The ninth book in the original, jaw-droppingly stupendous Skulduggery Pleasant series. Valkyrie. Darquesse. Stephanie. The world ain't big enough for the three of them. The end will come... *The Five Books of Blood* A&C Black

At the end of BLOOD RIVER Clearwater is in trouble on board the wagon-train while Cadillac heads West. Caught up in double treachery Roz and Steve together pretend loyalty to the Federation. While Mutes mount a dramatic raid on the train, Mr Snow is worrying about the whereabouts of Steve, Cadillac and Clearwater and decides to seek them out at the trading post. An elaborate plot sees Steve joining Cadillac to destroy the strongest Mute clan. Meanwhile the Iron Masters are determined to settle

their score with the Mutes and increase their landholding. Having convened a meeting with the Summoners, Mr Snow raises a tidal wave and aborts the iron master's plan; sweeping their boats inland and breaking up the battle. Though Steve fears for Clearwater's safety and appeals to Mr Snow to intervene, the answer is severe. Steve and Clearwater must go back and face their destiny.

### THE HIDDEN KINGDOM

Turtleback Books

"Sharp and seductive...a fantasy with teeth." —Julie C. Dao, author of *Forest of a Thousand Lanterns* A girl of two worlds, accepted by none... A half Reaper, half Shinigami soul collector seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny. Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for centuries. Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she's never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to serve the Goddess of Death...only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she'll go to claim her place at Death's side. Don't miss the must-read sequel coming in 2022!

### AMULET OF AVANTIA; STEALTH THE GHOST PANTHER

Turtleback Books

In this sequel to *The Kinder Poison*—which *People* magazine proclaimed a "delicious high-stakes adventure"—the magical kingdom of Orkena is on the brink of war, and the only person who can save it is Zahru, the girl they once doomed to death. After surviving the Crossing, Zahru has sworn off adventures. While Crown Prince Jet navigates the looming threat of war, she's content to simply figure out what the future holds for them. But they're dealt a devastating blow when prince Kasta returns with a shocking claim: he's the true winner of the Crossing and the rightful heir, and he bears the gods' mark as proof. Even more surprising—he's not the only one. Somehow, Zahru possesses the very same mark, giving her equal right to the throne. The last thing she wants is to rule beside her would-be executioner, but she can't let Orkena fall into his merciless hands. So Zahru, Jet, and their allies must race against the clock to find a way to stop Kasta, because once he's crowned, there's no telling what horrors he'll unleash to win the war. Zahru will do whatever it takes to keep Kasta from taking the throne...but to stop a villain, is she willing to become one herself?

### ASSASSIN (WINGS OF FIRE: WINGLETS #2)

Scholastic Inc.

Hundreds of years after civilisation has been destroyed by nuclear war, the Earth is divided between the Trackers of the Amtrak Federation - a community living in vast subterranean cities - and the Mutes, who have evolved to withstand the radiation that has driven their foes underground. A long war for possession of the overground has killed and enslaved many of the Mutes, leaving only the Plainfolk to resist the Federation. After escaping from the clan M'Call in his handmade glider, wingman Steve Brickman expects a hero's welcome from his fellow Trackers. Kidnapped on his first mission above ground by the Mutes, he has spent the last five months under the enforced tutelage of Mr Snow, clan M'Call's wise and magically gifted wordsmith. The months have also garnered a friendship with Cadillac, Mr Snow's protégé, a dawning love of the beautiful Clearwater, and a realisation that the Mutes are not the sub-humans that his masters would have him believe. But instead of a happy homecoming, he receives suspicion and interrogation. Still officially 'dead' until he receives the proper clearance, Brickman must face long hours of speculation and questioning at the hands of the First Family. Only the chance of seeing his kin-

sister Roz – with whom he shares a psychic connection – offers any comfort. He is soon drawn into the complicated world of AMEXICO, a top-secret intelligence force where nothing is as it seems, and Brickman must face the reality that everything he has believed in could be false. If the First Family have lied to them about the Mutes, then what else have they been covering up? Is there really any harmful radiation left in the blue-sky world at all? Split by a terrible division of loyalties, what will Brickman choose? The world he knows of order and duty? Or the new life glimpsed through his love for Clearwater? Either way, his role in the Mute prophesy of the Talisman is far from over. First Family, first published in 1985, is the second instalment of Patrick Tilley's internationally best selling science fiction epic, The Amtrak Wars Saga.

Kristen Ciccarelli's bestselling Iskari series comes to a captivating end with this final companion novel to *The Last Namsara*, which Tomi Adeyemi, #1 New York Times bestselling author of *Children of Blood and Bone*, calls "one of my favorite books of all time." At the end of one world, there always lies another. Safire, a soldier, knows her role in this world is to serve the king of Firgaard—helping to maintain the peace in her oft-troubled nation. Eris, a deadly pirate, has no such conviction. Known as the Death Dancer for her ability to evade even the most determined of pursuers, she possesses a superhuman power to move between worlds. Now Safire and Eris—sworn enemies—find themselves on a common mission: to find Asha, the last Namsara. From the port city of Darmoor to the fabled faraway Star Isles, their search and their stories become woven ever more tightly together as they discover that the uncertain fate they're hurtling toward just may be a shared one. In this world—and the

next.

### **KINGDOM OF THE WICKED (SKULDUGGERY PLEASANT, BOOK 7)**

Harper Collins

The Akakies, a peaceful, technologically advanced alien species known as "the galaxy's pranksters," are under attack by the Xortaags, a vicious military race bent on conquering the universe. The Xortaags are deadly, but Tarq, the Akakies' chief strategist and legendary shadow master, has a plan. Meanwhile on Earth, Jim, a wise-cracking, movie-quoting, OCD-suffering fighter pilot, is about to propose to his girlfriend Liz when his childhood friend Kurt shows up at his house, injured and covered in blood. Kurt is a freedom fighter/super-assassin hunted by a brutal military dictatorship's security forces. Soon after, Jim, Liz and Kurt's lives are set to crash with a galactic war that threatens the very existence of the human race. Can our heroes save humanity from the wrath of an overwhelming enemy? The *Crimson Deathbringer* seamlessly blends breathtaking action sequences with mischievous humor. If you are a science fiction/space opera fan, this book, with its memorable characters, formidable antagonist and Game of Thrones style shocking moments, is written especially for you.
