A Novel Penguin UK
A Penguin Classics Deluxe Edition of the timeless story of Marianne and Elinor Dashwood Marianne Dashwood wears her heart on her sleeve, and when she falls in love with the dashing but unsuitable John Willoughby she ignores her sister Elinor's warning that her impulsive behaviour leaves her open to gossip and innuendo. Meanwhile Elinor, always sensitive to social convention, is struggling to conceal her own romantic disappointment, even from those closest to her. Through their parallel experience of love - and its threatened loss - the sisters learn that sense must mix with sensibility if they are to find personal happiness in a society where status and money govern the rules of love. This edition includes an introduction, original essays, and suggestions for further exploration by Devoney Looser. For more than seventy years,

Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
And Other Youthful Writings Penguin
"From the Pulitzer Prize-winning author of *A Thousand Acres* and the *New York Times* best-selling *Last Hundred Years Trilogy*, a captivating, brilliantly imaginative story of three extraordinary animals--and a young boy--whose lives intersect in Paris Paras is a spirited racehorse at a racetrack west of Paris. At dusk, one afternoon she pushes open the door of her stall--she's a curious filly--and, after traveling through

the night, arrives by chance in the City of Light. She's dazzled, and often mystified, by the sights, sounds and smells around her, but she isn't afraid. Soon she meets an elegant dog, a German shorthair pointer named Frida, who knows how to get by without attracting the attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the bakery and the butchershop. They keep company with two irrepressible ducks, and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the secluded, ivy-walled house where the boy and his nearly-one-hundred-year-old great grandmother live, quietly and unto themselves. As the cold weather and Christmas near, the unlikeliest of friendships bloom among humans and animals alike. But how long can a runaway horse live undiscovered in Paris? And how long can a boy keep her hidden, and

all his own? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity and ingenuity, and expresses the desire of all creatures for true friendship, love, and freedom"--

Stories from the Trailblazers of Domestic Suspense

Fordham University Press
With its imperfect but charming heroine and its witty and subtle exploration of relationships, "Emma" is often seen as Jane Austen's most flawless work, this Penguin Threads edition includes cover art by Jillian Tamaki and deluxe french flaps. Commissioned by award-winning Penguin art director Paul Buckley, the Penguin Threads series debuts with cover art by Jillian Tamaki for three gift-worthy Penguin Classics. Sketched out in a traditional illustrative manner, then hand stitched using needle and thread, the final covers are sculpt embossed for a tactile, textured, and beautiful book design that will appeal to the Etsy(tm)-loving world of handmade crafts. The Penguin Classics Deluxe series has been celebrated for its unique packaging and innovative design. The books of the

Penguin Threads series will make truly special gifts and will be welcome additions to any craft or literature lover's collection.

The Importance of Being Alice Becoming Jane EyreA Novel

This book traces out the life and career of Jane Goodall as a watcher of English fauna to her adult work as scholar of animal behavior in Africa.

HORSE HEAVEN

Penguin UK

The tale is about a penguin which wanted to travel to Europe from the Antarctic pole. She wanted to tell us a message of perseverance, and she had made us understand that you can make your dream come true if you really want to. Find out in this book how to attract what you want in life.

Becoming Jane EyreA NovelPenguin

The Missing Pieces of Sophie McCarthy Grand Central Publishing

This collection explores how the body became a touchstone for late antique religious practice and imagination. When we read the stories and testimonies of late ancient Christians, what different types of bodies stand

before us? How do we understand the range of bodily experiences—solitary and social, private and public—that clothed ancient Christians? How can bodily experience help us explore matters of gender, religious identity, class, and ethnicity? The *Garb of Being* investigates these questions through stories from the Eastern Christian world of antiquity: monks and martyrs, families and congregations, and textual bodies.

Contributors include S. Abrams Rebillard, T. Arentzen, S. P. Brock, R. S. Falcasantos, C. M. Furey, S. H. Griffith, R. Krawiec, B. McNary-Zak, J.-N. Mellon Saint-Laurent, C. T. Schroeder, A. P. Urbano, F. M. Young

ENHANCED EDITION

Ballantine Books
Fourteen chilling tales from the pioneering women who created the domestic suspense genre
Murderous wives, deranged husbands, deceitful children, and vengeful friends. Few know these characters—and their creators—better than Sarah Weinman. One of today's preeminent authorities on crime fiction, Weinman asks:

Where would bestselling authors like Gillian Flynn, Sue Grafton, or Tana French be without the women writers who came before them? In *Troubled Daughters, Twisted Wives*, Weinman brings together fourteen hair-raising tales by women who—from the 1940s through the mid-1970s—took a scalpel to contemporary society and sliced away to reveal its dark essence. Lovers of crime fiction from any era will welcome this deliciously dark tribute to a largely forgotten generation of women writers.

Prime Time Penguin
Book one of the New York Times-bestselling *All Souls* trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and *Twilight*" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and

enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

JANE GOODALL'S LIFE WITH THE CHIMPS

Penguin
Recounts the rescue of penguins during the 2000 Cape Town oil spill, documenting the efforts of 12,500 international volunteers to clean, nurse, and re-release nearly all of the endangered birds.

A NOVEL

Penguin Books
INSPIRED BY ACTUAL EVENTS Fifteen-year-old Jane Austen dreams of three things: doing something useful, writing something worthy, and falling madly in love. When she visits her brother in Kent to

celebrate his engagement, she meets wealthy, devilishly handsome Edward Taylor—a fascinating young man who is truly worthy of her affections. Jane knows a match between her and Edward is unlikely, but every moment she spends with him makes her heart race—and he seems to return her interest. Much to her displeasure, however, there is another seeking his attention. Unsure of her budding relationship, Jane seeks distraction by attempting to correct the pairings of three other prospective couples. But when her matchmaking aspirations do not all turn out as anticipated, Jane discovers the danger of relying on first impressions. The human heart cannot be easily deciphered, nor can it be directed or managed. And if others must be left to their own devices in matters of love and matrimony, can Jane even hope to satisfy her own heart?

Catch Them Being Good Ballantine Reader's Circle
A beautifully imagined tale of the Brontë sisters and the writing of *Jane Eyre*. Sheila Kohler's memoir *Once We Were*

Sisters is now available. The year is 1846. In a cold parsonage on the gloomy Yorkshire moors, a family seems cursed with disaster. A mother and two children dead. A father sick, without fortune, and hardened by the loss of his two most beloved family members. A son destroyed by alcohol and opiates. And three strong, intelligent young women, reduced to poverty and spinsterhood, with nothing to save them from their fate. Nothing, that is, except their remarkable literary talent. So unfolds the story of the Brontë sisters. At its center are Charlotte and the writing of *Jane Eyre*. Delicately unraveling the connections between one of fiction's most indelible heroines and the remarkable woman who created her, Sheila Kohler's *Becoming Jane Eyre* will appeal to fans of historical fiction and, of course, the millions of readers who adore *Jane Eyre*, as well as biographies about the Brontës like Claire Harman's *Charlotte Brontë: A Fiery Heart*. *Shades of Grey* Penguin A Good Morning America Buzz Pick A New York Times Book to Watch For * A Washington Post Best Book to Read in April * An

Esquire Best Book of 2021 * An E! News Best Book of April * A Refinery29 Book to Read in 2021 * An Apartment Therapy Best Book of April * A Popsugar Best Book of April * A Newsweek Book to Read * A Parade Favorite Book of Spring * A Kirkus Best Book to Read in April * A New York Post Best New Novel * A wise, bighearted, boundlessly joyful novel of love, disaster, and unconventional family Jane falls in love with Duncan easily. He is charming, good-natured, and handsome but unfortunately, he has also slept with nearly every woman in Boyne City, Michigan. Jane sees Duncan's old girlfriends everywhere--at restaurants, at the grocery store, even three towns away. While Jane may be able to come to terms with dating the world's most prolific seducer of women, she wishes she did not have to share him quite so widely. His ex-wife, Aggie, a woman with shiny hair and pale milkmaid skin, still has Duncan mow her lawn. His coworker, Jimmy, comes and goes from Duncan's apartment at the most inopportune times. Sometimes Jane wonders if a relationship

can even work with three people in it--never mind four. Five if you count Aggie's eccentric husband, Gary. Not to mention all the other residents of Boyne City, who freely share with Jane their opinions of her choices. But any notion Jane had of love and marriage changes with one terrible car crash. Soon Jane's life is permanently intertwined with Duncan's, Aggie's, and Jimmy's, and Jane knows she will never have Duncan to herself. But could it be possible that a deeper kind of happiness is right in front of Jane's eyes? A novel that is alternately bittersweet and laugh-out-loud funny, Katherine Heiny's *Early Morning Riser* is her most astonishingly wonderful work to date.

Everything You Need to Know to Successfully Coach Girls Routledge From what acclaimed novelist Jane Austen wrongly suspected was the least-liked of her protagonists comes a character unlike any other. Emma is the story of a fiercely independent young woman who defines the boundaries of what a conventional lady was supposed to resemble in 19th century Britain. Emma Woodhouse

is a bit of an anomaly in her sleepy town of Highbury. Curious, intelligent, and spoiled rotten, Emma is a young lady whose nose is always in other people's business. With nothing but time on her hands, Emma delights in the chaos of her good intentions gone awry. With an inclination towards matchmaking, she decides this skill is one that must be perfected, even at the expense of others. Quickly becoming the self-professed village matchmaker, it isn't until Emma's own heart is on the line that she realizes she's gone perhaps a bit too far. Now a major Hollywood film starring Anya Taylor-Joy as Emma, Johnny Flynn as Mr. Knightly, and Bill Nighy as Mr. Woodhouse, Jane Austen's *Emma* continues to resonate with readers of all ages. With an eye-catching new cover, and a cleanly typeset manuscript, this edition of *Emma* is both modern, and readable. /p>

[The Routledge Companion to Jane Austen](#) Infobase Publishing

The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new

flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

JANE AUSTEN

Penguin

The world is classic Jane Austen. The mystery is vintage P.D. James. This enhanced ebook of *Death Comes to Pemberley* contains video and audio that can be viewed and heard on a tablet device such as the iPad. There is a video interview with P. D. James, a longer audio interview, and an audio author reading. The year is 1803, and Fitzwilliam Darcy and Elizabeth Bennet have been married for six years. There are now two handsome and healthy

sons in the nursery, Elizabeth's beloved sister Jane and her husband Bingley live nearby and the orderly world of Pemberley seems unassailable. But all this is threatened when, on the eve of the annual autumn ball, the guests are preparing to retire for the night when a chaise appears, rocking down the path from Pemberley's wild woodland. As it pulls up, Lydia Wickham - Elizabeth Bennet's younger, unreliable sister - stumbles out screaming that her husband has been murdered. Two great literary minds - master of suspense P.D. James and literary icon Jane Austen - come together in *Death Comes to Pemberley*, a bestselling historical crime fiction tribute to *Pride and Prejudice*. Conjuring the world of Elizabeth Bennet and Mark Darcy and combining the trappings of Regency British society with a classic murder mystery, James creates a delightful mash-up that will intrigue any Janeite. From the bestselling author of *The Murder Room*, *Children of Men* and *A Certain Justice*, comes a wonderful mixture of the nation's greatest romance and

best-loved crime fiction. In 2013, this novel was adapted as a miniseries by the BBC, starring Matthew Rhys as Darcy, Anna Maxwell Martin as Elizabeth Bennet and Jenna Coleman as Lydia Wickham.

The Watcher Faber & Faber

Set in Europe, in 1938, during the tense run-up to war, and perfect for fans of Jacqueline Winspear, Charles Todd, Robert Harris, and Susan Elia MacNeal, this gripping historical novel features the half-British, half-German actress (and wholly covert spy) Clara Vine, who finds herself enmeshed in a dangerous game of subterfuge. The colorful, lively streets of Paris come as a welcome relief to Clara Vine after the dour countenance of Berlin, where bunkers and bomb shelters are being dug, soldiers march the streets in their high boots, and Jewish residents rush to make it home before curfew. Though Clara is in Paris to make a film, her true work is never far from her mind.

Approached by a British intelligence officer, Clara is initially confounded by his request: Get close to Eva Braun and glean as much as she can about the Führer's plans and

intentions. Clara has already established friendships with several high-ranking Nazi wives, but Eva Braun is another matter altogether. Hitler keeps his "secret" girlfriend obsessively hidden, fiercely guarding their relationship as well as Eva's delicate psychological state. From the gilded halls of the decadent City of Light to the cobbled, quaint streets of Munich, and even to the chilling, rarefied air of the Berghof, Hitler's private mountaintop retreat, Clara flirts with discovery at every turn—and a dangerous, devious plot unfolds. Previously published in the U.K. as *A War of Flowers* "A brilliant tale of spies and secrets, of intense psychological drama, of edgy climax and one extraordinary heroine."—Beatriz Williams, *New York Times* bestselling author of *A Hundred Summers* "A compelling story of love and betrayal in Hitler's Berlin . . . Peppered with real-life characters, this series offers a fascinating glimpse of the extraordinary world of the Nazi wives."—Daisy Goodwin, author of *The American Heiress* "An alluring blend of thrills, suspense, historic detail,

and seduction."—Susan Elia MacNeal, author of the Maggie Hope series "An extraordinary, absorbing read with an array of characters so real you're there with them as war looms, and a pace that sweeps you from page to page. This is indeed a winner!"—Charles Todd, author of *Inspector Ian Rutledge Mysteries* Look for special features inside. Join the Random House Reader's Circle for author chats and more.

A Novel Penguin

A warm and inviting picture book which offers an imaginative and creative look at the arrival of a new baby. Meet the Tiny Penguins! The Tiny Penguins LOVE helping humans to keep their house tidy, and they have one special rule - stay out of sight! But when they see a sad little girl, Gertie, hiding under her bed, they decide SOME rules are made to be broken.

Jane in Love Vintage
'Intriguing, compelling. Impossible to put down and irresistibly good'
Liane Moriarty

_____ She's the victim. But is she innocent? Sophie McCarthy is known for her determination, ambition and brilliance at work. She's tough, but only

because she wants to get the best out of people. Aidan Ryan is strong, honourable, and a family man. He's tough too; the army requires it. When these two strangers are brought together in a devastating incident, Sophie's life is left in ruins. Her family wants to see Aidan pay for what he did. Aidan's prepared to sacrifice everything - including his marriage and his child - to fix the mess he's made. But some things can't be fixed, and Sophie is not at all what she first appeared . . .

The Missing Pieces of Sophie McCarthy is a gripping, impossible-to-put-down exploration of betrayal and revenge.

Female Serial Killers

Simon and Schuster

See the difference, read #1 bestselling author Jane Smiley in Large Print *

About Large Print All Random House Large Print editions are published in a 16-point typeface Six years after her Pulitzer Prize-winning best-seller, *A Thousand Acres*, and three years after her witty, acclaimed, and best-selling novel of academe, *Moo*, Jane Smiley once again demonstrates her extraordinary range and

brilliance. Her new novel, set in the 1850s, speaks to us in a splendidly quirky voice--the strong, wry, no-nonsense voice of Lidie Harkness of Quincy, Illinois, a young woman of courage, good sense, and good heart. It carries us into an America so violently torn apart by the question of slavery that it makes our current political battlegrounds seem a peaceable kingdom. Lidie is hard to scare. She is almost shockingly alive--a tall, plain girl who rides and shoots and speaks her mind, and whose straightforward ways paradoxically amount to a kind of glamour. We see her at twenty, making a good marriage--to Thomas Newton, a steady, sweet-tempered Yankee who passes through her hometown on a dangerous mission. He belongs to a group of rashly brave New England abolitionists who dedicate themselves to settling the Kansas Territory with like-minded folk to ensure its entering the Union as a Free State. Lidie packs up and goes with him. And the novel races alongside them into the Territory, into the maelstrom of "Bloody Kansas," where slaveholding Missourians constantly and viciously

clash with Free Staters, where wandering youths kill you as soon as look at you--where Lidie becomes even more fervently abolitionist than her husband as the young couple again and again barely escape entrapment in webs of atrocity on both sides of the great question. And when, suddenly, cold-blooded murder invades her own intimate circle, Lidie doesn't falter. She cuts off her hair, disguises herself as a boy, and rides into Missouri in search of the killers--a woman in a fiercely male world, an abolitionist spy in slave territory. On the run, her life threatened, her wits sharpened, she takes on yet another identity--and, in the very midst of her masquerade, discovers herself. Lidie grows increasingly important to us as we follow her travels and adventures on the feverish eve of the War Between the States. With its crackling portrayal of a totally individual and wonderfully articulate woman, its storytelling drive, and its powerful recapturing of an almost forgotten part of the American story, this is Jane Smiley at her enthralling and enriching best.
