Describes how serious
illness can actually be a
soul-transforming
experience that
eliminates neurosis and
leads to the essential
truths of life.

MEETING THE SHADOW

Karios Editorial Sa
King Aloysius discovers
that demons' smoke will
enable him to build an
army of children to help
expand his realm and
power. Princess Catherine
calls upon her allies who
can use their unique
talents to stop him as he
breaches the barriers
between worlds and
unleashes demons upon
the kingdom.

*Archetypes in Women
Over Fifty* GRIJALBO

"For women there is
nothing more liberating
than age if we learn to
use our energy, power
and compassion." -- Back
cover.

The Tao of Psychology

Harper Collins
Female Connection and
Empowerment as a Force
for Change A how-to

guide for women's circles.
The minds and spirits of
women are powerful
forces, particularly when
harnessed in communion
with other women.

Women's circles have
been around for quite
some time, and their
presence is a healing and
strengthening source for
many. Furthermore,
author and psychiatrist
Jean Shinoda Bolen
believes that women's
circles act as catalysts for
change around the world.
In this inspiring and
spiritual book for women,
Dr. Bolen provides both a
guide and vision for
women seeking purpose
and change. Find
empowerment and
enlightenment. Through
her poetic language, Dr.
Bolen emphasizes to her
readers the importance of
using their intuition and
drawing upon their own
insights. In bringing
feminine values such as
relationship, nurturing,
and equality together, Dr.
Bolen shares how women
create a space for
compassionate and
radical growth. Women as
changemakers. By
focusing on both the
psychological and
spiritual, women open the
doorway for great change
and empower one another

to be leaders of positive
change in their own lives
and beyond. In this way,
women empowerment
itself acts as a tool for
societal and
psychospiritual change.
After all, when strong
women join together, who
can stop them? Read *The
Millionth Circle: How to
Change Ourselves and the
World and find... A tool for
creating positive change*
*Words of insightful and
powerful feminine wisdom*
A book for women
everywhere Readers of
Wild Mercy, If Women
Rose Rooted, Women
Rowing North, or Warrior
Goddess Training will love
the inspiring message and
call to action in Jean
Shinoda Bolen's The
Millionth Circle.

A Powerful and Poetic Call
to Ecological & Feminist
Activism This masterful
work by internationally
known author and
speaker Jean Shinoda
Bolen provides an
insightful look into the
fusion of ecological issues
and global gender politics.
Of trees and women. This
book on the importance of
trees grew out of Bolen's
experience mourning the
loss of a Monterey pine

that was cut down in her neighborhood. That, combined with her practice of walking among tall trees, led to her deep connection with trees and an understanding of their many complexities. From their anatomy and physiology, to trees as archetypal and sacred symbols, Bolen expertly explores the dynamics of ecological activism spiritual activism and sacred feminism. And, she invites us to join the movement to save trees. Stories of those making a difference. While there is still much work to be done to address environmental problems, there are many stories of individuals and organizations rising up to make a change and help save our planet. The words and stories that Bolen weaves throughout this book are both inspirational and down-to-earth, calling us to realize what is happening to not only our trees, but our people. By writing about both the work of organizations like Greenpeace and the UN Commission on the Status of Women, Bolen highlights her passions and shares her unique vision for the world. In *Like a Tree* learn more about: The dynamic nature of trees — from

their anatomy to their role as an archetypal symbol Pressing social issues such as deforestation, global warming, and overpopulation What it means to be a “tree person” If you enjoyed books like *The Hidden Life of Trees*, *Wise Trees*, *Around the World in 80 Trees*, or *Braiding Sweetgrass*, then you’ll love *Like a Tree: How Trees, Women, and Tree People Can Save the Planet*.

Goddesses in Older Women Echo Point Books & Media, LLC

¿Cuánto dura el dolor?, ¿Es sólo tristeza o ya es depresión?, ¿Volveré a sentirme feliz algún día? Esas y otras preguntas se hizo Cecilia Lavalle Torres, periodista y conferencista con más de 20 años de experiencia, cuando murió de cáncer su hijo mayor. En *Claves para atravesar la tormenta* (mis aprendizajes para vivir el duelo), Cecilia Lavalle sintetiza, de manera clara y sencilla lo que ha aprendido en este proceso. También comparte su propio viaje por la tormenta a través de textos periodísticos que publicó en su momento o de apuntes de su diario personal. “No soy psicóloga ni psiquiatra. No soy

terapeuta ni tanatóloga. Soy, eso sí, una mujer de 59 años que vive su duelo, y he tenido grandes aprendizajes, que no quería, claro, pero que tuve que elaborar muy a pesar y con todo mi pesar”, escribe la autora. En este libro comparte esos aprendizajes que representan faros para alumbrar el camino de quienes atraviesan por duras adversidades, pero en especial para quienes, por la muerte de un ser que aman, sienten que han naufragado y están a la deriva.

A Novel Viking Books for Young Readers
“Myths, stories, prayer, touching, visualization, rituals, and especially love are some of the tools and wisdom that this extraordinary book gives us.”—Isabel Allende
Whether it’s a personal health crisis or sickness a loved one is experiencing, none of us escape this life without encountering some form of illness or death. While we can try to ignore the reality, internationally known author and speaker Dr. Jean Shinoda Bolen suggests we do the exact opposite: face it. By encountering the frightening world of serious illness and death, we can better uncover

how it gives us purpose. While encountering sickness is inevitable, healing often seems harder to come by. We are left broken open when serious illness hits. While there is no single key to recovery, it is rare to find healing without first addressing the pain. This book serves as a guide to finding purpose in the pain. Through practicing self-compassion and empathy for others, and actively listening and learning, we set ourselves on a path to thoughtfully unravel the process of finding hope. Read Dr. Bolen's *Close to the Bone and Finding . . .* · An insightful book for anyone living with a life-threatening illness (or caring for a loved one who is ill) · Encouragement for facing the trials and trauma of illness by relying on the wisdom we all have within · A supplemental guide for those who want to form support circles "A finely polished mirror for the healing heart and body. An important statement of theories and practices which have aided many in the course of their illness and recovery."—Stephen Levine, bestselling author of *Unattended Sorrow*
The Spiral Dance Harper Collins
 Este libro explica de

forma sencilla y práctica cómo puede, cualquier mujer, mejorar sus vida interior y en consecuencia su presencia en el mundo, en su casa, en sus relaciones familiares, de pareja o sociales. Elvira S. Muliterno, prestigiosa pensadora pionera en procesos de empoderamiento para mujeres, introduce por vez primera en España este concepto, como una estrategia eficaz para defender y ensalzar la esencia de lo femenino y su auténtico valor. Es un libro pensado para la mujer que busque o reclame un espacio valioso en el hogar, en la pareja, en la empresa o en la sociedad. Podrá autoevaluarse y reconocerse como ser humano. Este es un libro integrador, asegura su autora, muy necesario para las mujeres actuales, que vivimos en la igualdad legal, pero funcionamos aún con automatismos pasados que nos generan infelicidad y angustia interior. El libro consta de seis capítulos a lo largo de los cuales se desgranarán los aspectos o procesos de pensamiento en los que una mujer de estos tiempos atraviesa, ofreciendo fórmulas para encontrar respuestas

propias. La primera parte del libro se titula toma conciencia de las ideas feministas heredadas; la segunda, toma conciencia de lo que hay dentro de ti; y la tercera, empodérate, donde la autora se centra en los objetivos de la nueva mujer, en qué obstáculos encontrará por este camino y en cómo es de poderosa, para que actúe y cumpla sus sueños. Un obra revolucionaria en el ámbito del pensamiento en torno a la mujer.

Dark, moving and original, a story of family, survival, and getting on with life... Flynn Sinclair understands pack loyalty – for years as his Alpha father's enforcer, he has done things in the name of duty that he can't ever forget. But the vast expanse of Alaska offers him a peace he's never known. Alone, removed from pack life, he can focus on his research and try to forget his life before. But duty has a way of inviting itself in, and Flynn finds himself doing two reckless things in one week: leaving the safety of Alaska to save his brother Connor's life, and unwittingly falling in love with Evie Thompson, a woman who doesn't deserve to be drawn into his terrifying world. Connor carries news of their father's descent into madness, and it looks like neither geography nor Flynn's attempts at

disengagement will put off a confrontation. Flynn had finally begun to believe that he might deserve something good in his life – something like Evie – but to move forward in the light, he must first reconcile with the dark.

A Guide for Women Survivors of Child Sexual Abuse Mango Media Inc.

“Jean Shinoda Bolen provides ancient and modern ways to be our authentic, courageous, and passionate selves. Jean herself is an Artemis.”—Gloria Steinem
Worshiped in Ancient Greece as a protectress of young girls, Artemis was the goddess of hunting, nature, and chastity—the original “wild woman.” In *Artemis*, Jungian analyst and bestselling author, Jean Shinoda Bolen, revives the goddess Artemis to reclaim the female passion and persistence to survive and succeed. But an indomitable spirit isn't just reserved for the gods. In her book, Dr. Bolen revives the myth of Atalanta, an archetypal Artemis and mere mortal. To Atalanta, fate was no obstacle. Left to die because she was born a girl, she faces the Calydon Boar and outruns any man attempting to claim

her as his wife. In *Artemis*, women are encouraged to discover their inner heroine—the activist who never gives up, who cannot be subdued. Whether women's rights activists or Princess Merida from *Brave*, the Artemis personality is embodied in the modern women. Hailed by Isabel Allende, as a “beautiful, inspiring book,” *Artemis* is dedicated to all women and girls who discover her unconquerable spirit in themselves or others. Inside find: · Examples of Artemis in real-life and popular culture · Ancient and modern ways to be your authentic self · A source of strength, power, and integrity “Bolen connects Artemis to contemporary figures such as environmental activist Julia Butterfly Hill, author Cheryl Strayed, and journalist Lara Logan . . . Bolen also discusses other goddess archetypes, including the romance-oriented Aphrodite, contemplative Hestia, and Hecate, the wise crone. The exploration of Artemis and Atalanta as feminist icons is compelling.”—Publishers Weekly
Philosophy Editorial Kairós
En La suma de los días, Isabel Allende narra con

franqueza la historia de su vida y la de su peculiar familia en California, en una casa abierta, llena de gente y de personajes literarios, y protegida por un espíritu; hijas perdidas, nietos y libros que nacen, éxitos y dolores, un viaje al mundo de las adicciones y otros a lugares remotos del mundo en busca de inspiración, junto a divorcios, encuentros, amores, separaciones, crisis de pareja y reconciliaciones. También es una historia de amor entre un hombre y una mujer maduros, que han salvado muchos escollos sin perder ni la pasión ni el humor, y de una familia moderna, desgarrada por conflictos y unida, a pesar de todo, por el cariño y la decisión de salir adelante.

ENGLISH DESCRIPTION
 Narrated with warmth, humor, exceptional candor and wisdom, *The Sum of Our Days* is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of *The House of the Spirits*, Isabel Allende. An inspiring and thought-provoking work. -Denver Post
 Isabel Allende reconstructs the painful

reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory--and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

La suma de los días
 Dykinson
 Esta investigación nace a partir de la reflexión sobre la forma de vivir la espiritualidad que tenemos las mujeres occidentales del siglo XXI, partiendo de la base de que, en una cultura como la nuestra, de tradición europea y católica, la divinidad suele ser presentada y vivida en masculino. Podemos referirnos a ella como a un padre, como a un esposo o como a un hijo, sin embargo, no es frecuente conceptualizarla en femenino. Antes, al contrario, la imagen con la que hemos tenido que identificarnos las mujeres

a lo largo de los siglos, ha soportado una carga terrible de maldad, pecado, lascivia y lujuria...
[A Curandera Reveals Traditional Aztec Secrets of Physical and Spiritual Health](#) Wiley-Blackwell

Lunáticas es una guía para que las mujeres puedan conectarse con la naturaleza más profunda que las une al ciclo lunar.

A Beginners Guide Las Brujas No Se Quejan
 Un Manual de Sabiduría Concentrada
 In its original edition, this culmination of Jean Shinoda Bolen's life's work sold over 25,000 copies. Now in paperback for the first time *Urgent Message from Mother* is a call to action for all the women of the world. This unique combination of visionary thinking and practical how-to seeks to galvanize the power of women acting together in order to save our world. Bolen

outlines the lessons we can learn from the women's movement, draws on Jungian psychology and the sacred feminine, and gives powerful examples of women coming together all over the globe and making a significant impact.

CLOSE TO THE BONE

Random House
The author offers exploration of self and practical guidance dealing with the dark side of personality based on Jung's concept of "shadow," or the forbidden and unacceptable feelings and behaviors each of us experience.

Life-Threatening Illness as a Soul Journey Aeon Books

"An autobiographical account of how a psychiatric nurse specialist became a folk medicine healer; this also explains the origins and practice of one of the oldest forms of medicine in the New World."—Kirkus.
