But when the Ghost's capture goes disastrously wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City's Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

THE BURIAL HOUR

Hodder & Stoughton Audio

A classic thriller from New York Times bestselling author Jeffery Deaver featuring the intricate forensic detail, masterful plot

twists, and harrowing breakneck pace that made *A Maiden's Grave*, *The Bone Collector*, and *The Coffin Dancer* national bestsellers. It's New Year's Eve, December 31, 1999, and Washington, DC, is under siege. Early in the day, a grisly machine gun attack in the Dupont Circle Metro station leaves dozens dead and the city crippled with fear. A note delivered to the mayor's office pins the massacre on the Digger, a robotlike assassin programmed to wreak havoc on the capital every four hours—until midnight. Only a ransom of \$20 million delivered to the Digger's accomplice—and mastermind—will end the death and terror. But the Digger becomes a far more sinister threat when his accomplice is killed in a freak accident while en route to the money drop. With the ransom note as the single scrap of evidence, Special Agent Margaret Lukas calls upon Parker Kincaid, a retired FBI agent and the top forensic document examiner in the country. Somehow, by midnight, they must find the Digger—before he finds them.

The Skin Collector Disney Electronic Content

A bus full of children is taken hostage in this "screaming hit" (The New York Times Book Review) from the author of *The Never Game* and *The Bone Collector*. Along a windswept Kansas road, eight vulnerable girls and their helpless teachers are forced off a school bus and held hostage in an abandoned slaughterhouse. The madman who has them at gunpoint has a simple plan: One hostage an hour will die unless the demands are met. Called to the scene is Arthur Potter, the FBI's best hostage negotiator. He has a plan. But so does one of the hostages—a beautiful teacher who's willing to do anything to save the lives of her students. Now the clock is ticking as a chilling game of cat and mouse begins.

The Bodies Left Behind Penguin

DANGEROUSLY GOOD. DISTINCTIVELY DEEVER. Lincoln Rhyme and Amelia Sachs return to New York City to confront a killer terrorizing couples at their happiest--and most vulnerable. In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promiser makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. From New York Times bestselling author Jeffery Deaver--Lincoln Rhyme is back, and on the trail of a killer whose weapon of choice cripples New York City with fear. The weapon is invisible and omnipresent. Without it, modern society grinds to a halt. It is electricity. The killer harnesses and steers huge arc flashes with voltage so high and heat so searing that steel melts and his victims are set afire. When the first explosion occurs in broad daylight, reducing a city bus to a pile of molten metal, officials fear terrorism. Rhyme, a world-class forensic criminologist known for his successful apprehension of the most devious criminals, is immediately tapped for the investigation. Long a quadriplegic, he

assembles NYPD detective Amelia Sachs and officer Ron Pulaski as his eyes, ears and legs on crime sites, and FBI agent Fred Dellray as his undercover man on the street. As the attacks continue across the city at a sickening pace, and terrifying demand letters begin appearing, the team works desperately against time and with maddeningly little forensic evidence to try to find the killer. Or is it killers...? Meanwhile, Rhyme is consulting on another high-profile investigation in Mexico with a most coveted quarry in his crosshairs: the hired killer known as the Watchmaker, one of the few criminals to have eluded Rhyme's net. Juggling two massive investigations against a cruel ticking clock takes a toll on Rhyme's health. Soon Rhyme is fighting on yet another front—and his determination to work despite his physical limitations threatens to drive away his closest allies when he needs them most...
