When Fiona’s family moves to a new town to be closer to her older sister’s figure skating club—and far from Fiona’s close-knit group of friends—nobody seems to notice Fiona’s unhappiness. Alone and out of place, Fiona ventures to the town’s library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel

LIFE AND DEATH: TWILIGHT REIMAGINED

Little, Brown Books for Young Readers

One choice can destroy you. Veronica Roth's second #1 New York Times bestseller continues the dystopian thrill ride that began in *Divergent*. A hit with both teen and adult readers, *Insurgent* is the action-packed, emotional adventure that inspired the major motion picture starring Shailene Woodley, Theo James, Ansel Elgort, and Octavia Spencer. As war surges in the factions of

dystopian Chicago all around her, Tris attempts to save those she loves—and herself—while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!*

The Short Second Life of Bree Tanner Orbit Books

Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to *Eclipse*. Bree Tanner, a self-described "vampire nerd" first introduced in *Eclipse*, lives in terror in a coven of newborn vampires. She is a member of Victoria's vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one for the books. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

The Anatomy of Dreams Little, Brown Books for Young Readers

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her

profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob - knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation approaching, Bella has one more decision to make: life or death. But which is which? Following the international bestsellers *Twilight* and *New Moon*, *Eclipse* is the much-anticipated third book in Stephenie Meyer's captivating saga of vampire romance.

Fans of *The Twilight Saga* will be enthralled by the riveting story of Bree Tanner, a character introduced in *Eclipse*, and the darker side of the newborn vampire world she inhabits. In another irresistible combination of danger, mystery and romance, Stephenie Meyer tells the devastating story of Bree and the newborn army as they prepare to close in on Bella Swan and the Cullens, following their encounter to its unforgettable conclusion. 'I'm as surprised as anyone about this novella,' said Stephenie Meyer. 'When I began working on it in 2005, it was simply an exercise to help me examine the other side of *Eclipse*, which I was editing at the time. I thought it might end up as a short story that I could include on my website. Then, when work started on *The Twilight Saga: The Official Guide*, I thought the Guide would be a good fit for my Bree story. However, the story grew longer than I anticipated, until it was too long to fit into the Guide.
