This exotic coloring book for grownups presents 30 creative art activities based on Day of the Dead sugar skulls, printed on high quality extra-thick paper.

Golden Domes and Silver Lanterns

Chronicle Books

Celebrate the revered Mexican holiday of Día de los Muertos with this beautiful little book. Packed with activities, recipes, spells, and rituals, this pocket-sized guide is a must-have tool for honoring the sacred dead. Author Jaime Gironés shares authentic ways to respectfully enjoy this holiday, from creating an altar to baking pan de muerto (bread of the dead). Sharing his personal experiences and recommendations, Jaime guides you through the Day of the Dead's origins, history, and modern celebrations.

Discover how to build an altar, set out your ancestors' favorite foods, and invite the spirits to a feast. Explore the significance of marigolds, sugar skulls, and monarch butterflies. You'll also learn how to say goodbye when celebrations are over. This book provides everything needed to honor the dead and share your love and abundance with them.

Clatter Bash! Abrams

Daniela is preparing for the Day of the Dead—the first one since her grandpa died. She makes an ofrenda with Grandpa's favorite things and toy skeletons. Her family has a party to remember Grandpa.

The Story Behind Day of the Dead

Llewellyn Worldwide

In simple rhyming text a young Muslim girl and her family guide the reader through the traditions and colors of Islam. Full color.

The Day of the Dead Houghton Mifflin Harcourt

The Day of the Dead is the most important annual celebration in Oaxaca, Mexico. Skillfully combining textual information and photographic imagery, this book begins with a discussion of the people of Oaxaca, their way of life, and their way of looking at the world. It then takes the reader through the celebration from the preparations that can begin months in advance through to the private gatherings in homes and finally to the cemetery where the villagers celebrate together — both the living and the dead. The voices in the book are of those people who have participated in the Day of the Dead for as long as they can remember. There are no ghosts here. Only the souls of loved ones who have gone to the Village of the Dead and who are allowed to return once a year to be with their family. Very readable and beautifully illustrated, this book provides an extensive discussion of the people of Oaxaca, their way of life and their beliefs, which make the Day of the Dead logical and easily comprehensible.

My Family Celebrates Day of the Dead

Alfaguara Infantil

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Day of the Dead is a holiday when families celebrate their loved ones who have died. Learn all about the customs of this holiday with text feature questions. Random House Books for Young Readers
Sammy Spider wants to taste the golden honey the Shapiros set out for a sweet New Year. Mom tells him to stick to spinning webs, but will curious Sammy listen?

Day of the Dead in the USA Bullfrog Books

Get ready for a colorfully entertaining Day of the Dead celebration! Graveyard skeletons shake, rattle, and roll as a Mexican family marks the annual Day of the Dead holiday. At dusk on the holiday known as Day of the Dead, a Mexican family has set out fiesta offerings in the graveyard in hopes that departed loved ones may return to visit. The playful skeletons rise from their graves to celebrate with gusto. All night long, they sing, dance, dine, tell stories, and play games. As morning approaches, they give thanks to the stars for their night of fun, tidy up after themselves, and leave no trace of their "clatter bash" behind as they return to their coffins until next year's Day of the Dead. Author-illustrator Richard Keep's rollicking rhyme—sprinkled with Spanish words—captures the bone-rattling sounds and fun of the evening. An

illustrated afterword gives information about the customs associated with el Día de los Muertos, a Mexican celebration of honoring relatives who have passed on.

THE DEAD FAMILY DIAZ

Rutgers University Press

Describes a Mexican family preparing for and celebrating the Day of the Dead.

Pablo Remembers Laurence King

The Day of the Dead is a holiday with an incredible history. The celebrations that became this holiday started more than 3,000 years ago. Today, the Day of the Dead is an important celebration for people throughout Latin America, especially in Mexico. Children will love reading about the many traditions of the holiday and learning how Day of the Dead celebrations have changed over time. Vivid images on each spread encourage young readers to make connections with the text. Learning about how deceased loved ones are remembered on this special day will help readers appreciate other cultures as well as their own. It will also help them view the topic of death in a whole new light.

FUNNY BONES

Holiday History

Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852–1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los

Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

El Festival de Las Calaveras Berghahn Books

Come back to Mexico For The Day Of The Dead Celebration !! From Raúl Jiménez, the writer of the Amazon Best Sellers "Mexislang" and "The Gringo Guide To Moving To Mexico", here comes a brand new adventure in the Chicano Jr. bilingual book series. This new book is all about our little Mexican-American protagonist celebrating "día de los muertos" in Mexico for the first time, while he learns from his family about the history and symbolism of this ancient tradition, as well as the common roots it shares with Halloween. Experience Day of the dead in both English and Spanish in this book for children and children at heart, and marvel at the beautiful crayon-like cartoony art-style by Mexican Illustrator, Felipe Vasconcelos. Get Chicano Jr.'s Day Of The Dead Adventure Now!!!

El Dia De Los Muertos / the Day of the Dead Simon and Schuster Juniper Learning, Inc. provides instructions for making paper-mache skulls. This activity is intended to serve as an introduction to the celebration of the Day of the Dead (Dia de los Muertos). This holiday is celebrated in Mexico between October 31st and November 2nd as a way to remember and honor deceased family members. The activity is best-suited for use with upper elementary and middle school students.

Day of the Dead Andrews McMeel

Publishing

When the monarch butterflies return to the Mexican countryside where Lupita lives, she knows Da de Muertos, the Day of the Dead, is near. Lupita's uncle reminds her that she should never capture or hurt a monarch because they are believed to be the souls of the departed. Full color.

INTRODUCTION TO MEXICAN ART AND CULTURE THROUGH THE DAY OF THE DEAD (DIA DE LOS MUERTOS).

Kar-Ben Publishing™

El Dia De Los Muertos / the Day of the Dead Turtleback

DEATH AND THE IDEA OF MEXICO

The Rosen Publishing Group, Inc This anthology considers how the Day of the Dead has been celebrated in visual art and culture, from the traditional and iconic illustrations of Manuel Manilla and Jose Posada to the paper cuts of Aaron Velasco Pacheco, folk art of the Linares family and paintings of Diego Rivera and Frida Kahlo. With a foreword by the ceramic artist and curator Carlomagno Pedro Martinez, this compendium also includes poems, songs and literature celebrating the festival, as well as dedicated chapters that focus on contemporary representations, such as urban art, graffiti and the street photography of Yolande Andrade.

Citlali and the Day of the Dead

Turtleback

Honoring relatives by tending graves, building altars, and cooking festive meals has been an honored tradition among Latin Americans for centuries. The tribute, "el Dia de los Muertos," has enjoyed renewed popularity since the 1970s when Latino activists and artists

in the United States began expanding "Day of the Dead" north of the border with celebrations of performance art, Aztec danza, art exhibits, and other public expressions. Focusing on the power of ritual to serve as a communication medium, Regina M. Marchi combines a mix of ethnography, historical research, oral history, and critical cultural analysis to explore the manifold and unexpected transformations that occur when the tradition is embraced by the mainstream. A testament to the complex nature of ethnic identity, Day of the Dead in the USA provides insight into the power of ritual to create community, transmit oppositional messages, and advance educational, political, and economic goals.

LLEWELLYN'S LITTLE BOOK OF THE DAY OF THE DEAD

Penguin

The history of Mexico's fearless intimacy with death--the elevation of death to the center of national identity. Death and the Idea of Mexico is the first social, cultural, and political history of death in a nation that has made death its tutelary sign. Examining the history of death and of the death sign from sixteenth-century holocaust to contemporary Mexican-

American identity politics, anthropologist Claudio Lomnitz's innovative study marks a turning point in understanding Mexico's rich and unique use of death imagery. Unlike contemporary Europeans and Americans, whose denial of death permeates their cultures, the Mexican people display and cultivate a jovial familiarity with death. This intimacy with death has become the cornerstone of Mexico's national identity. Death and Idea of Mexico focuses on the dialectical relationship between dying, killing, and the administration of death, and the very formation of the colonial state, of a rich and variegated popular culture, and of the Mexican nation itself. The elevation of Mexican intimacy with death to the center of national identity is but a moment within that history--within a history in which the key institutions of society are built around the claims of the fallen. Based on a stunning range of sources--from missionary testimonies to newspaper cartoons, from masterpieces of artistic vanguards to accounts of public executions and political assassinations--Death and the Idea of Mexico moves beyond the limited methodology of traditional historiographies of death to probe the depths of a people and a country whose fearless acquaintance with death shapes the very terms of its social compact.
