SEPARATE REPORTS

Allumette ; a Fable, with Due Respect to Hans Christian Andersen, the Grimm Brothers, and the Honorable Ambrose Bierce When the poor little orphan match-seller's wish comes true the entire

community is affected. Annales Des Mines Mémoires Journal Des Instituteurs Et Des Institutrices Report, Returns and Statistics of the Inland Revenues of the Dominion of Canada ... The Canals of Canada Their Prospects and Influence : Written for a Premium Offered by His Excellency the Earl of Elgin and Kincardine, K. T., Governor General of British North America, Etc., Etc., Etc The history of Aboriginal people in Canada taught in schools and depicted in the media tends to focus on Aboriginal displacement from native lands and the consequent social and cultural

disruptions they have endured. Collectively, they are portrayed as passive victims of European colonization and government policy, and, even when well intentioned, these depictions are demeaning and do little to truly represent the role Aboriginal peoples have played in Canadian life. Hidden in Plain Sight adds another dimension to the story, showing the extraordinary contributions Aboriginal peoples have made - and continue to make - to the Canadian experience. From treaties to contemporary arts and literatures, Aboriginal peoples have helped to define Canada and

have worked to secure a place of their own making in Canadian culture. For this volume, editors David R. Newhouse, Cora J. Voyageur, and Daniel J.K. Beavon have brought together leading scholars and other impassioned voices, and together, they give full treatment to the Aboriginal contribution to Canada's intellectual, political, economic, social, historic, and cultural landscapes. Included are profiles of several leading figures such as actor Chief Dan George, artist Norval Morrisseau, author Tomson Highway, activist Anna Mae Pictou Aquash, and politician Phil Fontaine, among others. Canada simply would not be what it is today without these contributions. The first of two volumes, *Hidden in Plain Sight* is key to understanding and appreciating Canadian society and will be essential reading for generations to come.

VICTIMES AU BANC DES ACCUSÉS S.E. Dawson, printer to the King's most excellent Majesty
1890-1892 have supplement: Canal statistics.

Report on the Geology and Natural Resources of the Area Included in the Northwest Quarter-sheet, Number 122, of the Ontario and Quebec Series Comprising Portions of the Counties of Pontiac, Carleton and Renfrew Good Press

Le gérant de crédit d'une institution bancaire du Québec se fait enlever un soir d'été en 1977. Les ravisseurs l'emmènent à une cinquantaine de kilomètres de là, l'enferment dans un cachot souterrain et exigent de ses employeurs qu'ils paient une forte rançon pour sa libération. Les autorités mandatent un groupe

d'élite pour diriger l'enquête qui piétinera pendant des mois. La stratégie utilisée soumettra l'otage et ses proches à des pressions insupportables tant de la part des policiers que de certains médias. Cette approche suscitera éventuellement chez les lecteurs et auditeurs des doutes quant à l'identité des coupables et entachera ainsi à jamais la réputation de plusieurs personnes. L'affaire sera finalement résolue par un policier, ancien gardien de prison, doté d'un sens de l'observation et d'une conscience professionnelle remarquables. Ce livre raconte l'histoire de l'enlèvement, de l'enquête et de ses conséquences telles que perçues et subies par l'otage et sa famille. C'est Pierre Marion, le fils de l'otage qui raconte l'histoire. Il a choisi de le faire à la troisième personne en changeant son nom et celui de la plupart des personnages afin que leur identité ne distraie pas le lecteur de la trame du récit et de la grande détresse vécue par les victimes.

Sessional Papers

Back in print. George T. Hunt's classic 1940 study of the Iroquois

during the middle and late seventeenth century presents warfare as a result of depletion of natural resources in the Iroquois homeland and tribal efforts to assume the role of middlemen in the fur trade between the Indians to the west and the Europeans.
