**Education Enlightened** Divine Cool Breeze Books  
 In the featured article in this magazine, Shri Mataji sums up the nature of our existence. "You lead a

life that is spiritual that never perishes." Fourteen pages of the magazine are dedicated to this single talk, but still there is room for more, all created from the words of Shri Mataji: "A Life that is Spiritual," "One Guru Mantra," "A Serene Person," "Your Essence," "Be Steady," "I Respect Your Freedom" and "The Eternal Life."

## ONE HUNDRED AND EIGHT QUESTIONS

Lulu Press, Inc

Many of the foundations of Sahaja Yoga can be found in the early talks of the 1970s and early 80s. This book looks back at ten days in India between 1972 and 1977 when Shri Mataji spoke to us: unique moments, gems of wisdom, insights said only once. As one Sahaja Yogi at the time put it, "Shri Mataji, first you make the summit, then you make the foundations." Shri Mataji later explained: "The human mind is used to doing things in a ritual way. To raise this house, you have to first dig the foundation, then the piling up and then you have those pillars and the roof. That is how they plan out things. But in God's own kingdom there is no planning. You just sit down and you just enjoy." Consider now some of the foundations of Sahaja Yoga.

"I would like to tell you about the meaning of puja. You have got your own Deities within yourself. These Deities are to be awakened." So begins Shri Mataji's 1982 explanation of the meaning of puja and worship in Sahaja Yoga. This magazine also includes the related topics of what it means to be seaworthy, Shiva Tattwa, how to accept the present, seven essential talks, and "All that We are Promised," where she says, "You had ups and downs. Forget all that. A new day has come."

**Seek & Ascend** Lulu Press, Inc

This magazine begins with the words, "The fundamental truth is that you are not this body, this mind, this ego, these conditionings, but you are the pure spirit." It then goes on to describe, through Shri Mataji's words, some of the fundamentals with which a human being is built: God, Truth, Kundalini, the Absolute, Realization, the Central Path, Religion, Love, Joy, Rebirth, Connection, Awakening, Mahayoga, Spirit, Faith, Discretion, Collectivity, Attention, Growth, Dedication, Compassion, Dharma, Worship, Shri Mataji and Sahaja Yoga.

75 DOORS: The Wisdom of Shri Mataji Nirmala Devi Lulu Press, Inc

JOURNEY WITHIN: THE FINAL STEPS TO SELF REALIZATION is the story of our spiritual ascent, both as individuals and collectively. With equal parts instruction and inspiration, the book beautifully describes how we have gotten where we are today and our essential next steps. Shri Mataji Nirmala Devi gave more than 3000 recorded talks all around the world. Whether it was a village school, a medical conference, a gathering of UN employees or a suburban hall on a hot summer evening, her

central words were the same: introspection, ascent, inner peace and the most important of all the realization of our true self. With humour and love, she both guided and listened. From the opening words, "My father felt that I would do something great, we can sense the trajectory of this tale. And we know too that we are bound for that same greatness. With this book, Shri Mataji reminds us of the journey we are all on. And the direction of that journey is always the same. It is a JOURNEY WITHIN.

It is up to us. Also in this magazine: how to be a guru, Sufis and Sufism, "The Joy is Reflected," and Shri Mataji's story about Buddha and the villager.

## SHRI MATAJI TELLS A STORY

Lulu.com

This is a user-friendly and practical guide for UK practitioners and those managing UK firms on the day-to-day legal issues that arise in the specialist field of partnerships and LLPs. The book is written by three authors: a leading partnership and LLP barrister with many years of litigation experience, a solicitor with specialist expertise in partnership and LLP structures and agreements, and a respected academic in the field. It provides clear and practical guidance on the main issues that arise time and again in UK partnerships and LLPs. While there are many important differences between traditional partnerships and LLPs, the practical issues that they face are often similar, and the book therefore tackle both areas. The focus is mainly on those areas that regularly cause difficulty in firms (be they traditional partnership or LLP). Subjects covered include: the legal nature and characteristics of partnerships and LLPs \* factors influencing choice of legal entity \* the essential elements of partnership and members' agreements \* management structures including management boards and partnership councils \* conduct of meetings \* partnership/LLP property and profits and losses \* accounts, taxation, and audit \* partner and member retirements and expulsions \* duties of partners and members \* Equality Act implications \* suspension and garden leave \* personal liability issues \* dissolution and winding-up \* goodwill \* disputes: mediation, arbitration, and court proceedings \* mergers, acquisitions, and conversions.

Foundations of Sahaja Yoga Divine Cool Breeze Books

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaja culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

*It is Musical* Divine Cool Breeze Books

An explanation of the role and importance of dharma in spiritual ascent. More than just a code of right conduct, dharma is our sustenance and the point where the gravity of sin does not act.

**Shri Mataji Nirmala Devi** Bright Pen

At public programs, informal gatherings and media interviews, Shri Mataji often invited questions –

from Sahaja Yogis, seekers, journalists. She satisfied our curiosity, our concerns. And calmed our confusions. Here are 108 of those questions, some naive, some misguided, but mostly insightful, rich and relevant. Each one is answered with love and patience. As one seeker prefaced his query, "We are not human beings having a spiritual experience, but we are spiritual beings having a human experience." Shri Mataji agreed. "You have just become loving angels," she said.
