The Celestine Prophecy An Experiential Guide

OMB No. 2989170750836 edited by

MARITZA CURTIS

The Celestine Vision Hachette UK

From Paulo Coelho, author of the international bestseller *The Alchemist*, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has

grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.

The Secret of Shambhala Harvard University Press
 The Celestine Prophecy Random House
Find Your Purpose, Change Your Life Harper Collins

In this amazingly timely story about what the wealthy do when Wall Street lays an egg, the author of *Gilding Lily* once again delivers a witty and insightful treatment of today's woman, as she explores the sacrifices they make, the bargains they strike, the rules they follow, and what happens when it all starts to fall apart. Who could have guessed that Wall Street would go south just as Marcy Emerson and her husband moved east? Down to earth Marcy relocated from Chicago to New York when her husband was offered a big time job as a hedge fund manager. She gives up her own job—after all, hedge fund wives don't work! And while at first it's fun to shop all day and party all night, Marcy quickly learns that life among the rich can be anything but easy and that behind every smile can be a stab in the back. Still, it's not until her husband leaves her for his thinner, blonder mistress—a woman who is higher up the social ladder than the original Mrs. Emerson will ever be—that Marcy decides to stand on her own two feet once again, and fight for the things that are far more important than money.

A Wonderful New Addition to the Vision that Began with the Celestine Prophecy... When James Redfield wrote *The Celestine Prophecy* and *The Tenth Insight*, he crystallized a new spiritual vision for millions of people around the globe. Since then people have been gathering together to discuss how spiritual experiences have touched their lives and to explore the global renaissance already under way. Now in an exciting nonfiction book, James Redfield further helps us explore our unique missions on this planet. Personalizing the ideas of his earlier works, he delves into the hidden energies of our individual life dramas and shows us the mystical experiences that resolve them. Through self-disclosure, he clarifies how mysterious coincidences led him toward a specific destiny and can lead us to ours. And, finally, the principles of synchronicity, connection, and purpose all converge in Redfield's lucid discussions about history and science, allowing us to see their unbroken chain of evolution toward a better world. Inspiring and enlightening, *The Celestine Vision* is a wonderful, wise companion as we expand our consciousness and take action to create a truly joyous Earth.

Fire in the Soul Grand Central Publishing

Sequel to *The Celestine prophecy*.

When Life Changes or You Wish It Would Light Technology Publishing

It has been referred to as the mysterious phenomenon of spontaneous excellence. It has been applauded as the model for achievement in everything from athletics to child rearing, and it relates to every aspect of our lives, from the food we eat to the art and music we surround ourselves with. "Being 'in the zone' has been popularized greatly by the sports media, and, as so often happens with buzz-words and catch-phrases, it has taken on an aura much greater and more mysterious than its true nature . . . In reality, the zone is nothing more than peak efficiency, of which we are all capable." From *Exploring the Zone*, section 1, "The Ranks of the Efficient" This book explores all the aspects of accessing a level of consciousness where the zone can be accessed and prolonged through ten "pathways to the zone," and through understanding what the zone itself is. *Celestine Prophecy* author James Redfield's contributions expand the spiritual aspects of the zone. The concluding twelve chapters present principles on the unity of heaven, earth, and human, and the essential unities within each realm.

Young Minds in Social Worlds Grand Central Publishing

Katherine Nelson re-centers developmental psychology with a revived emphasis on development and change, rather than foundations and continuity. She argues that children be seen not as scientists but as members of a community of minds, striving not only to make sense, but also to share meanings with others. A child is always part of a social world, yet the child's experience is private. So, Nelson argues, we must study children in the context of the relationships, interactive language, and culture of their everyday lives. Nelson draws philosophically from pragmatism and phenomenology, and empirically from a range of developmental research. Skeptical of work that focuses on presumed innate abilities and the close fit of child and adult forms of cognition, her dynamic framework takes into account whole systems developing over time, presenting a coherent account of social, cognitive, and linguistic development in the first five years of life. Nelson argues that a child's entrance into the community of minds is a slow, gradual process with enormous consequences for child development, and the adults that they become. Original, deeply scholarly, and trenchant, *Young Minds in Social Worlds* will inspire a new generation of developmental psychologists.

Evolutionary Enlightenment SelectBooks, Inc.

A book which tells of a journey, and which is a journey in itself. Weaving between self-reflection and offering advice to the seeking spirits of both professionals and the general public, you will follow the author on her own personal journey through a natural disaster, her parents' addiction, a series of panic attacks and her craving for peace and happiness. There have been days when she lost everything, and others when she felt grounded and safe. Now an eclectic therapist, she is a strong believer in Erikson's 8 stages of psychosocial development and an advocate for what she calls Rebel Therapy. A practising Nichiren Buddhist, she seems to have found peace in that personal land where experience, philosophy, psychotherapy and spirituality meet. You can find her there: and she will teach you to never give up.

NOTHING GENERAL ABOUT IT

Pelican Publishing

Instant New York Times bestseller! The Emmy Award-winning star of *General Hospital* chronicles his astonishing and emotional life journey in this powerful memoir—an inspiring story of success, show business, and family, and his struggle with mental illness. "This shocking true story is *General*

Hospital on anabolic steroids." — Mehmet Oz, M.D., Emmy Award-winning host of The Dr. Oz Show

Maurice Benard has been blessed with family, fame, and a successful career. For twenty-five years, he has played one of the most well-known characters on daytime television: General Hospital's Michael "Sonny" Corinthos, Jr. In his life outside the screen, he is a loving husband and the father of four. But his path has not been without hardship. When he was only twenty, Maurice was diagnosed with bipolar disorder. In *Nothing General About It*, Maurice looks back to his youth in a small town and his tenuous relationship with his father. He describes how his bipolar disorder began to surface in childhood, how he struggled to understand the jolting mood swings he experienced, and how a doctor finally saved his life. For years Maurice was relentless in his goal to be a successful actor. But even after he "made it," he still grappled with terrifying lows, breakdowns, and setbacks, all while trying desperately to maintain his relationship with his wife, who endured his violent, unpredictable episodes. Maurice holds nothing back as he bravely talks about what it was like to be medicated and institutionalized, and of how he learned to manage his manic episodes while on the set of GH. *Nothing General About It* is also an incredible love story about an enduring marriage that demonstrates what those vows—for better, for worse, in sickness and in health—truly mean. Maurice also pays tribute to the community that has been there for him through thick and thin, and ruminates on the importance of both inherited and created family. A shocking, riveting, and utterly candid memoir of love, adversity, and ultimately hope, *Nothing General About It* offers insights and advice for everyone trying to cope with mental illness, and is a motivational story that offers lessons in perseverance—of the importance of believing in and fighting for yourself through the darkest times. *Nothing General About It* includes a 16-page insert featuring approximately 50 photographs.

The Celestine Vision Bantam

An experiential guide to the spiritual path of the Holy Grail • Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine • Provides exercises, meditations, and rituals to connect you with the powers of the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail • Explains how attaining the Grail brings full consciousness of the soul and Divine influence for the healing of self and others The primary myth of Western culture, the quest for the Holy Grail persists through the centuries like a recurring dream, embodying the longing for the divine feminine suppressed for more than two thousand years. The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul, for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination. By working with the symbols of the Grail tradition we can gaze into our own hidden depths and heal the separation between masculine and feminine, Spirit and Matter, and Heaven and Earth. Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ, revealing a spiritual path rooted in the mysteries of the Goddess, the Grail, and the Sword. She explains how the Sword has dominated over the Goddess and the Grail for far too long, leading to a spiritual wasteland as foretold in the Grail stories. She provides a practical workbook of exercises, visualizations, and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail itself. Drawing on folk traditions and medieval Arthurian romances as well as

alchemy and the wisdom of the mystics of Glastonbury, Freeman reveals the ancient Celtic teachings of the Western Mystery tradition. She shows that attaining the Grail involves achieving full consciousness of the soul. Then, as a Grail-bearer, you can bring the light of the Grail into the world for the healing of self and others.

By the River Piedra I Sat Down and Wept HarperCollins

The author of *The Great Railway Bazaar* explores the South Pacific by kayak: "This exhilarating epic ranks with [his] best travel books" (Publishers Weekly). In one of his most exotic and adventuresome journeys, travel writer Paul Theroux embarks on an eighteen-month tour of the South Pacific, exploring fifty-one islands by collapsible kayak. Beginning in New Zealand's rain forests and ultimately coming to shore thousands of miles away in Hawaii, Theroux paddles alone over isolated atolls, through dirty harbors and shark-filled waters, and along treacherous coastlines. Along the way, Theroux meets the king of Tonga, encounters street gangs in Auckland, and investigates a cargo cult in Vanuatu. From Australia to Tahiti, Fiji, Easter Island, and beyond, this exhilarating tropical epic is full of disarming observations and high adventure.

The Purpose Of Your Life Experiential Guide Grand Central Publishing

Time Power Grand Central Publishing

The #1 bestselling phenomenon with millions of copies sold around the world -- now with a guide to creating your own Celestine Prophecy experience. You have never read a book like this before--a

book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for The Celestine Prophecy "A gripping adventure story filled with intrigue, suspense, and spiritual revelations." - Commonwealth Journal "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of Fire in the Soul "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra

James Redfield's bestselling adventures into metaphysical mysteries, self-discovery, and spiritual enlightenment, featuring both The Celestine Prophecy and The Tenth Insight together in this special edition. James Redfield's bestselling adventures into metaphysical mysteries, self-discovery, and spiritual enlightenment, featuring both The Celestine Prophecy and The Tenth Insight together in this special edition. You begin your quest with The Celestine Prophecy, a parable that reads like a gripping adventure tale. Here you discover that an ancient Peruvian manuscript has disappeared. Although few Westerners know of its existence and a government wants to suppress it, this precious document contains an important secret: the nine Insights the human race is predicted to grasp as we enter an era of true spiritual awareness. To find the manuscript, you will journey high into the Andes mountains and into the deepest places of the self. When the last of the nine Insights is revealed to you, you will have an exciting new image of human life, and a positive vision of how we will save this planet, its creatures and its beauty. But one Insight will still be missing... Now journey to an old-growth forest deep in the Appalachian Mountains to continue your adventure in search of The Tenth Insight. It is a trip that will take you through portals into other dimensions, to memories of past experiences and other centuries, to the moment before our conception and through to the passage of death and what comes after. And back on Earth, you will see the fear of the future that is endangering Earth's spiritual renaissance, and you will struggle to overcome this fear by exploring the nature of intuition, synchronicity, and visualization. With words that resonate with our deepest intuitions and illuminate both the world outside us and within us, James Redfield offers us all a unique, revelatory, and ultimately joyful vision of human spirituality. One that could change your life-and perhaps the world.
