The Ever After; Among the Stars; Warrior Princess Workman Publishing

The first novel in the wildly popular #1 New York Times bestselling Sisterhood of the Traveling Pants series, from the author of *The Whole Thing Together* and *The Here and Now*. Some friends just fit together. Once there was a pair of pants. Just an ordinary pair of jeans. But these pants, the Traveling Pants, went on to do great things. This is the story of the four friends—Lena, Tibby, Bridget, and Carmen—who made it possible. Pants = love. Love your pals. Love yourself. "Funny, perceptive, and moving." --USA Today "An outstanding and vivid book that will stay with readers for a long time." —Publishers Weekly, Starred, Flying Start "The loving depiction of enduring and solid friendship will ring true to readers." —The Bulletin, Recommended "A feel-good novel of substance." —Kirkus Reviews, Starred "Uplifting." —Seventeen

Journey to the Ever After with the fantastical and otherworldly May Bird trilogy from New York Times bestselling author Jodi Lynn Anderson, now available in a collectible boxed set! When May Bird and her faithful companion, Somber Kitty, encounter the ghostly world of the Ever After, their (after)lives will change forever. This collectible boxed set includes paperback editions of: *The Ever After: Shy*, precocious May Bird wants nothing more than to be accepted. One day she falls through a lake into the Ever After, a world of ghosts. As she journeys through fantastic lands, she gathers an unusual group of new friends who join together to overcome the chillingly evil Bo Cleevil and find their way home. *Among the Stars*: May Bird continues her adventure through the Ever After in pursuit of home. Along the way, she and her friends encounter all sorts of places and ghosts, from the terrifying to the hilarious. Finally May learns that the only way home is through the evil Bogey's personal portal, which he uses to scare kids in their nightmares. *Warrior Princess*: Now thirteen and home in Briery Swamp, May is still haunted by thoughts of the friends she left behind in the Ever After. Then one night May travels back to the Ever After—only to learn that the evil Bo Cleevil is close to making his reign supreme. At last, May is ready to live up to the prophecy that placed the fate of the Ever After in her hands, and battle Bo Cleevil himself to save not only this world but her own as well.

When Willow is born with severe osteogenesis imperfecta, her parents are devastated—she will suffer hundreds of broken bones as she grows, a lifetime of pain. In this provocative story from the

#1 New York Times bestselling author, "Picoult writes with unassuming brilliance" (Stephen King). Every expectant parent insists the same thing: they simply want a healthy baby. Charlotte and Sean O'Keefe wanted the same but instead, their lives are made up of sleepless nights, mounting bills, pity from other parents, and haunting what-ifs. Yet, in other ways, their daughter Willow is a perfect child. Smart as a whip, beautiful, brave, and kind, Willow is Willow, in sickness and in health. Everything changes, though, after a series of events forces Charlotte and Sean to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow's illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more: what constitutes a valuable life? "Well-written and conscientiously researched" (The Washington Post), *Handle with Care* is an unforgettable and emotionally riveting novel that explores the fragility of life and the lengths we go to protect it.

AMONG THE STARS

For too long, Kitsy has had to satisfy her dreams of becoming a real artist by giving her friends makeovers before prom. So when her best friend Corrinne's family offers to sponsor her for a summer art course in New York City, Kitsy bids a temporary good-bye to Texas to say hello to the West Village. Between navigating the subway and the New Yorkers—namely, the Art Boy who has a nice trick of getting under her skin—Kitsy knows that this summer is going to be about a lot more than figure drawing.

The Guide to Growing and Harvesting Flavorful Teas in Your Backyard Harper Collins

On a dark night in 1775, Lizzie Boylston is awakened by the sound of cannons. From a hill south of Boston, she watches as fires burn in Charlestown, in a battle that she soon discovers has claimed her husband's life. Alone in a new town, Lizzie grieves privately but takes comfort in her deepening friendship with Abigail Adams. Soon, word spreads of Lizzie's extraordinary midwifery and healing skills, and she begins to channel her grief into caring for those who need her. But when two traveling patriots are poisoned, Lizzie finds herself with far more complicated matters on her hands—she suspects a political plot intended to harm Abigail and her family. Determined to uncover the truth, Lizzie becomes entangled in a conspiracy that could not only destroy her livelihood—and her chance at finding love again—but also lead to the downfall of a new nation.

Cammy Hall is what anyone would describe as a loser. She lives with her grandparents and has adopted their way of life... right down to the comfortable shoes and early bedtime. And can she help it that she actually likes to knit? At school, her skills with knitting needles and some yarn go completely unappreciated: people like Bekka Bell reign while Cammy and her best friend, the fearless Danish exchange student Gerdi, watch from the sidelines. Cammy's used to being an outsider; after years of humiliating moments, her goal is simply to fly under the radar. Then she suddenly starts receiving mysterious text messages that lead her right to all the embarrassing secrets about the most popular kids in school. Cammy never expected to be able to climb up the high school food chain, and the agenda of the texter may be questionable—but how can she

possibly give up the chance to be Queen? This is the print version of the groundbreaking online interactive serial LOSER/QUEEN that premiered in July 2010 on www.loserqueen.com. Each week, readers voted on major plot twists. The winning choice was then incorporated into the next week's chapters. Now that voting—and the book—are complete, LOSER/QUEEN will be published as a paperback and packed with extras from the author... and readers will have the opportunity to own the book they helped create! Jodi Lynn Anderson, the national bestselling author of *Peaches* and *The Secrets of Peaches*, has lived in Georgia, Costa Rica, and New York, but she currently lives in Washington, D.C. Brittney Lee is a designer and animator. She lives in Emeryville, CA.

Handle with Care Simon and Schuster

Three Georgia peaches are in for one juicy summer but Birdie would rather eat Thin Mints and sulk in the A/C. Leeda would prefer to sneak off with her boyfriend, Rex. And Murphy would much rather cause a little mischief. Together these three very different girls will discover the secret to finding the right boy, making the truest of friends, and picking the perfect Georgia peach.

Mix together a used food truck, a road trip that doesn't exactly go as planned, and a lot of pie, and you have the recipe for this sweet middle grade series starter brimming with humor, heart, and a family you'll fall in love with. Perfect for readers who gobbled down *The Penderwicks* and *The Vanderbeeks of 141st Street*. Sweet summer has taken a rotten turn . . . After a tough year, Lucy, Freddy, and Herb Peach are ready for vacation. Lucy wants to read all of the books on the summer reading list. Freddy wants to work on his art projects (when he isn't stuck in summer school). Herb wants to swim every day. Then their dad makes a big announcement: one of the inventions their mom came up with before she passed away has sold, and now they're millionaires! But Dad has bigger plans than blowing the cash on fun stuff or investing it. He's bought a used food truck. The Peaches are going to spend the summer traveling the country selling pies. It will be the Great Peach Experiment—a summer of bonding while living out one of Mom's dreams. Summer plans, sunk. And there's one more issue Dad's neglected: none of them knows how to bake. . . . A perfect blend of humor, heart, and family antics, *When Life Gives You Lemons, Make Peach Pie* is a delectable treat to be gobbled down or savored slowly. (Slice of pie on the side, optional, but highly recommended.)

Love and Peaches

Lonely and shy, ten-year-old May Ellen Bird has no idea what awaits her when she falls into the lake and enters the Ever After, home of ghosts and the Bogeyman.

BOOK ONE

Harper Collins

Most people aren't very comfortable in the woods, but the woods of Briery Swamp fit May Bird like a fuzzy mitten. There, she is safe from school and the taunts and teases of kids who don't understand her. Hidden in the trees, May is a warrior princess, and her cat, Somber Kitty, is her brave guardian. Then May falls into the lake. When she crawls out, May finds herself in a world that most certainly does not feel like a fuzzy mitten. In fact it is a place few living people have ever seen. Here, towns

glow blue beneath zipping stars and the people -- people? -- walk through walls. Here the Book of the Dead holds the answers to everything in the universe. And here, if May is discovered, the horrifyingly evil Bo Cleevil will turn her into nothing. May Bird must get out. Fast. Within these pages, Jodi Lynn Anderson shares with us the beginning of May Bird's daring journey into the Ever After, a haunting place where true friends -- and one terrible foe -- await her on every corner.

ABIDE WITH ME

Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—*The Washington Post* The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—*People* “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—*Us Weekly*

A Novel Harper Collins

Told in diary form by an irresistible heroine, this “heartfelt, bittersweet, and ever-so-clever coming-of-age fantasy” (*School Library Journal*, starred review) named one of *Publishers Weekly*’s Best Books of the Year from the New York Times bestselling author of the *May Bird* trilogy sparkles with science, myth, magic, and the strange beauty of the everyday marvels we sometimes forget to notice. Spirited, restless Gracie Lockwood has lived in Cliffden, Maine, her whole life. She’s a typical girl in an atypical world: one where sasquatches helped to win the Civil War, where dragons glide over Route 1 on their way south for the winter (sometimes burning down a T.J. Maxx or an Applebee’s along the way), where giants hide in caves near LA and mermaids hunt along the

beaches, and where Dark Clouds come for people when they die. To Gracie it's all pretty ho-hum...until a Cloud comes looking for her little brother Sam, turning her small-town life upside down. Determined to protect Sam against all odds, her parents pack the family into a used Winnebago and set out on an epic search for a safe place that most people say doesn't exist: The Extraordinary World. It's rumored to lie at the ends of the earth, and no one has ever made it there and lived to tell the tale. To reach it, the Lockwoods will have to learn to believe in each other—and to trust that the world holds more possibilities than they've ever imagined.

NEW YORK TIMES EDITORS' CHOICE • A collection of raucous stories that offer a "vibrant and true mosaic" (The New York Times) of New Orleans, from the critically acclaimed author of *We Cast a Shadow* SHORTLISTED FOR THE ERNEST J. GAINES AWARD • "Every sentence is both something that makes you want to laugh in a gut-wrenching way and threatens to break your heart in a way that you did not anticipate."—Robert Jones, Jr., author of *The Prophets*, in *The Wall Street Journal* Maurice Carlos Ruffin has an uncanny ability to reveal the hidden corners of a place we thought we knew. These perspectival, character-driven stories center on the margins and are deeply rooted in New Orleanian culture. In "Beg Borrow Steal," a boy relishes time spent helping his father find work after coming home from prison; in "Ghetto University," a couple struggling financially turns to crime after hitting rock bottom; in "Before I Let Go," a woman who's been in NOLA for generations fights to keep her home; in "Fast Hands, Fast Feet," an army vet and a runaway teen find companionship while sleeping under a bridge; in "Mercury Forges," a flash fiction piece among several in the collection, a group of men hurriedly make their way to an elderly gentleman's home, trying to reach him before the water from Hurricane Katrina does; and in the title story, a young man works the street corners of the French Quarter, trying to achieve a freedom not meant for him. These stories are intimate invitations to hear, witness, and imagine lives at once regional but largely universal, and undeniably New Orleanian, written by a lifelong resident of New Orleans and one of our finest new writers.

Stories Forever

From New York Times bestselling author Jodi Lynn Anderson comes a haunting and lovely small-town romance, perfect for fans of Gayle Forman, Lauren Myracle, and Laurie Halse Anderson. When Maggie's parents move them from bustling Chicago to small, rundown Door County, Wisconsin, she thinks she'll spend a year reading classics and killing time until college. That plan changes as soon as she meets Pauline and Liam. Soon the three are inseparable, stretching out the love between two childhood best friends to fit over all of them and all their grand dreams. But what starts as an uneventful year suddenly changes. Someone is killing teenage girls, and the town reels from each

new tragedy. And as the dynamics between Maggie, Pauline, and Liam shift and collide in irreversible ways, they all will experience love and loss hand-in-hand—but only two of them will survive the winter.
