Each of these simple and fun video lessons is about five minutes long and is sequenced to align with the Scientific Measurement textbook chapter.
 Prentice Hall Chemistry Chapter 3: Scientific Measurement ...
 Section 3:

Scientific Notation. The study of chemistry can involve numbers that are very large. It can also involve numbers that are very small. Writing out such numbers and using them in their long form is problematic, because we would spend far too much time writing zeroes, and we would probably make a lot of mistakes!

Chapter 1: Measurements in Chemistry - Chemistry - Chp 3 - Scientific Measurement - PowerPoint. 27.
