Burrfoot comes to Solace, accidentally
pockets a copper bracelet, and (forcibly)
makes the acquaintance of Tanis Half-
Elven and Flint Fireforge. A simple tale.

Except that the fate of the entire race of
Dargonesti sea elves hangs in the balance.
How does this piece of kender-coveted
jewelry lead the companions and a sea elf
princess to ally with the phaethons,
creatures with wings of flame? The answer
lies with a mysterious mage, a broker of
souls, who knows the bracelet's secret and
has a hideous plan to rule the Black
Robes. Wanderlust is the second exciting
installment in the Dragonlance saga

Meetings Sextet by Steve Winter and Mary
Kirchoff, author of Kendermore and Flint,
the King.

The Annotated Legends Mirrorstone
Years have passed since the end of the War of the Lance. The people of Ansalon have rebuilt their lives, their houses, their families. The Companions of the Lance, too, have returned to their homes, raising

children and putting the days of their heroic deeds behind them. But peace on Krynn comes at a price. The forces of darkness are ever vigilant, searching for ways to erode the balance of power and take control. When subtle changes begin to permeate the fragile peace, new lives are drawn into the web of fate woven around all the races. The time has come to pass the sword -- or the staff -- to the children of the Lance. They are the Second Generation.

Dragonlance Tales Wizards of the Coast
The Dragonlance Chronicles enter a new era in this thrilling installment starring the descendants of the Heroes of the Lance. The War of the Lance is long over. The seasons come and go as the pendulum of the world swings. Now it is summer—a hot, parched summer during which the uneasy balance of light and dark begins to shift. The Dark Queen has found new champions in the Knights of Takhisis. Among them is dark paladin Steel Brightblade, the son of the heroic Sturm Brightblade and the infamous Kitiara Uth Matar. He rides to attack the high Clerist's Tower, the fortress his father died defending . . . Elsewhere, other descendants of the Companions embark on their own journeys: Distraught by a grievous loss, the young Palin Majere seeks to enter the Abyss in search of his lost uncle, the archmage Raistlin. And in Palanthas, a human girl named Usha comes forward with claims that she is Raistlin's lost daughter. She has fled her

home among the Irda, who have unwittingly unleashed the god Chaos upon the world in their desperation to thwart the Knights of Takhisis. The summer will be deadly. But for whom, only the swing of the pendulum will tell. *Dragons of Summer Flame* is the fourth book in the Dragonlance Chronicles and the first installment that follows the Second Generation.

Kaz the Minotaur Wizards of the Coast

Dragons of a Vanished Moon Random House Worlds
The Chronicles retold--from evil's point of view. The story starts in Neraka, where Kitiara uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Solamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-That, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end

there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn--Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Solamnia--not knowing that they bring their allies' doom with them. The second volume of a new trilogy from celebrated authors Margaret Weis and Tracy Hickman, *The Lost Chronicles* details the famed War of the Lance from the perspective of the evil that menaces Krynn. The books are written in such a way that they will be marvelous complements to the original Chronicles, while at the same time accessible and exciting to new readers. From the Paperback edition.

The Magic of Krynn Mirrorstone

One twin plots in a dark tower, mastering the arcane forces of magic and learning the secrets that will allow him to enter the Portal and challenge the gods themselves. The other twin hides from personal demons at the bottom of a bottle, not yet having found the courage and wisdom to become whole. Their legend will change both the history of Krynn and its future. The legends of other heroes stand waiting to be written. Personal journeys, great quests, and heroic sacrifices all lie ahead. Sometimes it is not the world that needs to be saved, but a soul. The River of Time not only provides the chance to find the forgotten history of Krynn, but a chance to visit the world as it might have been. Discover an Ansalon untouched by Cataclysm, where the Godpriest reigns supreme; visit a magocracy, a land in which the Orders of High Sorcery rule

through the power of magic; roam the dragonlands, crushed under the terrible might of the Dark Queen and her dragon highlords. Legends of the Twins is a resource for games set in the world of DragonLance. Inside one will find information for players, including variant rules for character traits, new feats, prestige classes. New spells and magic items allow characters to journey across the River to Time. Dungeon Masters will discover an amazing wealth of campaign possibilities, including travel into Ansalon's distant past or many different alternate versions of the world-available to introduce into a current campaign or as a launching point of one that is entirely new.
