Grammar Builder Level 4 Cambridge University Press

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice

exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

WITH NEW SOCIAL MEDIA SECTION AND PHRASE BANK OF USEFUL EXPRESSIONS

Cambridge University Press

This comprehensive resource book contains an easy-to-use set of short activities essential for anyone teaching Business English. Reflecting real-life business activities such as emails, noisy telephone conversations, making excuses, negotiating, handling customer complaints and cultural awareness, Five-Minute Activities for Business English helps teachers mirror the pacy feel of the work environment. This book is also of interest to teachers of general English who are looking for stimulating skills-based activities in meaningful contexts and complements both tailored and coursebook-based materials. The four main areas covered are 'Business topics', 'Business communication skills', 'Language work' and 'Exploiting coursebooks'. These areas

feature activities on various topics such as money, finance, meetings, negotiations, telephoning, management, marketing, etc.
