Arc Of Justice A Saga Of Race Civil Rights And Murder In The Jazz Age

OMB No. 2992538634067 edited by

FRANKLIN WELCH

The Dawn of Detroit Harper Collins

Both North Dakota and South Dakota have long been among the most reliably Republican states in the nation: in the past century,

voters have only chosen two Democrats, Franklin Roosevelt and Lyndon B. Johnson, and in 2016 both states preferred Donald Trump by over thirty points. Yet in the decades before World War II, the people of the Northern Plains were not universally politically conservative. Instead, many Dakotans, including Republicans, supported experiments in agrarian democracy that incorporated ideas from populism and progressivism to socialism

and communism and fought against "bigness" in all its forms, including "bonanza" farms, out-of-state railroads, corporations, banks, corrupt political parties, and distant federal bureaucracies—but also, surprisingly, the culture of militarism and the expansion of American military power abroad. In Nuclear Country, Catherine McNicol Stock explores the question of why, between 1968 and 1992, most voters in the Dakotas abandoned

their distinctive ideological heritage and came to embrace the conservatism of the New Right. Stock focuses on how this transformation coincided with the coming of the military and national security states to the countryside via the placement of military bases and nuclear missile silos on the Northern Plains. This militarization influenced regional political culture by reinforcing or re-contextualizing long-standing local ideas and practices, particularly when the people of the plains found that they shared culturally conservative values with the military. After adopting the first two planks of the New Right—national defense and conservative social ideas—Dakotans endorsed the third plank of New Right ideology, fiscal conservatism. Ultimately, Stock contends that militarization and nuclearization were the historical developments most essential to the creation of the rural New Right throughout the United States, and that their impact can best be seen in this often-overlooked region's history.

AT THE HANDS OF PERSONS UNKNOWN

Vintage

A serial killer is loose inside a world of powerful magic and high-tech where Earth's legends, myths, and monsters now live. Only Maia Anemois, a consultant from Earth, and a group of demigod detectives led by Kai and Aidan Eurus can stop him.

The Voting Rights Act and the Transformation of American Democracy

Holiday House
The book that inspired the documentary *A Crime on the Bayou* 2021 Chautauqua Prize Finalist The "arresting, astonishing history" of one lawyer and his defendant who together achieved a "civil rights milestone" (Justin Driver). In 1966 in a small town in Louisiana, a 19-year-old black man named Gary Duncan pulled his car off the road to stop a fight. Duncan was arrested a few minutes later for the crime of putting his hand on the arm of a white child. Rather than accepting his fate, Duncan found Richard Sobol, a brilliant, 29-year-old lawyer from New York who was the only white attorney at "the most radical law firm" in New Orleans. Against them stood one of the most powerful white supremacists in the South, a man called simply "The Judge." In this powerful work of character-driven history, journalist Matthew Van Meter vividly brings alive how a seemingly minor incident brought massive, systemic change to the criminal justice system. Using first-person interviews, in-depth research and a deep knowledge

of the law, Van Meter shows how Gary Duncan's insistence on seeking justice empowered generations of defendants—disproportionately poor and black—to demand fair trials. *Duncan v. Louisiana* changed American law, but first it changed the lives of those who litigated it.

THE TWILIGHT SAGA: THE OFFICIAL ILLUSTRATED GUIDE

Harper Collins

A story of tragedy and violence set in the early 20th century. When Kenneth Harper, a young black physician who has studied in the North, returns to his Georgia hometown to practice medicine, he discovers all too soon that the roots of intolerance are deeply embedded. "A stirring novel, beautifully and passionately written."--*The Nation*.

A Novel Univ of North Carolina Press

Documents the events surrounding the racially charged court case involving the Southern Exodus, the KKK, and the Sweet family, tracing the prejudice that targeted 1925 Detroit's first African-Americans and the unprecedented hiring of attorney Clarence Darrow by the NAACP. By the author of *Families in Pain*. Reprint. 20,000 first printing.

The Rhinelander Trial, Passing, and the Protection of Whiteness
Cornell University Press

On a planet far from Earth, descendants of marooned space travelers fight a decades-long war. Shy scholar Victoria knows nothing of this conflict until pirates kidnap and sell her to the sadistic tyrant behind it. He keeps her naked and locked in a tower, subjecting her to months of psychological torture. After seizing an opportunity to escape, Vic joins the fight against her former captor and begins walking a bloody path toward revenge. As the Blade, Vic gains glory raiding her enemy's forces, but the ordeal in his tower haunts her. Bitter memories keep her from returning the love of the kindhearted Prince Ashel, whose family has fended off the tyrant's invading army for a generation. When enemy soldiers capture Ashel, Vic embarks on a quest to rescue him and, on the journey, discovers a source of spectacular power. With wizardry, Vic can rescue the prince, end the war, and wreak the vengeance she craves, but she might also destroy her only chance for peace.

For the Thrill of It Henry Holt and Company

A history of America's civil rights movement traces the pivotal

influence of sexual violence that victimized African American women for centuries, revealing Rosa Parks's contributions as an anti-rape activist years before her heroic bus protest.

Kennedy, Nixon, and the Election Of 1960

Harper Collins
When it came to the Civil War, Michiganders never spoke with one voice. At the beginning of the conflict, family farms defined the southern Lower Peninsula, while a sparsely settled frontier characterized the state's north. While differing strategies for economic development initially divided Michigan's settlers, by the 1850s Michiganders' attention increasingly focused on slavery, race, and the future of the national union. They exchanged charges of treason and political opportunism while wrestling with the meanings of secession, the national union, emancipation, citizenship, race, and their changing economy. Their actions launched transformations in their communities, their state, and their nation in ways that Americans still struggle to understand. Building upon the current scholarship of the Civil War, the Midwest, and Michigan's role in the national experience, *Michigan's War* is a documentary history of the Civil War Era as told by the state's residents and observers in private letters, reminiscences, newspapers, and other contemporary sources. Clear annotations and thoughtful editing allow teachers and students to delve into the political, social, and military context of the war, making it ideal for classroom use.

The UAW and the Heyday of American Liberalism, 1945-1968

Random House

Devil in the Grove, winner of the Pulitzer Prize for general nonfiction, is a gripping true story of racism, murder, rape, and the law. It brings to light one of the most dramatic court cases in American history, and offers a rare and revealing portrait of Thurgood Marshall that the world has never seen before. As Isabel Wilkerson's *The Warmth of Other Suns* did for the story of America's black migration, Gilbert King's *Devil in the Grove* does for this great untold story of American legal history, a dangerous and uncertain case from the days immediately before *Brown v. Board of Education* in which the young civil rights attorney Marshall risked his life to defend a boy slated for the electric chair—saving him, against all odds, from being sentenced to death for a crime he did not commit.

Bending Toward Justice Scribes Unlimited

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly

entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE

FROM CIVIL RIGHTS TO HUMAN RIGHTS

University of Georgia Press

"In this splendid book, David Roediger shows the need for political activism aimed at transforming the social and political meaning of race.... No other writer on whiteness can match Roediger's

historical breadth and depth: his grasp of the formative role played by race in the making of the nineteenth century working class, in defining the contours of twentieth-century U.S. citizenship and social membership, and in shaping the meaning of emerging social identities and cultural practices in the twenty-first century."—George Lipsitz, author of *The Possessive Investment in Whiteness* "David Roediger has been showing us all for years how whiteness is a marked and not a neutral color in the history of the United States. *Colored White*, with its synthetic sweep and new historical investigations, marks yet another advance. In the burgeoning literature on whiteness, this book stands out for its lucid, unjargonridden, lively prose, its groundedness, its analytic clarity, and its scope."—Michael Rogin, author of *Blackface, White Noise*

[Leopold, Loeb, and the Murder That Shocked Chicago](#) Drawn & Quarterly

FBI Special Agent Lincoln St. John is living his own personal nightmare. When the woman he loves, Allison Radcliffe, is killed, he devotes his life to tracking down the killers and making them pay for their crimes. He expected it to be a challenge. What he never expected was to find Allison very much alive shortly after her "murder." As his anger and hurt mix with relief, Linc isn't sure how he's supposed to feel. One thing he does know for sure: he and Allison will have to work together to stop a killer before she dies a second time--this time for good. Bestselling and award-winning author Lynette Eason closes out her *Blue Justice* series with a story that will have you tearing through the pages to get to the stunning conclusion.

Martin Luther King, Jr., and the Struggle for Economic Justice W. Norton & Company

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening

their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Stres in die werkplek W. W. Norton & Company

The year is 1854. In Paris, Francisco Solano -- the future dictator of Paraguay -- begins his courtship of the young, beautiful Irish courtesan Ella Lynch with a poncho, a Paraguayan band, and a horse named Mathilde. Ella follows Franco to Asunción and reigns there as his mistress. Isolated and estranged in this new world, she embraces her lover's ill-fated imperial dream -- one fueled by a heedless arrogance that will devastate all of Paraguay. With the urgency of the narrative, rich and intimate detail, and a wealth of skillfully layered characters, *The News from Paraguay* recalls the epic novels of Gabriel García Márquez and Mario Vargas Llosa.

[Black Women, Rape, and Resistance- a New History of the Civil Rights Movement from Rosa Parks to the Rise of Black Power](#) Oxford University Press, USA

A masterpiece of reporting on the Supreme Court's most divisive case, *Roe v. Wade*, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947–2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate,

who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, *The Family Roe* will change the way you think about our enduring American divide.

Arc of Justice Del Rey

Arc of Justice A Saga of Race, Civil Rights, and Murder in the Jazz Age Henry Holt and Company

The Family Roe: An American Story Yale University Press
 "A rich and compelling narrative, as taut and suspenseful as good fiction. In places, *Stories of Scottsboro* is almost heartbreaking, not least because Goodman shows what people felt as well as what they thought." -- Washington Post
 "To white Southerners, it was "a heinous and unspeakable crime" that flouted a taboo as old as slavery. To the Communist Party, which mounted the defense, the Scottsboro case was an ideal opportunity to unite issues of race and class. To jury after jury, the idea that nine black men had raped two white women on a train traveling through northern Alabama in 1931 was so self-evident that they found the Scottsboro boys guilty even after the U.S. Supreme Court had twice struck down the verdict and one of the "victims" had recanted. This innovative and grippingly narrated work of history tells the story of a case that marked a watershed in American racial justice. Or, rather, it tells several stories. For out of dozens of period sources, *Stories of Scottsboro* re-creates not only what happened at Scottsboro, but the dissonant chords it struck in the hearts and minds of an entire nation. "Extraordinary.... To do justice to the Scottsboro story a book would have to combine edge-of-the-seat reportage and epic narrative sweep. And it is just such a book that James Goodman has given us, a beautifully realized history...written with complete authority, tight emotional control, and brilliant use of archival material." -- Chicago Tribune

Property Rites Beacon Press

2018 Frederick Douglass Book Prize Co-Winner 2018 John Hope Franklin Prize Finalist 2018 Zora Neale Hurston/Richard Wright Legacy Award (Nonfiction) Winner 2018 American Book Award Winner 2018 Harriet Tubman Prize Finalist Longlisted for the 2018 Cundill History Prize 2018 Merle Curti Social History Award Winner

2018 James A. Rawley Prize Co-Winner A New York Times Editor's Choice selection A Michigan Notable Book of 2018 A Booklist Editors' Choice Title for 2017 "If many Americans imagine slavery essentially as a system in which black men toiled on cotton plantations, Miles upends that stereotype several times over." -- New York Times Book Review "[Miles] has compiled documentation that does for Detroit what the Works Progress Administration and the Federal Writers' Project slave narratives did for other regions, primarily the South." --Washington Post "[Tiya Miles] is among the best when it comes to blending artful storytelling with an unwavering sense of social justice." --Martha S. Jones in *The Chronicle of Higher Education* "A necessary work of powerful, probing scholarship." --Publisher Weekly (starred) "A book likely to stand at the head of further research into the problem of Native and African-American slavery in the north country." --Kirkus Reviews The prizewinning, nationally celebrated account of the slave origins of a major northern city A brilliant paradigm-shifting book that "transports the reader back to the eighteenth century and brings to life a multiracial community that began in slavery" (*The New York Times*), *The Dawn of Detroit* reveals for the first time that slavery was at the heart of the Midwest's iconic city. Hailed by Publishers Weekly in a starred review as "a necessary work of powerful, probing scholarship," *The Dawn of Detroit* meticulously uncovers the experience of the unfree--both native and African American--in a place wildly remote yet at the center of national and international conflict. Tiya Miles has skillfully assembled fragments of a distant historical record, introducing new historical figures and unearthing struggles that remained hidden from view until now. "In her eloquent account," the Washington Post declared, "Miles conjures up a city of stark disparity and lives quashed." A message from the past for our troubled present, *The Dawn of Detroit* is "an outstanding contribution that seeks to integrate the entirety of U.S. history, admirable and ugly, to offer a more holistic understanding of the country" (Booklist, starred review). *Red Rising* Univ of California Press

In the midst of a superhero takeover with groundbreaking films

bringing comic books to the big screen on an unprecedented scale, one cinematic saga would forever alter the landscape of superhero movies and Hollywood ... Batman. Superman. Wonder Woman. As three of the most iconic heroes of all time, the task of translating these beloved DC Comics characters and their stories to film would be the ultimate challenge for any director. By embracing this challenge, Zack Snyder—who gained popularity following successes with *300* and *Watchmen*—would find himself at the epicenter of controversy. Shaped by studio conflicts, creative differences, increasingly divisive public opinion, social media, the COVID-19 pandemic, and personal tragedy, the making of Snyder's films (*Man of Steel*, *Batman v Superman: Dawn of Justice*, *Justice League*) would come together to form a remarkable tale. In *The Snyderverse Saga*, entertainment journalist Daryn Kirscht chronicles the epic behind-the-scenes true story of Snyder's DC Comics films, their revolutionary impact on superhero movies and Hollywood, and the power of the fandom in fighting for creative freedom. After achieving victory following the #ReleaseTheSnyderCut movement, a new wave is on the rise with #RestoreTheSnyderVerse to adapt the cinematic landscape to the modern world... a "Knightmare" world. Will the "Snyderverse" continue? Only time will tell...

The Hard Tomorrow Revell

NOW AN HBO MINISERIES Not in my backyard -- that's the refrain commonly invoked by property owners who oppose unwanted development. Such words assume a special ferocity when the development in question is public housing. Lisa Belkin penetrates the prejudices, myths, and heated emotions stirred by the most recent trend in public housing as she re-creates a landmark case in riveting detail, showing how a proposal to build scattered-site public housing in middle-class neighborhoods nearly destroyed an entire city and forever changed the lives of many of its citizens. -- Public housing projects are being torn down throughout the United States. What will take their place? *Show Me a Hero* explores the answer. -- An important and compelling work of narrative nonfiction in the tradition of J. Anthony Lukas's *Common Ground*. -- A sweeping yet intimate group portrait that assesses the effects of public policy on individual human lives.
