An agonizing turbulence lies just beneath the surface of this skillfully wrought novel by the French phenom who caused a sensation with the publication of her novel Incest. Reaching back into a world before she was born, Christine Angot describes the inevitable encounter of two young people at a dance in the early 1950s: Rachel and Pierre, her mother and father. Their love is acute. It twists around Pierre's decisive judgments about class, nationalism, and beauty, and winds its way towards dissolution and Christine's own birth. Though it's Pierre whose ideas are most often voiced, it's Rachel who slowly comes into view, her determination and patience forming a radiant, enigmatic disposition. Equal parts subtle and suspenseful, An Impossible Love is an unwavering advance toward a brutal sequence of events that mars both Christine's and Rachel's lives. Angot the author carves Angot the narrator out of this corrosive element, exposing an unmendable rupture, and at the same time offering a portrait of a striking, ineradicable bond between mother and daughter.

It's hard to trust the future... when you've been branded by the past. Rough Riders Book 6 Tattoo artist India Ellison is well acquainted with preconceived notions. As a walking advertisement for the tattoo shop she's set up in a small Wyoming town, she's used to off-color comments about her colorful tats and hair. Still, life is good. She's clean and sober, dotes on her sister's kids and best of all, spends most of her free time with her best buddy, Colt McKay. Reformed bad boy rancher Colt never expected three years of sobriety to lead to three years of abstinence. Curbing his craving for booze is nothing compared to the ever-increasing craving for his hot-tempered, hot-bodied best friend, India. Too bad she hasn't a clue that Colt's been head-over-boothheels in love with her from day one. After an unexpected, steamy interlude, all India can think about is riding the sexy cowboy as hard and fast as her motorcycle. But Colt is determined to show her a slower ride is worth the wait. The friendship that helped them conquer their past is about to be tested...by the new addiction they feel to each other.

Turtle Alveston is a survivor. At fourteen, she roams the woods along the northern California coast. The creeks, tide pools, and rocky islands are her haunts and her hiding grounds, and she is known to wander for miles. But while her physical world is expansive, her personal one is small and treacherous: Turtle has grown up isolated since the death of her mother, in the thrall of her tortured and charismatic father, Martin. Her social existence is confined to the middle school (where she fends off the interest of anyone, student or teacher, who might penetrate her shell)

and to her life with her father. Then Turtle meets Jacob, a high-school boy who tells jokes, lives in a big clean house, and looks at Turtle as if she is the sunrise. And for the first time, the larger world begins to come into focus: her life with Martin is neither safe nor sustainable. Motivated by her first experience with real friendship and a teenage crush, Turtle starts to imagine escape, using the very survival skills her father devoted himself to teaching her. What follows is a harrowing story of bravery and redemption. With Turtle's escalating acts of physical and emotional courage, the reader watches, heart in throat, as this teenage girl struggles to become her own hero—and in the process, becomes ours as well. Shot through with striking language in a fierce natural setting, *My Absolute Darling* is an urgently told, profoundly moving read that marks the debut of an extraordinary new writer.

A deeply moving tragicomic graphic memoir about a single woman's efforts to conceive in her forties. A few months after Myriam Steinberg turned forty, she decided she couldn't wait any longer to become a mother. She made the difficult decision to begin the process of conceiving a child without a partner. With her family and friends to support her, she picked a sperm donor and was on her way. But Myriam's journey was far from straightforward. She experienced the soaring highs and devastating lows of becoming pregnant and then losing her babies. She grappled with the best decision to make when choosing donors or opting for a medical procedure. She experienced first-hand the silences, loneliness, and taboos that come with experiences of fetal loss. Unafraid to publicize her experiences, though, she found that, in return, friends and strangers alike started sharing their own fertility stories with her. Although the lack of understanding and language around fetal loss and grief often made it very hard to navigate everyday life, she nonetheless found solace in the community around her who rallied to support her through her journey. Through it all, Myriam remained hopeful and here she unflinchingly shares her story with wry humour, honesty, and courage. Beautifully illustrated by Christache Ross, *Catalogue Baby* is one woman's story of tragedy and beating the odds, and is a resource for all women and couples who are trying to conceive. *Catalogue Baby* is a compassionate portrait of fertility and infertility that hasn't been seen before.
