Lectio Divina--The Sacred Art Atheneum/Caitlyn Dlouhy Books

When we are in the darkness--whatever that is in our own particular story--the temptation is to believe that it's over, it's always going to feel this way, we will never be anywhere else or feel anything other than we do now. We fear the darkness, and for good reason. But it is in the darkness that new life begins. With an openhanded spirit and openhearted vulnerability, Leeana Tankersley reveals the darkest chapter of her own story, the thing she never thought would happen and could do nothing to prevent. Along the way she shares how waiting patiently in the darkness allowed something incredible to take root within her: a defiant and hard-won hope that is not dependent on happy endings. If you have lost your faith, your family, your health, your home, your security, your business, or your very self, Leeana wants you to know that you are not alone or forgotten. You are not doomed to stagnation or stasis. You are not worth less than you once were. Against every last odd, you can hope anyway.

The Rule of Saint Benedict Ballantine Books

None of us wants to be sidelined, stuck, shamed, or silenced. But the difficulties of life have a way of putting us in a corner, and we don't know how to move forward. We see brokenness in our communities, our relationships, and our spirits. It's so easy to blame ourselves or our circumstances, to get bogged down in discouragement and toxic thinking. But that's not what we were meant for, and that's not how God wants us to live. Leeana Tankersley has good news if you're struggling: each new day is an opportunity to begin again. In her warm tone and with her signature humor she offers 100 short readings to encourage and motivate you to begin again in your relationships with God, your family, your friends, and yourself. Because there is always a hand reaching toward you, there is always grace available, and there is always a chance to begin again.

The Fire Is Upon Us Moody Publishers

Despite the odds stacked up against them, the Remnants seem to be surviving in the Rock’s harsh environment while living peacefully with the inhabitants, but this new world still has its set of problems that Billy cannot handle.

Living with Contradiction Entangled: Amara

"Julia Cameron has inspired millions with her bestseller *The Artist's Way*. Now at the age of sixty-five, she shows her contemporaries how retirement can be the most creative and fulfilling stage of life yet. For some, retirement is a day to work toward with anticipation. Others approach retirement with greater ambivalence. While the newfound freedom is exciting and filled with possibility, the idea of retirement can also be very daunting. You are

in a unique position to explore yourself and your desires from a place of experience. But the line has been drawn in the sand: The life that you have known has changed, and the life to come is yet to be defined. This book is a twelve-week course aimed at defining--and creating--the life you want to have as you redefine--and re-create--yourself. Filled with essays, tools, and exercises to be done alone or in groups, this toolkit will guide and inspire retirees wishing to expand their creativity. This fun, gentle, step-by-step process will help you explore your creative dreams, wishes, and desires--and quickly find that it's never too late to begin anything"--

BEGIN AGAIN

Church Publishing, Inc.

A sexy and emotional Sports, Soulmate, Love at First sight romance from critically acclaimed author Eve Dangerfield. Bethany Myers is looking for a fresh start. When the newly assertive and determined former #girlboss sees Byron Thomas, the hottest guy she has ever laid eyes on, she can't help but catcall him on the street. But she never expects the former footballer to agree to a date with her, let alone give her the time of day. Beth meets Byron for drinks, hoping for a scorching one-night stand—or at least to feel his biceps. What she finds rather, to her shock, is a meaningful connection that her heart and her soul can't deny. He is her One and the man she can't live without. Byron is more than just a pretty face and a beautiful mind. But his heart has been broken and he still nurses scars from his past. Beth has sworn off wounded men, but she can't stay away from this man and how he makes her feel. Will she be able to convince her One to take a chance on them and begin again? "A breath of fresh air romance that cuts right through the haze." NYT Bestseller, Tessa Bailey "Begin Again Again is yet another reminder that Eve Dangerfield is one of the most unique voices in the romance world." NYT Bestseller, L.J. Shen "I love this book! A new mega-treasure for my keeper shelf!" NYT Bestseller, Annika Martin "I adored this book. It is warm, funny, sexy, and unflinchingly human." USA Today bestseller, Andie J. Christopher "All the things an Eve Dangerfield book is- sexy, funny, and insightful. Just loved it!" USA Today Bestseller, Amy Andrews "One of those books you can't put down and don't stop thinking about!" Adriana Anders, Award-winning author of *Whiteout* "This is one of the sexiest books we've read this year while being relatable and beautifully optimistic." *Make Out Already* Podcast

Begin Again Scholastic Paperbacks

To Begin Again signals the arrival of an important new voice. In words that are as wise as they are comforting and as universal as they are specific, Rabbi Naomi Levy tells us how to survive, emotionally and spiritually, when we feel overwhelmed by grief, loss, or life itself. Her book provides a safe harbor where we can begin to reconstitute our lives. Where do we find the strength to rebuild our lives after difficult times? Is it possible to recapture

our hope? Our innocence? Our faith? The answers, never simple but always inspiring, are indeed found in this wonderful book. Naomi Levy was a bright, cheerful fifteen-year-old girl who awoke to the devastating news that her father had been shot. His senseless murder shattered her belief in God and left her feeling helpless and full of rage. But, in time, she learned to fight her way through the darkness to conquer her heartbreaking pain. She describes, with humor and extraordinary honesty, how she managed to emerge victorious over sorrow. Later, in her years as the rabbi of a congregation in Venice, California, Levy quickly learned that her own painful experiences were not unique. Many of her congregants had also suffered—divorce, addiction, rape, loss, illness. They too had searched long and hard for ways to bring joy back into their lives. A natural and engaging storyteller, Levy weaves together her own story and the struggles of her congregants with the ancient lessons of great sages. She offers up exquisitely simple prayers, which—no matter what our religious beliefs—remind us that we are far, far stronger than we ever imagined. What emerges is a remarkable tapestry that teaches us how to mend our hearts and souls. *To Begin Again* is a book that will be passed to friends when tragedy strikes, a book that will rest at our bedside tables during troubling times. It is a testament to the human spirit—to the undying strength that enables us to make our way through whatever darkness we may face and begin living once again.

[The Things We Leave Unfinished](#) TarcherPerigee

What happens when life begins to trip us up and failure starts creeping in? Many of us just keep on doing the same thing, hoping for different results. Some of us look for escape, to find a way out of the mess we feel that we've created. But neither enduring nor escaping is ultimately what we need. The answer is to allow ourselves to begin again, every day, in every part of our lives. Through engaging, lyrical prose, Leeana Tankersley shows women how to forgive themselves, develop new and healthier patterns of living, and do away with resentment and regret. Her life-giving words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives. To begin again is to open the window, even a crack, to let the breeze of grace come in. It is a call to stop running from our fears. To take one small step toward becoming the brave women we were made to be.

What Technology Wants SkyLight Paths Publishing

NEW YORK TIMES BESTSELLER • “A powerful study of how to bear witness in a moment when America is being called to do the same.”—Time James Baldwin grew disillusioned by the failure of the civil rights movement to force America to confront its lies about race. What can we learn from his struggle in our own moment? Named one of the best books of the year by Time, The Washington Post, and the Chicago Tribune • Winner of the Stowe Prize • Shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice “Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again.”—James Baldwin *Begin Again* is one of the great books on James Baldwin and a powerful reckoning with America’s ongoing failure to confront the lies it tells itself about race. Just as in Baldwin’s “after times,” argues Eddie S. Glaude Jr., when white Americans met the civil rights movement’s call for truth and justice with blind rage and the murders of movement leaders, so in our moment were the Obama presidency and the birth of Black Lives Matter answered with the ascendance of Trump and the violent resurgence of white nationalism. In these brilliant and stirring pages, Glaude finds hope and guidance in Baldwin as he mixes biography—drawn partially from newly uncovered Baldwin interviews—with history, memoir, and poignant analysis of our current moment to reveal the painful cycle of Black resistance and white retrenchment. As Glaude bears witness to the difficult truth of racism’s continued grip on the national soul, *Begin Again* is a searing exploration of the tangled web of race, trauma, and memory, and a powerful interrogation of what we must ask of ourselves in order to call forth a new America.

ALWAYS WE BEGIN AGAIN

Morehouse Publishing

It's never too late for a new beginning. Look closely and you'll see that theme all through the Bible. Page after page, God delights in turning tragic endings into new beginnings. A childless woman conceives in her old age; a fearful, self-conscious shepherd becomes a leader of millions; and a prostitute becomes a wife and mother in the lineage of Christ. Every biblical fresh start reveals the amazing, awe-inspiring hope we have for our own new beginnings in God's plan for our lives. In *You Can Begin Again*, bestselling author Joyce Meyer explores the beauty and infinite supply of God's love and grace. Through inspiring stories, Scriptural principles, and her classic practical, life-application approach, Joyce powerfully demonstrates that God isn't done with you yet. If you're stuck in a rut, disappointed by an outcome, hurting from a wound, failing in an endeavor, struggling in a relationship, or unsure about the future. . .don't give up. Don't give up on yourself, and don't give up on the God Who loves you and offers you a new beginning today.

Begin and Begin Again Simon and Schuster

From the author of the New York Times bestseller *The Inevitable*—a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or "what it wants." Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

Literacy Is Liberation Zondervan

Is belief in the Nicene and Apostles Creeds required to be a Christian? Does science support or diminish belief in the divine? How does one live Jesus' way in the world? A careful study of Jesus shows that his intended legacy for us was not a set of propositional beliefs, but a way for being in the world, a way that opens us to the extraordinary opportunity of the present, a way that can convert our hurried, anxious lives into something luminous. Our obsession with "what to believe" misses the primary message of the Bible, says McQuiston, who illustrates that the paramount message of Jesus, and even the Hebrew Scriptures, is not about what stories to believe, but how to live.

You Can Begin Again BASTEI LÜBBE

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we

can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the “golden boy” of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

[We Have Always Lived in the Castle](#) Hachette UK

This book holds timeless appeal for readers who hunger for a meaningful and creatively balanced framework for life. It offers a simple blueprint, based on the Rule of St. Benedict, to order one's time and create physical and inner space, to step back from

Start with Why ASCD

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea *The Golden Circle*, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

The Benedictine Way Dramatists Play Service Inc

Fifteen centuries after it was written, the Rule of St. Benedict still provides a deep and practical spirituality that helps lay people cope with everyday problems and challenges.

Hope Anyway Revell

Literacy is the foundation for all learning and must be accessible to all students. This fundamental truth is where Kimberly Parker begins to explore how culturally relevant teaching can help students work toward justice. Her goal is to make the literacy classroom a place where students can safely talk about key issues, move to dismantle inequities, and collaborate with one another. Introducing diverse texts is an essential part of the journey, but teachers must also be equipped with culturally relevant pedagogy to improve literacy instruction for all. In *Literacy Is Liberation*, Parker gives teachers the tools to build culturally relevant intentional literacy communities (CRILCs) with students. Through CRILCs, teachers can better shape their literacy instruction by * Reflecting on the connections between behaviors, beliefs, and racial identity. * Identifying the characteristics of culturally relevant literacy instruction and grounding their practice within a strengths-based framework. * Curating a culturally inclusive library of core texts, choice reading, and personal reading, and teaching inclusive texts with confidence. * Developing strategies to respond to roadblocks for students, administrators, and teachers. * Building curriculum that can foster critical conversations between students about difficult subjects—including race. In a culturally relevant classroom, it is important for students and teachers to get to know one another, be vulnerable, heal, and do the hard work to help everyone become a literacy high achiever. Through the practices in this book, teachers can create the more inclusive, representative, and equitable classroom environment that all students deserve.

[Life as We Knew it](#) Eve Dangerfield Books

Open doors to healing, transformation, and new life with these simple and inviting reflections. This classic will appeal to those familiar with the Rule of St. Benedict, as well as those who are just discovering its timeless wisdom.

[To Begin Again](#) Wipf and Stock Publishers

"In his third book, renowned horseman Denny Emerson once again masterfully intertwines his entertaining reflections from a life embedded in the equestrian world with serious philosophical questions faced by the industry today and practical advice honed by his immense experience. Here he explores all the different ways we begin a life with horses, or begin it over again, and how that constant reinvention is integral to our ability to keep horses a part of our lives over time"--

The Venerable Bruno Lanteri Church Publishing, Inc.

"Fr. Gallagher has written of the Founder of his religious order with a personal sense of the particular charism of the Oblates of the Virgin Mary and with a historian's sense of the context of its birth and development. Quite ordinary events in Lanteri's life are unified by his strong sense of spiritual purpose often obstructed by a body weakened with constant ill health; these same events are played out in the tension between Church and State in France and Piedmont in an age of revolution; they are reflected in the lives of his co-workers and companions in the various societies and communities he formed part of. A man who sought always to remain in the background is brought forward in this book so that all can begin again to

discover his virtues and appreciate his influence today"--
