RICHARD MAXIMO

Philippine Governance and the 1987 Constitution Courier Corporation
As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's

unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

"Powers writes action and adventure that Indiana Jones could only dream of."
—Washington Post "Tim Powers is a brilliant writer." —William Gibson The remarkable Tim Powers—who ingeniously married the John Le Carrè spy novel to the otherworldly in his critically acclaimed *Declare*—brings us pirate adventure with a dazzling difference. *On Stranger Tides* features Blackbeard, ghosts, voodoo, zombies, the fable Fountain of Youth...and more swashbuckling action than you could shake a cutlass at, as reluctant buccaneer

John Shandy braves all manner of peril, natural and supernatural, to rescue his ensorcelled love. Nominated for the Locus and World Fantasy Awards, *On Stranger Tides* is the book that inspired the motion picture *Pirates of the Caribbean: On Stranger Tides*—non-stop, breathtaking fiction from the genius imagination that conceived *Last Call*, *Expiration Date*, and *Three Days to Never*.

The Alcalde MDPI

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's

films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

REMEDIES FOR INTERNATIONAL SELLERS OF GOODS [2009] - III

The Law on Sales, Agency, and Credit Transactions Philippine Governance and the 1987 Constitution

The United States Constitution is the oldest written constitution in the world. But what were its origins? Is it a "living" organism or, as the only alternative, a dead one? What influence, if any, has the U.S. Constitution had on Asian countries? Twenty scholars from around the world set out to pose answers to these questions. The result of their efforts is this book which looks at the U.S. Constitution from a global perspective. At times reinforcing existing knowledge, at times breaking new ground, the authors provide new insights into the role the U.S. Constitution has played in the development of governments in the two hundred years since its inception in 1787.

Hearings Before the Subcommittee on Financial Institutions Supervision, Regulation, and Insurance of the Committee on Banking, Currency, and Housing, House of Representatives, Ninety-fourth Congress, Second Session, November 30, December 1, 1976 Harper Collins

Examines democracy in the Philippines using the political thought of Jürgen Habermas. This book is a pioneering study of Philippine democracy, one of the oldest in the Asian region, vis-à-vis Habermasian critical theory. Proceeding from a concise examination of the theory of law and democracy found in Habermas's *Between Facts and Norms*, Ranilo Balaguer Hermida explains how the law occupies the central role in both the legitimation of political power and the attainment of social

integration. He then discusses how Habermas proposes to resolve the tension that exists in modern society between democratic norms and social facts, through the adoption of a lawmaking procedure whereby the informal sources of issues and opinions from the public sphere are allowed to develop and interact with the formal deliberations and decision processes inside the political system. He also explores certain provisions of the present Philippine Constitution that were expressly intended to restore democratic institutions and processes destroyed by decades of martial law, as well as the problems and hindrances that stand in the way of their full implementation.

"Imagining Modern Democracy presents a clear and convincing application of philosophical theory to practical politics. Hermida, using Habermas's theoretical reflections on law and democracy, provides a basis for understanding democratic practice in the Philippines. The book is essential reading for those interested in both Habermas's work and its implications for emerging constitutional democracies." — David M. Rasmussen, Editor-in-Chief, *Philosophy and Social Criticism*

Members Only Hong Kong University Press
The *Studies in the Contract Laws of Asia* series charts the divergence in and common principles of contract laws across Asia, with a view to providing the scholarly foundations for future harmonization and reform. This third volume deals with the contents of contracts and unfair terms.

Imagining Modern Democracy Rowman & Littlefield

A Justice Hustlers Novel Two gorgeous sisters. Only one plays by the rules. But now they'll have to put their differences—and their lives—on the line, to help the exploited. Sisters from Trinidad, Violet and Lily have never had much in common. Stunning Lily arrives undocumented in New York and makes her

way as a stripper. But Harvard-educated Violet is this close to the perfect assimilated life, thanks to a prestigious job, and her rich bougie fiancé. . . . Until she aids a woman in trouble, and is mistaken for a notorious strip-club mogul's mistress. And when she's wrongly accused of helping him embezzle millions of his workers' earnings, Violet loses everything—except the determination to get her life back. Now Violet's on his track with the help of his vengeful ex-wife and the Lower East Side Women's Health Clinic's resourceful crew—which includes Lily. But a dashing longtime friend hungering for Violet's love, along with the mogul's all-too-real psychotic mistress, put the group's killer schemes at risk. And as Violet and Lily struggle to finally understand each other, they have only one shot to get justice for those who need it most. "This well-written and enjoyable installment in de León's unique, feminist, urban crime-fiction series . . . infuses satisfying power in both plot and character." —Booklist on *The Boss*, STARRED review

THE LAW ON INSURANCE AND SALES

World Bank Publications

This publication contains the proceedings of an international conference, held in Guatemala in October 2001, with participants from law schools, judges, practitioners and government officials from a number of Latin American countries and elsewhere. The conference theme focused on the links between judicial excellence, judicial reform and good practices in the performance of judicial education programmes. Topics considered include: the concept of judicial excellence, ethics and the role of human rights training, e-learning and distance education, in-service training and evaluation, the role of education in promoting judicial reform and attitudinal change in the courts system.

Our Barrios U of Nebraska Press
Reconciling Modernity challenges the academic consensus of a simplistic Church-State reconciliation in postrevolutionary Mexico and reveals instead a cultural power struggle between entrenched elite factions, each intending to define Mexico's national identity. Using documents found in regional archives, Daniel Newcomer provides a new interpretation of how radically opposed conservative and revolutionary elites came to a political *dãtente* in the traditional Catholic stronghold of Leçn, Guanajuato, during the 1940s. Leçn's conservatives sought to limit the influence of the revolutionary government because state-sponsored modernization projects threatened local character and institutions. Tensions regarding the extent of state power culminated in the 1946 Leçn massacre, during which government troops gunned down more than two dozen citizens. As the defining moment in local history, the violent confrontation helped solidify a new elite consensus, or an *official story*, that hinged on negotiated tenets of modernity—particularly ideals of industrialization and democracy—and supposedly validated state power among the general population. Newcomer argues that advocates of the revolutionary state and their local opposition, including the pro-Catholic Sinarquistas, attempted to create *hegemonic appearances* to legitimate their claims to political power but ultimately relied on a rationalization of the use of state violence to enforce the social order they idealized. *Reconciling Modernity* concludes that the postrevolutionary government proved unable to legitimize its rule among the popular classes and reveals how history written by the victors can obscure the

processes of historical change.

In *Members Only* Diana Kendall shows how the upper classes use exclusive clubs as their private domain for conducting business, fostering social networks, and launching the next generation of elites - all beyond the view of outsiders and the media. In her research, Kendall explains how and why club members routinely engage in exclusionary practices that help them accumulate personal power and social capital that is unavailable to outsiders. *Members Only* addresses how exclusive private clubs maintain and perpetuate class-based privilege and racial/ethnic and religious segregation, and how such patterns of social exclusion heighten social inequality. This book continues Kendall's study of the upper classes, which began with *The Power of Good Deeds*, and *Framing Class*.

Textbook on the New Philippine Constitution

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials

is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.
