FREE Soprano Recorder Fingering Chart For Beginners With ...

Easy Fun Soprano Recorder Book1. The recorder is a simple instrument to play and hence is suitable for a wide range of people to learn, including young children. It is taught widely in primary schools as part of their music program. The most popular recorders to learn are the descant or soprano recorder, which is around 12.2 inches long and the longer tenor recorder. Free easy soprano recorder sheet music Handing someone a full fingering chart for a soprano recorder and telling them to have fun is only so helpful. Without an accompanying explanation or skill, it won't do much for the player. After seeing all the other charts out there, I realized they didn't help the beginner.
