The Little Prince Puts on His Tie Ediciones Urano

La brújula interior es un libro original, sorprendente y por encima de todo distinto: un nuevo paradigma para entendernos a nosotros mismos y a los demás. A través de una serie de cartas divertidas, apasionantes y lúcidas, se abre a los ojos del lector una nueva perspectiva para entender la vida, para desarrollar la creatividad, para comprender mejor lo que significa una

existencia autónoma y feliz. Los términos "misión," "meta," "objetivos," "posicionamiento" forman parte del trabajo habitual de un ejecutivo o directivo. Pero curiosamente estas palabras rara vez son utilizadas para la definición de una misión en la propia vida, de un posicionamiento personal o de unos objetivos que lleven a la propia realización. La brújula interior nos invita a reflexionar sobre estos temas, y nos brinda las herramientas para hacerlo, y lo que es más importante, nos ofrece un método para que recobremos algo que nunca debimos haber perdido: ser los directores de nuestra propia vida.

The Compass is a life transformation novel that will guide you on a journey of self-discovery. At the core of The Compass are specific lessons about belief systems and understanding who you really are in order to live out your destiny. Jonathan, the main character, escapes his suburban life after a tragedy that alters his plans for the future. Paralyzed by grief, he decides to journey across the globe in an effort to realign his inner compass. He sets off with just a backpack, leaving behind his career, friends, family, and home. His travels begin in the dessert of Nevada,

continue on to the pristine mountains of the Adirondacks, and then to a medieval village in Romania. At each destination, Jonathan encounters a pivotal person who offers a major life lesson, and he begins to realize that each individual was placed on his path for a reason. The Compass is a metaphor for the journey of our lives. In the tradition of the *The Alchemist*, The Compass provides readers with specific life lessons about authenticity, self-empowerment, and belief in their dreams. As humans we are all connected—by love, pain, and sometimes even by tragedies or events we cannot control. Each one of us travels a unique path, yet we are linked by experiences and emotions. In this connectedness, there is life.

Welcome to Management: How to Grow From Top Performer to Excellent Leader Aguilar

A feel-good novel for fans of *A Man Called Ove* and *The Rosie Project*, about an eccentric, language-loving bachelor and the cat that opens his eyes to life's little pleasures *The Silver Linings*

Playbook author Matthew Quick: "A delightfully absurd, life-affirming celebration. I literally stood up and cheered as I read the last page." When Samuel, a lonely linguistics lecturer, wakes up on New Year's Day, he is convinced that the year ahead will bring nothing more than passive verbs and un-italicized moments—until an unexpected visitor slips into his Barcelona apartment and refuses to leave. The appearance of Mishima, a stray, brindle-furred cat, becomes the catalyst that leads Samuel from the comforts of his favorite books, foreign films, and classical music to places he's never been (next door) and to people he might never have met (a neighbor with whom he's never exchanged a word). Even better, the Catalan cat leads him back to the mysterious Gabriela, whom he thought he'd lost long before, and shows him, in this international bestseller for fans of *The Rosie Project*, *The Solitude of Prime Numbers*, and *A Man Called Ove*, that sometimes love is hiding in the smallest characters.
