Chopper 6 Pan

The book that inspired Channel Nine's Underbelly: Chopper From streetfighter to standover man, gunman to underworld executioner, Mark Brandon 'Chopper' Read was earmarked for death a dozen times but somehow lived to tell the tale. This is it. Chopper: From The Inside became a best-seller on its release in 1991, spawning a series of books that have today sold over 500,000 copies around the world. Chopper also inspired an acclaimed feature film, countless art and stage shows and, in 2018, the major Channel Nine TV series Underbelly: Chopper. From The Inside is the first shot in the Chopper canon - written from his gaol cell and

laced with the brutal humour that made this Australian crime commando a true legend of the underworld.

Chopper 2 Momentum

'Only a drunk or a madman would survive - luckily, on that occasion, I was both.' Ex-convict, author and celebrity Mark Brandon 'Chopper' Read gives readers a unique insight into Australia's sordid criminal underworld. Written in Chopper's unique style and featuring his characteristic dark humour, the ninth instalment of Chopper's memoirs tells the story of the Tassie Chainsaw Massacre and explains why drinking Crown Lagers is the key to winning a serious pub brawl. The Final Cut continues the incredible story of the self-confessed executioner, who knew receiving a phone call from an old friend meant another associate was soon to be a walking corpse.

Chopper 2 From the Inside: Chopper 1 Bullied at school, and growing up dreaming of revenge, Mark 'Chopper' Read determined to be the toughest in any company. He became a crime commando who terrorised drug dealers, pimps, thieves and armed robbers on the streets and in jail - but boasts never to have hurt

an innocent member of the public. Streetfighter, gunman and underworld executioner, he has been earmarked for death a dozen times, but has lived to tell the tale.

FOR THE TERM OF HIS UNNATURAL LIFE: CHOPPER 4

John Blake

Standover man Mark Brandon Read is released from prison. He outrages Cabinet ministers, civil libertarians and literary critics. He appears drunk on national television, makes the finals of the ARIA music awards, and is charged with firearms offences.

Chopper 6 Pan

The life story of one of the most feared men in Australia, based on more than 300 letters he wrote to investigative journalist John Silvester from the top security H division in Pentridge Prison. Includes his views on prison life, the Walsh and Russell Streets incidents and a 'who's who' in the criminal world. The sequel is 'Chopper 2'.

The Final Cut Pan

'What if there was an author who wrote about crime and therefore relied upon death to earn a living.' Buried bodies,

buried guns, buried money and buried truths. Only one man who's been on the inside tells it like it is about the Australian hit men, bkie wars and drug syndicates. While his peers suffered violent deaths, Chopper outlived them all to give the real story. This is the life of the standover man who went from ex-con to national icon. The Popcorn Gangster tells of the psychology of fear and the Calabrian contract straight from former street fighter and now bestselling author, Mark Brandon 'Chopper' Read.

Criminal, murderer, raconteur, author . . . mythmaker? Mark Brandon 'Chopper' Read is undoubtedly Australia's best-known criminal. Author of many bestselling books about the underworld he inhabited, and subject of a smash-hit film, his story has become part of the country's culture. And Read certainly knew how to spin a yarn. Adam Shand – bestselling author of *Big Shots: Carl Williams and the Gangland Murders* – disentangles the persona of 'Chopper' from Mark Read, the man. Chopper took over Read's life, made him famous but then refused to let him go.

From Read's religious upbringing and youthful escapades to his 23 years in jail and later careers in the spotlight, Shand delves into Read's life to reveal the truth for the first time. With unparalleled access to lovers, friends and enemies, Shand learns that 'Uncle Chop Chop', Australia's favourite stand-over man, was much more than the 'earless monster' he created.

From the Inside Momentum

'My publishers contacted me roughly five minutes before publication and requested one more short story, so I sat down and pondered writing a short murder mystery called "Death of a Publisher – by Slow Strangulation".' Mark Brandon 'Chopper' Read is Australia's bestselling ex-convict. The standover man and self-confessed killer is Australia's only celebrity gangster and has spent most of his adult life in jail. Shot, stabbed, betrayed and minus a pair of ears; Chopper's tale of the Australian criminal underworld continues in *Pulp Faction*. The fifth volume of Chopper's memoirs contains a series of short stories. These shorts are raw, tough and funny, with a breathtaking ring of authenticity that could only have been written by a man who has lived these experiences.

Featuring the classic stories 'Revenge of the Rabbit Kisser', 'The Shoe Shop Men' and 'Message in a Bottle', *Pulp Faction* will have you wondering what's true and what's not.

At last... he's back. Everyone's favourite killer returns to the shelves with the long-awaited fourth instalment of his violent, turbulent and ever-amusing life. Mark Brandon 'Chopper' Read has spent most of his adult life behind bars.

"Apart from Irish whiskey, good cigars, Pontiac motor cars, and a pistol grip baby .410 shotgun with solid load shells, what I love the most is kidnapping smartarse gangsters and taking their money. To the

human filth I have bashed, belted, iron barred, axed, shot, stabbed, knee capped, set on fire and driven to their graves, I can only quote from the motto of the French Foreign Legion, 'Je Ne Regrette Rien'...I REGRET NOTHING." Mark Brandon "Chopper" Read is the son of a strict Seventh Day Adventist mother and a shell-shocked former soldier who slept with a loaded gun at his side. Bullied at school, he grew up dreaming of revenge ('there are none so merciless as those who have been shown no mercy', as he later noted). He became a criminal legend who terrorized drug dealers, pimps, thieves and armed robbers on the streets and in jail - but boasts he never hurt an innocent member of the public. This first volume of Chopper's memoirs, written from inside jail and laced with his trademark brutal humour, tells the story of his early life of crime - from streetfighter to standover man, gunman to long-term prisoner - and launched his career as a bestselling author.

From the Inside: Chopper 1 Momentum
 'I've known a hundred good street fighters and a thousand not so good ones. But in a lifetime I've met only a handful of freak

street fighters, the best of the best. They all died young. The freaks always do.' For more than 25 years Mark Brandon 'Chopper' Read preyed on Australia's underbelly. Chopper was the criminal all other criminals feared, a toecutter who extorted protection money from rich drug dealers while holding them at gunpoint. An ex-convict, rapper and bestselling author, Chopper is one of Australia's most controversial public figures. In *No Tears for a Tough Guy*, Chopper once again presents a selection of his short stories featuring his trademark style and the authenticity that only comes from real life experience. Featuring his stories 'A Great Day for a Shoot 'em Up', 'Taking Care of Business' and 'No Tears for a Tough Guy', this collection gives an even greater insight into the mind of the most infamous criminal in Australia.

Last Man Standing Momentum

"Crims and screws agree on one thing: that the people who run prisons wouldn't know if a tram was up them unless you rang the bell." *How to Shoot Friends and Influence People*, Mark Brandon "Chopper" Read's third book, was written behind bars as Chopper faced life in prison for a

shooting he claimed he didn't commit. For this book, Chopper obtained confidential and extensive prison files relating to him under the Freedom of Information Act. These included psychological assessments, plus prison classification and discipline records. They provide a fascinating insight into how this maverick criminal dealt with the prison system over two decades. Featuring the infamous story of Tanya and Eddy, Chopper's coming-of-age yarn from his 18th birthday, plus reflections on the end of his long-term relationship and what it's like to be the most famous author-in-residence at Risdon Prison, this third volume of his memoirs contains more tales of the criminal underworld told in Chopper's unique style.

"The governor called me into his office one fine day and in his best serious voice with his best serious look told me I could no longer write letters to my publishers because it appeared to him that I was trying to write another book. The man should have been a rocket scientist..." The fourth volume of Mark Brandon "Chopper" Read's memoirs were written behind bars, against the wishes of the prison

authorities and smuggled out in the form of letters. Including stories about drinking with Bob Hawke, Chopper's reflections on the closing of the infamous H-Division section of Pentridge Jail, his unique take on race relations, sex and relationships, *For the Term of His Unnatural Life* gives more fascinating insight into the mind and life of one of Australia's most notorious criminals, and what daily life behind bars in maximum security prison is actually like. Bleakly funny, brutal and disturbingly true, Chopper's memoirs have become international bestsellers and made him one of Australia's most famous - or infamous - names.
