Complete Psychological Works of Sigmund Freud, the Vol 23 Random House

This collection of 24 volumes is the first full paperback publication of the standard edition of the complete psychological works of Sigmund Freud in English. *The Complete Psychological Works of Sigmund Freud Vol. 18* Random House The Standard Edition of the complete works of the father of psychoanalysis - the only definitive paperback edition on the market. Translated from the German under the General Editorship of James Strachey; in collaboration with Anna Freud; assisted by Alix Strachey and Alan Tyson. *The standard edition of the complete psychological works of Sigmund Freud. 3. Early psycho-analytic publications : (1893 -*

1899) International Universities Press Inc In reasoned progression he outlined core psychoanalytic concepts, such as repression, free association and libido. Of the various English translations of Freud's major works to appear in his lifetime, only one was authorized by Freud himself: The Standard Edition of the Complete Psychological Works of Sigmund Freud under the general editorship of James Strachey. Freud approved the overall editorial plan, specific renderings of key words and phrases, and the addition of valuable notes, from bibliographical and explanatory. Many of the translations were done by Strachey himself; the rest were prepared under his supervision. The result

was to place the Standard Edition in a position of unquestioned supremacy over all other existing versions. Newly designed in a uniform format, each new paperback in the Standard Edition opens with a biographical essay on Freud's life and work --along with a note on the individual volume--by Peter Gay, Sterling Professor of History at Yale.

The Standard Edition of the Complete Psychological Works of Sigmund Freud: New introductory lectures on psycho-analysis and other works Random House
