The Black Hole War Quotes by Leonard Susskind The Black Hole War MyThe Black Hole War is the thrilling story of their united effort to reconcile Hawking's revolutionary theories of black holes with their own sense of reality -- effort that would eventually result in Hawking admitting he was wrong, paying up, and Susskind and 't Hooft realizing that our world is a hologram projected from the outer boundaries of space.The Black Hole War: My Battle with Stephen Hawking to Make ...The Black Hole War is at times an autobiographical tale about the theoretical physics community, and at times a physics lesson. It introduces the minds, senses of humor, and egos of the great theoretical physicists of our time, and attempts to explain the ideas they contributed to the argument at hand.The Black Hole War: My Battle with Stephen Hawking to Make ...The Black Hole War is the thrilling story of their united effort to reconcile Hawking's revolutionary theories of black holes with their own sense of reality -- effort that would eventually result in Hawking admitting he was wrong, paying up, and Susskind and 't Hooft realizing that our world is a hologram projected from the outer boundaries of space.Amazon.com: The Black Hole War: My Battle with Stephen ...Black Hole War: My Battle with Stephen Hawking to Make the World Safe for Quantum Mechanics is a 2008 popular science book by American theoretical physicist Leonard Susskind. The book covers the black hole information paradox, and the related scientific dispute between Stephen Hawking and Susskind. Susskind is known for his work on string theory and wrote a previous popular science book, *The Cosmic Landscape*, in 2005.The Black Hole War - WikipediaThe Black Hole War: My Battle with Stephen Hawking to Make the World Safe for Quantum Mechanics PDF Details The translated version of this book is available in Spanish, English, Chinese, Russian, Hindi, Bengali, Arabic, Portuguese, Indonesian / Malaysian, French, Japanese, German and many others for free download.[PDF] The Black Hole War: My Battle with Stephen Hawking ...The ensuing Black Hole War was more than an argument between physicists. It was also a war of ideas, or perhaps a war between fundamental principles. The principles of Quantum Mechanics and those ...The Black Hole War (washingtonpost.com)The Black HoleWar: My Battle with Stephen Hawking to Make the World Safe for Quantum Mechanics, Leonard Susskind Little, Brown and Co, New York, 2008. \$27.99 (470 pp.).
