The four-part

proved that  
George R. R.

Now the story  
continues as  
New York  
Times  
bestselling  
author Landry  
Q. Walker and  
illustrator Mel  
Rubi introduce  
a thrilling new  
series based  
on the second  
book in the  
landmark  
saga. Time is  
out of joint.

The summer  
of peace and  
plenty, ten  
years long, is  
drawing to a  
close, and the  
harsh, chill  
winter  
approaches  
like an angry  
beast. Two  
great  
leaders—Lord  
Eddard Stark  
and King  
Robert  
Baratheon—who  
held sway  
over an age of  
enforced  
peace are  
dead, victims  
of royal  
treachery.  
Now, from the  
ancient citadel  
of  
Dragonstone

to the forbidding walls of Winterfell, chaos reigns as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard’s son Robb has declared himself King in

the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King’s Landing. Robert Baratheon’s two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard, hot desert to win

back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all the land feels the tremors.

St. Martin's Griffin  
#1 NEW YORK TIMES BESTSELLER  
When dealing with a masterpiece, only the best will do. That's why writer Daniel Abraham and illustrator Tommy Patterson were chosen to adapt

George R. R. Martin's beloved fantasy classic A Game of Thrones as a graphic novel. And as anyone who has read the previous two collected volumes of the ongoing series can attest, the result has been a stunning tour de force faithful in every respect to its brilliant original. In King's Landing, Lord Eddard Stark of Winterfell—the Hand of King Robert Baratheon—is surrounded by

enemies. Some are openly declared, such as Ser Jaime Lannister and his sister, Queen Cersei. Others are hidden in the shadows. Still others wear the smiling mask of friends. But all are deadly, as Eddard is about to discover. Nor is the enmity between Eddard and the Lannister siblings the sole source of friction between these powerful noble families. For Tyrion Lannister, the Imp—whose

stunted, twisted body houses the mind of a genius—has but lately won his freedom from Lady Catelyn Stark, Eddard’s wife, who had accused him of attempting to murder her youngest son, Brandon. Now he seeks out his father, his restless thoughts bent on revenge. Far to the north, the bastard Jon Snow, newly sworn to the Night’s Watch, takes the first faltering steps toward a destiny stranger than

he could ever dream—a destiny that will bring him face-to-face with unspeakable horrors from beyond the edge of the world. While across the Narrow Sea, Daenerys Targaryen, wed to the great Dothraki warlord Khal Drogo, and pregnant with his child—a son prophesied to conquer the world—will see her own destiny take an unforeseen turn.

Bantam  
In a reworking of Mary Shelley’s classic horror novel, Detective Carson O’Connor and her partner, Michael Maddison, are confronted by a serial killer in search of victims that possess the humanity missing in himself. Tor Fantasy  
The second volume in a four-part graphic novel adaptation of the second book in George R. R. Martin’s

landmark A Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. As chaos grips Westeros, a flaming red comet continues to burn a crimson path across the sky. Some see this fiery herald as a sign of their impending victory. Others see it as a mark of the blood and terror that will soon engulf this divided kingdom. But one thing is certain: None of the six contenders

who seek either the Iron Throne, or the lands their ancestors once held as kings, are willing to back down. And as factions scatter or come together, there are many witnesses to the unrest that is to come. Arya Stark finds herself in the heart of enemy territory at Harrenhal, while her mother is trapped between two brothers battling each other for their

dead brother's throne. In the heart of King's Landing, Tyrion is busy ferreting out traitors as the Hand of the King, while Jon is beginning to comprehend the lawlessness of life beyond the Wall. New friends arrive in Winterfell for Bran, a forgotten son finds life in the Iron Islands quite different than he remembered, and the Mother of Dragons at last arrives in the fabled city of Qarth. But even as these

would-be kings draw their lines of battle, it is the people of Westeros who will most suffer for their ambitions. For when kings clash, it is the commoners who bear the greatest cost.

The Oz/Wonderland Chronicles

Simon and Schuster  
In this comic book/graphic novel adaptation set one hundred years before

the events in George R.R. Martin's epic fantasy series, A Song of Ice and Fire, The Sworn Sword follows the adventures of Ser Duncan and his squire, Egg, as they quest for honor and glory in the Seven Kingdoms. After the deaths, surprises, and heroics in The Hedge Knight, Dunk and Egg continue their journey in search of the fair puppeteer Tanselle. Along the way, the elderly knight Ser Eustace

takes both men under his charge, alongside another knight—and this one promises trouble. Peace is ever elusive for Dunk and Egg, as they are soon embroiled in the schemes of local nobility, while a darker, greater thread threatens to unravel long-held truths of the Battle of Redgrass Field. In classic George R.R. Martin fashion, heroes and villains are never clear-cut, and

political alliances threaten to slice the deepest. Yet one path lies ahead for Dunk and Egg: onward toward destiny. Join them as they venture along a now-familiar world but in a time all-new!

gathered eleven of the finest writers in Fantasy to contribute to this collection of short novels. Each of the writers was asked to write a new story based on one of his or her most famous series: from Stephen King's opening piece set in his popular Gunslinger universe to Robert Jordan's early look at his famed Wheel of Time saga, these stories are exceptionally well written and universally

well told. The authors include King, Jordan, and Silverberg himself, as well as Terry and Lyn Pratchett, Terry Goodkind, Orson Scott Card, Ursula K. Le Guin, Tad Williams, George R.R. Martin, Anne McCaffrey, and Raymond E. Feist. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Dreamsongs HarperCollins UK Contains an all

new exclusive short story by George R. R. Martin! An adaptation of Martin's hit novel, bringing the world of A Song of Ice and Fire to life in comic book form. Night falls over the life of one noble knight and brings the dawn of his squire's knighthood. Dubbing himself "Ser Duncan the Tall," "The Hedge Knight" sets forth to the tourney at Ashford Meadow in search of fame and glory and the

honor of upholding his oath as a knight of the Seven Kingdoms. Unfortunately for him, the world isn't ready for a knight who keeps his oaths, and his chivalrous methods could be the very cause of his demise. *Inside HBO's Game of Thrones* Bantam The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author

of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold

and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she

touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a

collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
