The Jazz Piano Book Alfred Music Publishing

Alfred's Basic Adult All-in-One Course is designed for the beginner looking for a truly complete piano course that includes lesson, theory, technic and popular repertoire in one convenient, all-in-one book. This course has a number of features that make it particularly successful in achieving this goal, among them are smooth progression between concepts, the thorough explanation of chords and outstanding song material. At the completion of this course, the student will have learned to play some of the most popular music ever written and will have gained a thorough understanding of the basic concepts of music.

Piano and Keyboard Chords Alfred Music

This series introduces chords more quickly than in the regular Alfred's Basic Piano Library. It is perfect for students age 10 and up whose hands are strong enough to play 3-note chords. By combining intervallic reading with chord playing, students are able to enjoy playing fuller and more interesting songs and melodies. This course is most effective when used under the direction of a piano teacher or experienced musician.

The Recital Books congratulate students for a job well done by providing correlated repertoire to their Lesson Books that are based on concepts they've already learned. As a result, the pieces are quickly mastered. Included in Recital 1A are familiar favorites such as "Lost My Partner" and "Tumbalalaika," and fun originals like "Charlie the Chimp!" and "My Secret Place."

Scales, Chords, Arpeggios & Cadences - First Book Hal Leonard Corporation

Since its publication in 1947, great musicians and composers of all genres, from Arnold Schoenberg and Virgil Thomson to John Coltrane and Freddie Hubbard, have sworn by this legendary volume and its comprehensive vocabulary of melodic patterns for composition and improvisation. Think about this book as a melodic reference manual or plot wheel. Looking for new material to add to your playing instruction, improvisations, or composition? This book has more than you'll ever be able to use. Many serious musicians have a copy of this lying around somewhere.
