SAIGE MCDOWELL

A Hidden History of Women's Lives, 1660-1900 Piccadilly Books, Ltd.

From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes to the game of cricket. In *Stargazing: The Players in My Life*, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes,

Stargazing, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach.

The Constant Art of Editing Your Life Simon and Schuster
From the creators of the New York Times bestselling *Wildwood Chronicles* comes an original, humorous, and fast-paced middle grade novel about a band of child pickpockets—imagine *The Invention of Hugo Cabret* meets *Oliver Twist*. It is an ordinary Tuesday morning in April when bored, lonely Charlie Fisher witnesses something incredible. Right before his eyes, in a busy square in Marseille, a group of pickpockets pulls off an amazing robbery. As the young bandits appear to melt into the crowd, Charlie realizes with a

start that he himself was one of their marks. Yet Charlie is less alarmed than intrigued. This is the most thrilling thing that's happened to him since he came to France with his father, an American diplomat. So instead of reporting the thieves, Charlie defends one of their cannons, Amir, to the police, under one condition: he teach Charlie the tricks of the trade. What starts off as a lesson on pinches, kicks, and chumps soon turns into an invitation for Charlie to join the secret world of the whiz mob, an international band of child thieves who trained at the mysterious School of Seven Bells. The whiz mob are independent and incredibly skilled and make their own way in the world—they are everything Charlie yearns to be. But what at first seemed like a (relatively) harmless new pastime draws him into a dangerous adventure with global stakes greater than he could have ever imagined.

Techniques of the Professional Pickpocket
Createspace Independent Publishing Platform
READ THIS BOOK and you wont get picked on your next vacation. READ THIS BOOK and you wont get picked on your next vacation. Take it from Prino he was a professional pick pocket. The year was 1980. It was either picking pockets or go work for crooked politicians and go kill each other. With gun that they issue out in the community. So as the years go by we avoid polly tricks by traveling around the island. A group of villians. And thats how we used to live. No mom, no dad. Just a group of villians. Band together and we had to pick a pocket or two, too survive.

REGENCY SLANG REVEALED

Squash Pub
Amid the crumbling splendour of wintertime Venice, two orphans are on the run. The mysterious Thief Lord offers shelter, but a terrible danger is gathering force...
Oliver! Random House
Professional methods and techniques for information and intelligence gathering... now revealed

for you to use. Now you can find out anything you want to know about anyone you want to know about! Satisfy your need to know with these revealing professional manuals on investigation, crime and police sciences. "It's all here, from the two-finger sang to 'reefing' (a method that utilizes the mark's pocket lining)". -- Reflex If you wonder how someone can get inside your pockets without your knowing, then get inside this book. You'll learn all the techniques of the pickpocket: how they guess which pocket holds the loot, the grab and run, the finesse lift, cutting the pockets, how they use accomplices, how they can steal a watch right off the wrist. Learn how the pros get into your clothes, and what you can do to protect yourself.

The Pickpocket's Ghost
Random House Books for Young Readers
A New York Times Best Art Book of 2019 "A riveting book . . . few stones are left unturned."—Roberta Smith's "Top Art Books of 2019," The New York Times This fascinating and enlightening study of the tie-on pocket combines materiality and gender to provide new

insight into the social history of women's everyday lives—from duchesses and country gentry to prostitutes and washerwomen—and to explore their consumption practices, sociability, mobility, privacy, and identity. A wealth of evidence reveals unexpected facets of the past, bringing women's stories into intimate focus. "What particularly interests Burman and Fennetaux is the way in which women of all classes have historically used these tie-on pockets as a supplementary body part to help them negotiate their way through a world that was not built to suit them."—Kathryn Hughes, The Guardian "A brilliant book."—Ulinka Rublack, Times Literary Supplement

SLEIGHTS OF MIND

Gracefleming
Living in secret and stealing to eat is a hard life, but it's all Kuro has ever known. Fear and necessity forged him into the finest young thief in the wizard kingdoms. Nobody can hide forever, though, and a run of poor luck lands Kuro in a place where his quick hands and quiet feet count for nothing: Avalon Academy,

school of magic. Out of his depth and unable to escape, can Kuro find a place among the other misfits at the school, or will his past return to ruin the one chance he has to leave his life in the shadows?

Oliver Twist Darby Creek
"The ghost in Sarah's bedroom is begging for help. He just needs her to open a box.... can she save a soul, or is it a dreadful trap? Chilling supernatural thriller.
Travel Advisory Penguin UK

"A remarkable tale."—Chicago Tribune In George Appo's world, child pickpockets swarmed the crowded streets, addicts drifted in furtive opium dens, and expert swindlers worked the lucrative green-goods game. On a good night Appo made as much as a skilled laborer made in a year. Bad nights left him with more than a dozen scars and over a decade in prisons from the Tombs and Sing Sing to the Matteawan State Hospital for the Criminally Insane, where he reunited with another inmate, his father. The child of Irish and Chinese immigrants, Appo grew up in the notorious Five Points and Chinatown neighborhoods. He rose

as an exemplar of the "good fellow," a criminal who relied on wile, who followed a code of loyalty even in his world of deception. Here is the underworld of the New York that gave us Edith Wharton, Boss Tweed, Central Park, and the Brooklyn Bridge.

The Charles Dickens's Second Novel Centered on Orphan Oliver Twist, Born in a Workhouse and Sold Into Apprenticeship with an Undertaker. After Escaping, Oliver Travels to London, where He Meets the "Artful Dodger", a Member of a Gang of Juve Bonus Books, Inc.
Whiz Mob is David W. Maurer's classic study of the world of pickpockets. Similar to his best-known work, *The Big Con*, in Whiz Mob Maurer explains the colorful expressions and vivid words used by pickpockets and uses them to provide a window into the life and experiences of the professional criminal. Although he is quick to point out that he never had any actual experience on the racket, Maurer spent many years interviewing pickpockets and learning about their way of life. The result is a fascinating look at the

work, lives, morals, and dangers of this element of the criminal subculture. Whiz Mob is essential reading for sociologists, linguists, and everyone interested in the mystery and intrigue of the criminal underworld.

A TREATISE ON THE FUNDAMENTAL PRINCIPLE, THEORY, AND PRACTICE OF PICKING POCKETS - FOR ENTERTAINMENT PURPOSES ONLY

Chicken House

When Molly, a ten-year-old orphan, is arrested for picking pockets in London in 1731, she is banished to America and serves as an indentured servant for a New York City family that expects her to follow their Jewish traditions.

The Pocket Stealing from Wizards

In *Cutting Up Touches*, the history of theatrical pickpocketing is revealed for the first time. Author David Avadon profiles famous light-fingered entertainers, dishing the dirt on their storied careers and filching exploits. What makes the act of theatrical thievery so compelling? Avadon reveals the psychological allure of this underground variety art, and its real-world counterpart. He

tells tales of wallet-snatching, suspender-stealing and other larcenous acts. He traces the careers of Las Vegas headliner Ricki Dunn and Circus celebrity Borra. He delves into the exploits of nightclub stars Dominique and Gentleman Jack. And Avadon relates stories from the successful entertainer of kings and celebrities, Dr. Giovanni, who once picked the pocket of Winston Churchill – in the name of entertainment, of course. Illustrated with rare photos, posters and playbills, many published for the first time.

FAHRENHEIT 451

Profile Books
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters

something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank."

—USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The Thief Lord

HarperCollins

How to Pick Pockets for Fun and Profit A Magician's Guide to Pickpocket Magic Piccadilly Books, Ltd.

The Players in My Life

How to Pick Pockets for Fun and Profit A Magician's Guide to Pickpocket Magic A lovely small-trim edition of the award-winning *Atlas of Remote Islands* The *Atlas of Remote Islands*, Judith Schalansky's beautiful and deeply personal account of the islands

that have held a place in her heart throughout her lifelong love of cartography, has captured the imaginations of readers everywhere.

Using historic events and scientific reports as a springboard, she creates a story around each island: fantastical, inscrutable stories, mixtures of fact and imagination that produce worlds for the reader to explore. Gorgeously illustrated and with new, vibrant colors for the Pocket edition, the atlas shows all fifty islands on the same scale, in order of the oceans they are found. Schalansky lures us to fifty remote destinations—from Tristan da Cunha to Clipperton Atoll, from Christmas Island to Easter Island—and proves that the most adventurous journeys still take place in the mind, with one finger pointing at a map.

Drag Queens, Rent Boys, Pick Pockets, Junkies, Rockstars and Punks Penguin

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Stargazing W. W. Norton & Company

What can magic tell us about ourselves and our

daily lives? If you subtly change the subject during an uncomfortable conversation, did you know you're using attentional 'misdirection', a core technique of magic? And if you've ever bought an expensive item you'd sworn never to buy, you were probably unaware that the salesperson was, like an accomplished magician, a master at creating the 'illusion of choice'. Leading neuroscientists Stephen Macknik and Susana Martinez-Conde meet with magicians from all over the world to explain how the magician's art sheds light on consciousness, memory, attention, and belief. As the founders of the new discipline of NeuroMagic, they combine cutting-edge scientific research with startling insights into the tricks of the magic trade. By understanding how magic manipulates the processes in our brains, we can better understand how we work - in fields from law and education to marketing, health and psychology - for good and for ill.

A MAGICIAN'S GUIDE

HarperCollins
When their parents steal a monkey from the zoo to

help them pick pockets, our heroes rush into action and return the wily animal using disguises, inventions, and old-fashioned shoe leather. They also learn what a monkey can do in 11 minutes: 1) Stick his fingers in your right nostril. 2) Lick your eyebrows, pick his teeth, and then wipe his finger on your shirt. Giggles and guffaws will be the result of anyone reading *Book One of Good Crooks*. Author Mary Amato is a star of state master and children's choice lists and returns to the age category of her popular *Riot Brothers* chapter book series with this funny, silly new series.

ANGELICA SPROCKET'S POCKETS

Loompanics Unlimited
The plan for the Georgia colony was a noble endeavor: the Georgia Trustees would settle Savannah with hard-working, deserving poor. Despite their best efforts, however, the Trustees could only do so much with their pool of applicants from London's hard-drinking, ill-behaving, pocket-picking populace from the poor side of town. Mixed among the colonizers would be the odd

prostitute, rogue, robber, and lovable reprobate, and these characters would assemble on the Savannah shore to birth America's exquisite thirteenth colony. A *History of Misbehavior* takes a look at the oddball colony number thirteen, to explore the city's raucous, dysfunctional origins. These were no Puritans, those hard knock Londoners who settled in to the pine swamps, surrounded by giant, toothy reptiles and skulking Florida Spaniards. Discover firsthand accounts from the ill-behaving characters, as they recount lively tales of early Savannah, from everyday life vignettes to thunderous street brawls and, of course, a few sinister murders.

Jim Ravel's Theatrical Pickpocketing Knopf Books for Young Readers
'I have spent almost 33 of the last 53 years in and out of prison, but mainly in. I was a juvenile offender back in the mid 1970s and went on to become an adult prisoner in the 1980s and beyond. My shortest prison sentence was 7 days (for criminal damage) and my longest sentence was life (for bank robbery and possession of firearms). I have 58 criminal

convictions for everything from attempted theft to armed robbery and prison escape, and I was a career criminal for most of my life. What I do not know about criminal and

prison slang could be written on the back of a postage stamp and still leave room for 'The Lord's Prayer ...' From ex-professional bank robber and bestselling author Noel Smith, this is the

most authoritative dictionary of criminal slang out there - and an unmissable journey, through words, into the heart of the criminal world.
