Earth in Mind: On Education, Environment, and the Human

... Earth In Mind On EducationEarth in Mind is also a manual of ideas and possibilities for those who want to work toward a better end than the one now in view."-- Wendell Berry, author of "The Distant Land" "David Orr is a seasoned doer as well as thinker, whose primary concern—education—could be the very pivot on which our society turns back toward life.Earth in Mind: On Education, Environment, and the Human ...In Earth in Mind, noted environmental educator David W. Orr focuses not on problems in education, but on the problem of education. Much of what has gone wrong with the world, he argues, is the result of inadequate and misdirected education that: alienates us from life in the name of human domination; causes students to worry about how to make a living before they know whoEarth in Mind: On Education, Environment, and the Human ...Earth in Mind is also a manual of ideas and possibilities for those who want to work toward a better end than the one now in view."
