### SLADE STOUT

Notes on an Execution City Lights Books

Bukowski in Pictures is the first pictorial biography of Bukowski, telling the story of his life with approximately two hundred photographs, both colour and black and white, most of which are published here for the first time. Friends of Bukowski, members of his family, and former lovers have contributed candid photographs. There are powerful new portraits by leading photographers such as Gottfried Helnwein, former Rolling Stone art director Tony Lane, and Andy Warhol's former assistant, Gerard Malanga. Artists Dave Geiser and R. Crumb have provided illustrations. Extracts from personal letters and rare documents, including Bukowski's recently declassified FBI file, offer new insights that delve behind the public personae. Biographer Howard Sounes - author of Charles Bukowski: Locked in the Arms of a Crazy Life - has edited and introduced Bukowski in Pictures, weaving new research and quotations from Bukowski's work into introductory essays and extensive photo captions.

**Waste** HarperCollins

"It began as a mistake." By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. In a world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.

*Factotum* HarperCollins

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

### A NOVEL

City Lights Books

This book explores influential designers' sketchbooks as a truer reflection of a designer's thought processes, preoccupations, and problem-solving strategies than can be had by simply viewing finished projects. Highly personal and idiosyncratic, sketchbooks offer an arena for unstructured exploration, a space free from all budgetary and client constraints. Visually arresting objects in their own right, this book aims to elevate sketches from mere ephemera to important documents where the reader can glean valuable insight into the creative process, and apply it to their own

practices. Featured designers include Ralph Caplan, Nigel Holmes, Chris Bigg, Eva Jiricna, Jason Munn, Gary Baseman, Marian Bantjes, and many others.

**Hank** Harper Collins

Unmasks the tough, street-smart persona of Charles Bukowski—America's "Ultimate Outsider" Amazing letters filled with passionate, literary, and personal observation Insights into the author of Tales of Ordinary Madness, Notes of a Dirty Old Man, and Run with the Hunted Insights into Sheri Martinelli: the protege of Anais Nin, an accomplished painter, and the mistress of Ezra Pound Charels Bukowski's persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man.

*Skinny Dynamite* Vintage

South of No North is a collection of short stories written by Charles Bukowski that explore loneliness and struggles on the fringes of society.

The Uncollected Columns City Lights Books

Traces the life of the controversial American poet, describes his experiences wandering across the country, and discusses his major writings

### NOTES ON A DIRTY OLD MAN. CHARLES BUKOWSKI VON A BIS Z.

Harper Collins

"Genius could be the ability to say a profound thing in a simple way, or even to say a simple thing in a simpler way."—Charles Bukowski In *The Mathematics of the Breath and the Way*, Charles Bukowski considers the art of writing, and the art of living as a writer. Bringing together a variety of previously uncollected stories, columns, reviews, introductions, and interviews, this book finds him approaching the dynamics of his chosen profession with cynical aplomb, deflating pretensions and tearing down idols armed with only a typewriter and a bottle of beer. Beginning with the title piece—a serious manifesto disguised as off-handed remarks en route to the racetrack—*The Mathematics of the Breath and the Way* runs through numerous tales following the author's adventures at poetry readings, parties, film sets, and bars, and also features an unprecedented gathering of Bukowski's singular literary criticism. From classic authors like Hemingway to underground legends like d.a. levy to his own stable of obscure favorites, Bukowski uses each occasion to expound on the larger issues around literary production. The book closes with a handful of interviews in which he discusses his writing practices and his influences, making this a perfect guide to the man behind the myth and the disciplined artist behind the boozing brawler. Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski (1920-1994) is the author of over forty-five books of poetry and prose. David Stephen Calonne has written several books and edited four previous volumes of uncollected Bukowski for City Lights.

*One Woman’s Fight Against America’s Dirty Secret* Random House Incorporated

The definitive collection of works on a subject that inspired and haunted Charles Bukowski for his entire life: alcohol Charles Bukowski turns to the bottle in this revelatory collection of poetry and prose that includes some of the writer’s best and most lasting work. A self-proclaimed “dirty old man,” Bukowski used alcohol as muse and as fuel, a conflicted relationship responsible for some of his darkest moments as well as some of his most joyful and inspired. In *On Drinking*, Bukowski expert Abel Debritto has collected the writer’s most profound, funny, and memorable work on his ups and downs with the hard stuff—a topic that allowed Bukowski to explore some of life’s most pressing questions. Through drink, Bukowski is able to be alone, to be with people, to be a poet, a lover, and a friend—though often at great cost. As Bukowski writes in a poem simply titled “Drinking,”: “for me/it was or/is/a manner of/dying/with boots on/and gun/smoking and a/symphony music background.” *On Drinking* is a powerful testament to the pleasures and miseries of a life in drink, and a window into the soul of one of our most beloved and enduring writers.

**A Novel** Dorrance Publishing

Everyone’s favorite Dirty Old Man returns with a new volume of uncollected work. Charles Bukowski (1920–1994), one of the most outrageous figures of twentieth-century American literature, was so prolific that many significant pieces never found their way into his books. *Absence of the Hero* contains much of his earliest fiction, unseen in decades, as well as a number of previously unpublished stories and essays. The classic Bukowskian obsessions are here: sex, booze, and gambling, along with trenchant analysis of what he calls “Playing and Being the Pet.” Among the book’s highlights are tales of his infamous public readings (“The Big Dope Reading,” “I Just Write Poetry So I Can Go to Bed with Girls”); a review of his own first book; hilarious installments of his newspaper column, *Notes of a Dirty Old Man*, including meditations on neo-Nazis and driving in Los Angeles; and an uncharacteristic tale of getting lost in the Utah woods (“Bukowski Takes a Trip”). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own “Manifesto” to his account of poetry in Los Angeles (“A Foreword to These Poets”) to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. “He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It’s a full house--read ‘em and weep.”—Tom Waits “This second volume of Bukowski’s uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming rambblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados.”—Brian Evenson, author of *Last Days* and *The Open Curtain* “Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius.”—Paul Maher Jr., Phawker “[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing.”—Gerald Locklin, *Resources for American Literary Study* “The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*.”—Penthouse “An absolute must for fans of Charles Bukowski’s work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves.”—Midwest Book Review

**Sketchbook** Open Road + Grove/Atlantic

Having read and dreamed too many fairy tales, the grocer sets off to live one, but finds the world not at all conducive to his fantasies.

**Loving & Hating Charles Bukowski** Critical Lives

Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit *Full House*, and as the charming wisecracking host of *America’s Funniest Home Videos*. And then there are the legions of fans who can’t get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO’s *Entourage* and the hit documentary *The Aristocrats*. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there’s a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.

**Ham On Rye** Harper Collins

A raw and tenderly funny look at the human-cat relationship, from one of our most treasured and transgressive writers. “The cat is the beautiful devil.” Felines touched a vulnerable spot in Charles Bukowski’s crusty soul. For the writer, there was something majestic and elemental about these inscrutable creatures he admired, sentient beings whose searing gaze could penetrate deep into our being. Bukowski considered cats to be unique forces of nature, elusive emissaries of beauty and love. *On Cats* offers Bukowski’s musings on these beloved animals and their toughness and resiliency. He honors them as fighters, hunters, survivors who command awe and respect as they grip tightly onto the world around them: “A cat is only ITSELF, representative of the strong forces of life that won’t let go.” Funny, moving, tough, and caring, *On Cats* brings together the acclaimed writer’s reflections on these animals he so admired. Bukowski’s cats are fierce and demanding—he captures them stalking their prey; crawling across his typewritten pages; waking him up with claws across the face. But they are also affectionate and giving, sources of inspiration and gentle, insistent

care. Poignant yet free of treacle, *On Cats* is an illuminating portrait of this one-of-a-kind artist and his unique view of the world, witnessed through his relationship with the animals he considered his most profound teachers.

**THE AGE OF AMERICAN UNREASON**

City Lights Publishers

Essential uncollected work from one of the most infamous and provocative contemporary American writers.

**Post Office** Penguin

This collection of previously unpublished poems offers the author’s take on squabbling neighbours, off-kilter lovers, would-be hangers-on, and the loneliness of a man afflicted with acute powers of observation. The tone is gritty and amusing, spiralling out towards a cock-eyed wisdom.

**The Life of Charles Bukowski** Yale University Press

In Victorian London, filth was everywhere: horse traffic filled the streets with dung, household rubbish went uncollected, cesspools brimmed with “night soil,” graveyards teemed with rotting corpses, the air itself was choked with smoke. In this intimately visceral book, Lee Jackson guides us through the underbelly of the Victorian metropolis, introducing us to the men and women who struggled to stem a rising tide of pollution and dirt, and the forces that opposed them. Through thematic chapters, Jackson describes how Victorian reformers met with both triumph and disaster. Full of individual stories and overlooked details—from the dustmen who grew rich from recycling, to the peculiar history of the public toilet—this riveting book gives us a fresh insight into the minutiae of daily life and the wider challenges posed by the unprecedented growth of the Victorian capital.

**Uncollected Stories and Essays, 1944-1990** City Lights Books

A compilation of Charles Bukowski’s underground articles from his column “Notes of a Dirty Old Man” appears here in book form. Bukowski’s reasoning for self-describing himself as a ‘dirty old man’ rings true in this book. “People come to my door—too many of them really—and knock to tell me *Notes of a Dirty Old Man* turns them on. A bum off the road brings in a gypsy and his wife and we talk . . . drink half the night. A long distance operator from Newburgh, N.Y. sends me money. She wants me to give up drinking beer and to eat well. I hear from a madman who calls himself ‘King Arthur’ and lives on Vine Street in Hollywood and wants to help me write my column. A doctor comes to my door: ‘I read your column and think I can help you. I used to be a psychiatrist.’ I send him away . . .” Bukowski writes like a latter-day Celine, a wise fool talking straight from the gut about the futility and beauty of life . . .” —Publishers Weekly “These disjointed stories gives us a glimpse into the brilliant and highly disturbed mind of a man who will drink anything, hump anything and say anything without the slightest tinge of embarrassment, shame or remorse. It’s actually pretty hard not to like the guy after reading a few of these semi-ranting short stories.” —Greg Davidson, curriculummag.com Charles Bukowski was born in Andernach, Germany on August 16, 1920, the only child of an American soldier and a German mother. Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he went on to publish more than forty-five books of poetry and prose, including *Pulp* (Black Sparrow, 1994), *Screams from the Balcony: Selected Letters 1960-1970* (1993), and *The Last Night of the Earth Poems* (1992). Other Bukowski books published by City Lights Publishers include *More Notes of a Dirty Old Man*, *The Most Beautiful Woman in Town*, *Tales of Ordinary Madness*, *Portions from a Wine-Stained Notebook*, and *Absence of the Hero*. He died of leukemia in San Pedro on March 9, 1994.

**Dirty Daddy** Canongate Books Limited

It began as a whim an impulsive meeting between the iconic Charles Bukowski and his famed muse, Pamela Cupcakes Wood that would lead to a two-year relationship that Wood chronicles in this straightforward memoir. Her story is refreshingly blunt as she details their often ridiculous, yet charming relationship. This is a Bukowski enthusiasts dream—a total immersion into his life with the independent and spirited Scarlet, the woman he wrote about in the book of the same name, plus many poems. She appears as Tammie in Bukowski’s book *Women*. Who is Scarlet? What was the powerful chemistry between Bukowski and the woman whose identity intrigued so many? Written with engaging wit, this is an insightful, honest recollection of their life together: loving, humorous, complicated and, at times, outrageous. We see Buk as a gifted, flawed man and glimpse his simmering violence when under the influence of alcohol, yet we appreciate him for his deeply sensitive and compassionate underlying nature.

**Notes of a Dirty Old Man** City Lights Publishers

A cultural history of the last forty years, *The Age of American Unreason* focuses on the convergence of social forces—usually treated as separate entities—that has created a perfect storm of anti-rationalism. These include the upsurge of religious fundamentalism, with more political power today than ever before; the failure of public education to create an informed citizenry; and the triumph of video over print culture. Sparing neither the right nor the left, Jacoby asserts that Americans today have embraced a universe of “junk thought” that makes almost no effort to separate fact from opinion.

**The Mathematics of the Breath and the Way** The New Press

“A lively portrait of American literature’s ‘Dirty Old Man’.” —Library Journal A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including *Post Office*, *Factotum*, and *Women*—and made him a literary celebrity, with a major Hollywood film (*Barfly*) based on his life. Drawing on new interviews with virtually all of Bukowski’s friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. “Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn’t the whole story.” —Los Angeles Times “Engaging . . . Adroit . . . revealing.” —The New York Times Book Review “A must-read for anybody who is a fan of Bukowski’s writing.” —The Globe and Mail (Toronto)
