choose to Be Passionate • Choose to Trust God • Choose His Protection • Choose Today
