The Good Book Company

The Empath. The word has found its way into our consciousness accompanied by ideas of healing, sharing emotion and pain. Empaths are sensitive, caring, responsive people who have at the core of their nature an innate ability to receive energy, information and awareness from others with a depth and intensity that is beyond our customary understanding of empathy. Yet, this very receptivity and permeability brings its own challenges. It is vital for empaths to recognize themselves as such and to consciously explore, understand and address this energetic flow in their life. Self-inquiry is the essential tool to understanding all that motivates and colors your experience of the world. The book explores in depth this receptivity, as well as tools, concepts and approaches to support understanding and how to flourish with this heightened sensitivity. This book is a shared journey, edited from years of workshops and sessions with Elisabeth Fitzhugh and the Orion group.

*365 Days of Intentional Living* John Murray

Life Is So Daily! A 365 Day Walk With The Word By Pastor Cecil A. Thompson In the 1970's I was on the ministerial staff of a large church. At one of our weekly staff meetings, the Senior Pastor announced that he wanted to start daily devotionals. Each staff member was to write seven devotionals which would be printed and distributed to the congregation each Sunday. Unfortunately, the project only lasted a short while because staff members complained that it was impossible to produce material for seven days. Thirty years later, September 15, 2000, I was pastoring a small congregation and requested the members email addresses. The number of responses surprised me so I sent them a short devotional message. Once again the response surprised me. They wanted me to send more! As I prayed about the commitment it would require on my part, the Lord prompted me to use this method to share His Word through my life experiences. The Daily E Votional was born. At the outset I sent out a new message seven days a week. Some of my spiritual counselors advised me to reduce it to five days a week or I would not have the energy to sustain it. I listened and limited the E Votionals to five days a week. The other change I made was to shorten the messages. Can I let you in on a little secret? It is much easier to write much than to write little. I eventually tried to cut back to a single page and encapsulate the message within four paragraphs. I also discovered that people like stories, which reminded me that Jesus used stories as the basis for much of His teaching. He painted word pictures that allowed the people to visualize His message. I have had a very unique work history all the way from driving a milk delivery truck, to jet aircraft mechanic, to police officer, to juvenile probation officer, to Air Force Personnel Officer, to Missile Launch Officer, to Nuclear Safety Officer, to Criminal Justice Planner and, through almost all of it, a preacher and teacher of God's Word. This book provides a full year of selected Daily E Votionals to assist you in making each day more meaningful in serving the Lord. My desire for each of us is that we will allow every situation in our life an opportunity to serve the Lord. May God bless you, Dear Hearts! Pastor Cecil

How to Build Self-Discipline and Become More Successful (365 Powerful Thoughts From the World's Brightest Minds) Its lack makes you unable to achieve your goals. Without it, you'll struggle to lose weight, become fit, wake up early, work productively and save money. Not embracing it in your everyday life means that you'll never realize your full potential. Ignoring it inevitably leads to regret and feeling sad about how more successful and incredible your life could have been if you had only decided to develop it. What is this powerful thing? Self-discipline. And if there's one thing that self-discipline is not, it's instant. It takes months (if not years) to develop powerful self-control that will protect you from impulsive decisions, laziness, procrastination, and inaction. You need to exhibit self-discipline day in, day out, 365 days in a year. What if you had a companion who would remind you daily to stay disciplined and persevere, even when the going gets tough? 365 Days With Self-Discipline is a practical, accessible guidebook for embracing more self-discipline in your everyday life. Here are just some of the things you'll learn: - why living your life the hard way makes it easy (and other suggestions from a successful entrepreneur and longevity scientist); - how to overcome your initial resistance and procrastination based on the remark made by one of the most

renowned Renaissance men; - why, according to an influential neurosurgeon, it's key to see problems as hurdles instead of obstacles (and how to do that); - how to embrace an experimental mindset to overcome a fear of failure (a technique recommended by a successful entrepreneur and musician); - how to quit in a smart way, according to a world-famous marketing expert; - how to improve your productivity at work by implementing the advice from one of the most successful detective fiction writers; - how a trick used by screenwriters can help you figure out the first step needed to get closer to your goals; - how to maintain self-discipline in the long-term by paying attention to what a bestselling non-fiction author calls necessary to survive and thrive; - how your most common thoughts can sabotage your efforts (and other valuable insights from one of the most respected Roman Stoics); and - how to overcome temporary discouragement and look at your problems from the proper perspective, as suggested by a well-known public speaker and author.
