Metallica: The \$24.95 Book features an in-depth look at Metallica's cultural significance with chapters devoted to each member, each album, touring, fashion, books, film, influences, fandom, and more, exploring the band's ideologies along the way. With over 125 million records sold worldwide, Metallica is the biggest metal band of all time. Four decades into their unparalleled career, Metallica is a massive cultural force who drastically changed the sound of popular music by creating their

own rules. Yet for all their popularity, Metallica can seem impenetrable, raising more questions and inspiring more discourse as their mythos grows. Metallica questions run deeper than what people find on the internet. Metallica questions deserve a book. Metallica, by dedicated fan and music journalist Ben Apatoff (including a foreword by What Are You Doing Here? author Laina Dawes), is that book, honoring Metallica's history of fighting retail price gouging in the title. Metallica provides an in-depth look at the band and their music that both die-hard fans and Metallica beginners can enjoy.

**The Cambridge Companion to the Drum Kit** Wise Publications

The updated version of McIver's bestselling biography explores

the aftermath of Metallica's comeback in the wake of 2008's *Death Magnetic*. The band entering the Rock And Hall Of Fame, toured as the leading member of the Big Four Of Thrash alongside Slayer, Megadeth and Anthrax Establishing their own Orion festival Embarking on side projects aplenty (Lars Ulrich as an actor, Kirk Hammett as a horror buff) and recorded what is possibly the most despised record in heavy metal history, a collaboration with Lou Reed titled *Lulu*. Here McIver reveals a refreshing new spin on the *Lulu* album, re-evaluating its contents in the light of Reed's death in 2013.

*The Four-Wheeled Creations of James Hetfield* Coda Books Ltd (Instructional). Intermediate drummers can learn more drumming techniques, including double bass drum techniques, shuffle grooves, ride patterns, time feels, and more all using the music of Metallica! Dozens of Metallica riffs are included as examples. Songs include: *Better Than You* \* *Creeping Death* \* *Damage, Inc.* \* *Enter Sandman* \* *Eye of the Beholder* \* *Fade to Black* \* *For Whom the Bell Tolls* \* *Master of Puppets* \* *Ride the Lightning* \* *Seek & Destroy* \* *Slither* \* *Welcome Home (Sanitarium)* \* and more. The CD includes demos of most of the examples.

*First 50 Songs You Should Play on Drums* Hal Leonard Publishing Corporation

*Master of Puppets* \* *My Friend of Misery* \* *One* \* *Ride the Lightning* \* *Seek & Destroy* \* *The Struggle Within* \* *To Live Is to Die* \* and more.

*Metallica* John Wiley & Sons

*SUPERANNO* Since the late 1980s, Sweden has produced over a thousand extreme heavy metal bands, spawning an unrivalled and respected regional music scene. Improbably, this marginalized teen movement crawled from small towns and suburbs to find its lasting place on the world stage. Combining personal accounts and in-depth research, the epic tale of Sweden's most lethal cultural export arrives in full enlightening detail. Starred review, *Publishers Weekly*. *Book of the Year*, *Decibel Magazine*. Original.

**The Biography** *Metallica: Master of Puppets*

*A Halloween Tale* Hal Leonard Corporation

Their roots lie in the heavy rock of 70s groups like Deep Purple. The music they played—heavy metal mixed with punk attitude—became its own genre: thrash. Their bassist died and they survived to become the biggest-selling band in the world. As grunge threatened to overtake them, they reinvented themselves. Then their singer went into rehab and they almost fell apart. They are Metallica, the most influential heavy metal band of the last thirty years. As Led Zeppelin was for hard rock and the Sex Pistols were for punk, Metallica became the band that defined the look and sound of 1980s heavy metal. Inventors of thrash metal—Slayer, Anthrax and Megadeth followed—it was always Metallica who led the way, who pushed to another level, who became the last of the superstar rockers. Metallica is the

fifth-largest selling artist of all time, with 100 million records sold worldwide. Their music has extended its reach beyond rock and metal, and into the pop mainstream, as they went from speed metal to MTV with their hit single "Enter Sandman". Until now there hasn't been a critical, authoritative, in-depth portrait of the band. Mick Wall's thoroughly researched, insightful work is enriched by his interviews with band members, record company execs, roadies, and fellow musicians. He tells the story of how a tennis-playing, music-loving Danish immigrant named Lars Ulrich created a band with singer James Hetfield and made his dreams a reality. *Enter Night* follows the band through tragedy and triumph, from the bus crash that killed their bassist Cliff Burton in 1986 to the 2004 documentary *Some Kind of Monster*, and on to their current status as the leaders of the Big Four festival that played to a million fans in Britain and Europe and continues in the U.S. in 2011. *Enter Night* delves into the various incarnations of the band, and the personalities of all key members, past and present—especially Ulrich and Hetfield—to produce the definitive word on the biggest metal band on the planet.

NIRVANA FAQ: ALL THAT'S LEFT TO KNOW ABOUT THE MOST

IMPORTANT BAND OF THE 1990S

**Metallica: The Music And The Mayhem** Voyageur Press

Travis Barker's soul-baring memoir chronicles the highlights and lowlights of the renowned drummer's art and his life, including the harrowing plane crash that nearly killed him and his traumatic road to recovery—a fascinating never-before-told-in-full story of personal reinvention grounded in musical salvation and fatherhood. After breaking out as the acclaimed drummer of the multiplatinum punk band Blink-182, everything changed for Travis Barker. But the dark side of rock stardom took its toll: his marriage, chronicled for an MTV reality show, fell apart. Constant touring concealed a serious drug addiction. A reckoning did not truly come until he was forced to face mortality: His life nearly ended in a horrifying plane crash, and then his close friend, collaborator, and fellow crash survivor DJ AM died of an overdose. In this blunt, driving memoir, Barker ruminates on rock stardom, fatherhood, death, loss, and redemption, sharing stories shaped by decades' worth of hard-earned insights. His pulsating memoir is as energetic as his acclaimed beats. It brings to a close the first chapters of a well-lived life, inspiring readers to follow the rhythms of their own hearts and find meaning in their lives.

James Hetfield, Metallica's front man, opens up his garage for an exclusive tour of the highlights of his incredible collection of restored and customized classic cars. Millions know James Hetfield as the front man of Metallica, but the acclaimed singer-songwriter has enjoyed another lifelong passion: restoring and customizing classic cars into magnificent pieces of automotive art. From cars such as the Skyscraper to the Aquarius and the Black Pearl, James Hetfield's collection of beautifully reimagined classic automobiles is truly stunning. For the first time, Hetfield is opening up his garage and inviting readers to dive under the hood of some of these internationally lauded classics. Featuring dynamic, specially commissioned photography of the cars and insight from Hetfield into their creation, this book is a unique opportunity to learn about the Metallica front man's passion for creating bespoke classic cars. James Hetfield's unique cars will be on display at the Petersen Automotive Museum in Los Angeles starting from February 2020.
