Like "Perhaps in the world's destruction it would be possible at last to see how it was made. Oceans, mountains. The ponderous counterspectacle of things ceasing to be. The sweeping waste, hydroptic and coldly secular. The silence." The Road Quotes by Cormac McCarthy - Goodreads The bleak, grim post-apocalyptic world of Cormac McCarthy's *The Road* might be the last place you'd turn for an example of the virtue of hope. Yet, as I explain in my new book, *On Reading Well: Finding the Good Life through Great Books*, a world stripped of all that is familiar and comfortable is a world that forces us to search for what really matters, the only things worth our hope. Holding to Hope, Even in Cormac McCarthy's *The Road* ... As much as McCarthy has been coy about the cause of the apocalypse in *The Road*, I believe he does know the specific cause and crafted the story around the science of whatever cause he picked. Also, NEO's seem to fit the "shafts of light and a series of low concussions" as a comet or asteroid began breaking up and pounding our planet. What Caused the Apocalypse in *The Road*? | Cormac McCarthy Cormac McCarthy sets his new novel, *The Road*, in a post-apocalyptic blight of gray skies that drizzle ash, a

world in which all matter of wildlife is extinct, starvation is not only prevalent but nearly all-encompassing, and marauding bands of cannibals roam the environment with pieces of human flesh stuck between their teeth. *The Road*: McCarthy, Cormac: 9780307387899: Amazon.com: Books Add the post-apocalyptic *The Road* to Cormac McCarthy's growing list of masterpieces. It combines the terse but poetic meditations on the horrific depths of human depravity of his *Blood Meridian* with the taut, thriller writing found in his, *No Country for Old Men*.
