*Bones on Ice: A Novella*

Scribner

"Fans of TV's CSI: Crime Scene Investigation should be in heaven"

(People) stepping into the world of forensic anthropologist Dr.

Temperance Brennan, star of Kathy Reichs's electrifyingly authentic bestsellers. Her life is devoted to justice -- for those she never even knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Quebec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Tempe detects an alarming pattern -- and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her -- her best friend and her own daughter -- in mortal danger....

## **DEJA DEAD**

Simon and Schuster  
Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit *Bones*—returns with a riveting new novel set in Charlotte, North Carolina, featuring America's favorite forensic anthropologist, Dr. Temperance Brennan. Just as 200,000 fans are pouring into town for Race Week, a body is found in a barrel of asphalt next to the Charlotte Motor Speedway. The next day, a NASCAR crew member comes to Temperance Brennan's office at the Mecklenburg County Medical Examiner to share a devastating story. Twelve years earlier, Wayne Gamble's sister, Cindi, then a high school senior and aspiring racer, disappeared along with her boyfriend, Cale Lovette. Lovette kept company with a group of right-wing extremists known as the Patriot Posse. Could the body be Cindi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation,

only to terminate it weeks later. Was there a cover-up? As Tempe juggles multiple theories, the discovery of a strange, deadly substance in the barrel alongside the body throws everything into question. Then an employee of the Centers for Disease Control and Prevention goes missing during Race Week. Tempe can't overlook the coincidence. Was this man using his lab chemicals for murder? Or is the explanation even more sinister? What other secrets lurk behind the festive veneer of Race Week? A turbocharged story of secrets and murder unfolds in this, the fourteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit *Bones* about to enter its seventh season and in full syndication—and her most recent novel, *Spider Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her game. *Devil Bones* Simon and Schuster  
NEW YORK TIMES

**BESTSELLER** • This ebook edition contains a special preview of Kathy Reichs's upcoming novel *Two Nights* and the bonus novella *Bones on Ice*. No one speaks the language of suspense more brilliantly than Kathy Reichs, author of the acclaimed *Temperance Brennan* series. In *Speaking in Bones*, the forensic anthropologist finds herself drawn into a world of dark secrets and dangerous beliefs, where good and evil blur. Professionally, Temperance Brennan knows exactly what to do—test, analyze, identify. Her personal life is another story. She's at a loss, wondering how to answer police detective Andrew Ryan's marriage proposal. But the matter of matrimony takes a backseat when murder rears its head. Hazel "Lucky" Strike—a strident amateur detective who mines the Internet for cold cases—comes to Brennan with a tape recording of an unknown girl being held prisoner and terrorized. Strike is convinced the voice is that of eighteen-year-old Cora Teague, who went missing more than three years earlier. Strike is also certain that the teenager's remains are

gathering dust in Temperance Brennan's lab. Brennan has doubts about working with a self-styled websleuth. But when the evidence seems to add up, Brennan's next stop is the treacherous backwoods where the chilling recording (and maybe Cora Teague's bones) were discovered. Her forensic field trip only turns up more disturbing questions—along with gruesome proof of more untimely deaths. While local legends of eerie nocturnal phenomena and sinister satanic cults abound, it's a zealous and secretive religious sect that has Brennan spooked and struggling to separate the saints from the sinners. But there's nothing, including fire and brimstone, that can distract her from digging up the truth and taking down a killer—even as Brennan finds herself in a place where angels fear to tread, devils demand their due, and she may be damned no matter what. Praise for *Speaking in Bones* "Speaking in Bones keeps the suspense high."—Associated Press "Temperance's forensic sleuthing uncovers many secrets, along with a blockbuster psychological surprise."—The Huffington Post

*Swamp Bones: A Novella*  
Simon and Schuster  
Struggling with a lackluster teaching position at an archeology field school in South Carolina, Tempe Brennan discovers a fresh skeleton among ancient bones and traces leads to a free street clinic where patients are going missing.

*Flash and Bones* Random House  
In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this

skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

**Cold, Cold Bones** Simon and Schuster

Molly Arnette is very good at keeping secrets. She lives in San Diego with a husband she adores, and they are trying to adopt a baby because they can't have a child on their own. But the process of adoption brings to light many questions about Molly's past and her family—the family she left behind in North Carolina twenty years before. The mother she says is dead but who is very much alive. The father she adored and whose death sent her running from the small community of Morrison's Ridge. Her own birth mother whose mysterious presence in her family raised so many issues that came to a

head. The summer of twenty years ago changed everything for Molly and as the past weaves together with the present story, Molly discovers that she learned to lie in the very family that taught her about pretending. If she learns the truth about her beloved father's death, can she find peace in the present to claim the life she really wants? Told with Diane Chamberlain's compelling prose and gift for deft exploration of the human heart, *Pretending to Dance* is an exploration of family, lies, and the complexities of both.

### **PRETENDING TO DANCE**

Bantam  
Adventure is in Tory Brennan's blood. After all, she's the grandniece of world-famous forensic anthropologist Temperance Brennan. Always up for a challenge, Tory and her science-geek friends spend their time exploring the marshlands of Loggerhead Island, home to the very off-limits Loggerhead Island Research Institute, where something strange is going on. After rescuing a stray wolfdog pup from a top-secret lab, Tory and her friends are exposed to a rare strain of canine parvovirus, changing

them--and their DNA--forever. Now they are more than friends. They are a pack. They are Virals. And they're dangerous to the core. But are they unstoppable enough to catch a cold-blooded murderer? *Bones Never Lie* Deja Dead

#1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the

images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. "A complete success" (Booklist, starred review), "this is Kathy Reichs as you've never read her before" (David Baldacci).

### **BONES ARE FOREVER**

Random House

The first gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international number one bestselling crime thriller writer.

---

\_\_\_\_\_ Bagged and discarded, the dismembered body of a woman is discovered in the grounds of an abandoned monastery. Dr Temperance Brennan, Director of Forensic Anthropology for the province of Quebec, has been researching recent disappearances in the city. She is convinced that a serial killer is at work. But when no one else seems to care, her anger forces her to take matters into her own hands. However, her determined probing has placed those closest to her in real danger. Can Tempe make her crucial breakthrough before the killer strikes again?

---

\_\_\_\_\_ Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. She is best, however, known for her internationally bestselling Temperance Brennan

novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series *Bones*.

---

\_\_\_\_\_ Praise for Kathy Reichs: 'Kathy Reichs writes smart - no, make that brilliant - mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross' JAMES PATTERSON 'One of my favourite writers of all time!' KARIN SLAUGHTER 'I love Kathy Reichs - always scary, always suspenseful, and I always learn something!' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She is the real deal' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last. They're filled with riveting twists and turns - and no matter how many books she writes, I just can't get enough' LISA SCOTTOLINE 'Nobody writes a more imaginative thriller than Kathy Reichs!' CLIVE CUSSLER *The Bone Code* Pocket Books  
A new story featuring forensic anthropologist

Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV's *Bones* producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina's Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe's surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship's body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center. Did Blankenship's passion lead her into danger? Alongside Detective

"Skinny" Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship's death. But Tempe's own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs's new novel, *Bones of the Lost*—is an exhilarating new installment in the Temperance Brennan series.

### DE DEAD

Simon and Schuster  
The deaths of two young girls lands forensic anthropologist Temperance Brennan into the world of rival outlaw biker gangs.

### VIRALS

Simon and Schuster  
#1 New York Times bestselling author and producer of the Fox hit series *Bones*, Kathy Reichs returns with an unforgettable new novel featuring forensic anthropologist Tempe Brennan, whose examination of a mysterious hit-and-run victim triggers an investigation into human trafficking. When Charlotte police discover the body of a teenage girl along a desolate stretch of two-lane highway,

Temperance Brennan fears the worst. The girl's body shows signs of foul play. Inside her purse, police find an airline club card bearing the name of prominent local businessman John-Henry Story, who died in a horrific fire months earlier. How did Story and the girl know each other? Was she an illegal immigrant turning tricks? Was she murdered? Was he? Tempe must also examine a bundle of Peruvian dog mummies confiscated by U.S. Customs. A Desert Storm veteran named Dominick Rockett stands accused of smuggling the objects into the country. Could there be some connection between the trafficking of antiquities and the trafficking of humans? As the complications pile on, Tempe must also grapple with personal turmoil. Her daughter, Katy, grieving the death of her boyfriend in Afghanistan, impulsively enlists in the army. Meanwhile, Katy's father, Pete, is growing frustrated by Tempe's reluctance to finalize their divorce. As pressure mounts from all corners, Tempe soon finds herself at the center of a conspiracy that extends all the way from South America to Afghanistan

and right to the center of Charlotte. A tour de force of imagination, *Bones of the Lost* is a roller coaster of plot twists, punctuated by Tempe's fierce wit and forensic know-how. "A genius at building suspense" (New York Daily News), Kathy Reichs is at her brilliant best in this sixteenth installment of the Temperance Brennan series. With the Fox series *Bones* in its ninth season, Kathy Reichs has reached new heights in suspenseful storytelling.

**Deadly Decisions** Simon and Schuster

"Reichs has written her masterpiece—smart, scary, complicated, and engrossing." —Michael Connelly "This page-turning series never lets the reader down."

—Harlan Coben "The crowning achievement of a master storyteller."

—Nelson DeMille #1 New York Times bestselling thriller writer Kathy Reichs's twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work

schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine "Skinny" Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe's Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the

motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present.

## **BONES OF THE LOST**

Pocket Star

An original novel based on Fox's new hit television series, inspired by real-life forensic anthropologist and novelist Kathy Reichs, creator of the Temperance Brennan series. Original.

206 Bones Simon and Schuster

From #1 bestselling author Kathy Reichs comes a collection of four pulse-pounding short stories starring forensic anthropologist Dr. Temperance Brennan—including one original that tells how the beloved forensic anthropologist got her start in the lab—together in a single print edition for the first time. From #1 bestselling author Kathy Reichs comes a captivating array of stories that show you Temperance Brennan as you've never seen her before. In *Bones in Her Pocket*, Temperance Brennan is called to investigate a bag of

human remains discovered in North Carolina. Tempe discovers that the remains are those of a young graduate student who disappeared. The student had unexplained ties to a radical eco-activist nearby, and soon Tempe's passion for crime solving leads her into danger of her own. At the opening of *Swamp Bones*, Tempe takes a much-needed vacation in the Florida Everglades, where she visits a friend researching Burmese pythons. But Tempe's reverie is shattered when she discovers human remains and the telltale signs of murder by a very different kind of predator. *Bones on Ice* sees Temperance Brennan called to investigate an unusual discovery: an earthquake on Mount Everest that has unearthed a mummified corpse. But what starts as a typical case soon raises more questions. Was the young woman's death an accident? Why aren't the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? And in *First Bones*, readers finally get a never-before-seen look at how a young Dr. Temperance Brennan first got her start in the lab.

Suspenseful, thrilling, and pacy, *The Bone Collection* is perfect for fans of the *Bones* series both old and new.

#### **A Conspiracy of Bones** Penguin

The bones of a woman are discovered in the grounds of an abandoned monastery. The case is given to Dr Temperance Brennan of the *Laboratoire de Medecine Legale* in Montreal. Brennan becomes convinced that a serial killer is at work, despite the deep cynicism of Detective Claudel who heads the investigation.

#### **BREAK NO BONES**

Simon and Schuster  
Reichs--#1 "New York Times"--bestselling author and producer of the FOX television hit "*Bones*"-- returns with the 13th riveting novel featuring forensic anthropologist Dr. Temperance Brennan.

**Bones to Ashes** Simon and Schuster  
An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying

the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

#### **SPIDER BONES**

Simon and Schuster  
Her plans for a romantic vacation interrupted by the discoveries of two murdered bodies and a small plane crash, Tempe Brennan traces leads to an isolated North Carolina farm.

#### **SPEAKING IN BONES**

Bantam  
In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound,

hands to feet, and there's something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the

Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly

slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, *206 Bones* describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.
