Pearson South Africa  
Positive Organizational  
Behavior is emerging as a  
truly contemporary  
movement within the  
classic discipline of  
organizational behavior.  
The best work of leading  
scholars is gathered

together in one edited  
collection. Chapters  
present the states, traits,  
and processes that  
compromise this exciting  
new science. In addition  
to mapping the field, this  
collection goes one step  
further and invites noted  
experts to identify the  
methodological

challenges facing scholars of positive organizational behavior. Positive Organizational Behavior constitutes the study of positive human strengths and competencies, how it can be facilitated, assessed and managed to improve performance in the workplace . Its roots are firmly within positive psychology but transplanted to the world of work and organizations. *Dandelion Wine* Pearson Higher Ed  
For courses in organizational behavior. A streamlined presentation

of key organizational behavior concepts  
Essentials of Organizational Behavior teaches students how to communicate and interact within organizations, through real-world scenarios. The text offers comprehensive coverage of key organizational behavior (OB) concepts, making each lesson engaging and easy to absorb. Students can use the book's concepts to apply what they've learned to their own education, future career plans, and other

organizational endeavors. Currently used at more than 500 colleges and universities worldwide, Essentials of Organizational Behavior serves as a popular resource so students can learn and understand the most important concepts in OB. With updated research and the integration of contemporary global issues, the 14th Edition focuses on the most relevant OB concepts that resonate with students. MyLab™ Management not included. Students, if

MyLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyLab should only be purchased when required by an instructor. Instructors, contact your Pearson rep for more information. MyLab Management is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn,

test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Make better decisions -

every day, everywhere!  
Decide and Conquer, Second Edition brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify complex decisions without oversimplifying them and much more. Renowned

management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand – and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer – and what it means for your decision-making Overcoming the familiarity bias,

adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles Decide and Conquer, Second Edition covers everything from goal-setting and risk-taking to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve

every decision you make – about your relationships, career, finances, everything!

### **OB: THE ESSENTIALS**

Emerald Group Publishing Organisational Behavior by Fred Luthans was one of the first mainstream organisational behavior texts on the market and continues the tradition of being the most current and up-to-date researched text today. Well-known author Fred Luthans is the 5th most prolific Publisher in Academy of Management

Journals and a senior research scientist with the Gallup Organization, who continues to do research in the organisational behavior area. The Twelfth Edition of Organisational Behavior is ideal for instructors who take a research-based and conceptual approach to their OB course.

Essentials of organizational behavior/ Stephen P. Robbins

Pearson Higher Ed  
A less-expensive grayscale paperback version is available.

Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment.

Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on

Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad

business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present

a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

**Organizational Behavior** Organizational Behavior  
 Robbins: Leading the way in OB Organisational Behaviour shows managers how to apply the concepts and practices of modern

organisational behaviour in a competitive, dynamic business world. Written and researched by industry-respected authors, this continues to be Australia's most popular text for introductory courses in organisational behaviour. A new suite of learning and teaching resources that will excite future managers and inspire critical thinking, accompanies the text.

## **INTRODUCTION TO ORGANISATIONAL**

## **BEHAVIOUR**

Pearson Education  
Ideal for anyone studying an introductory module in organisational behaviour, Introduction to Organisational Behaviour is a rigorous critique of all essential organisational behaviour topics. A comprehensive book with extensive accompanying online resources makes this a must-have package for anyone wanting to understand the theory and practice of organisational behaviour. Practitioner case studies,

supporting video interviews where solutions and approaches are discussed, review questions at the end of every chapter make this an essential resource. Covering organisational behaviour in the context of individuals, groups and teams and managing organisations as well as the importance of organisational structures and emerging issues, Introduction to Organisational Behaviour gives understanding and guidance on the full spectrum of

organisational behaviour issues. Supported by extensive online resources including video interviews, clips of key skills lecture slides, additional tutorial activities and a test bank of multiple choice questions make this a truly integrated print and electronic learning package.

*Organizational Behavior, eBook, Updated 18e, Global Edition* Prentice Hall

For undergraduate and graduate courses in Organizational Behavior.

Captivate the class with a clear writing style, cutting-edge content, and compelling pedagogy. Robbins/Judge provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for students.

**Organizational Behavior** Kogan Page Publishers

In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares

even more proven principles for handling virtually every management challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead

effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others. *Organizational Behavior, Student Value Edition* Routledge  
Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organisational Behaviour text, OB: The Essentials is an applied and focused text that will

help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books - this is not merely a subset of material from Robbin's Organisational Behaviour text; it was written from

the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business

operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically

about what they have just learnt.

## **ORGANISATIONAL BEHAVIOUR**

Pearson

This book presents a step-by-step process aimed at helping you create the most successful business possible in the 21st century competitive landscape, empowering corporate citizenship professionals to accelerate their credibility within their company as an effective contributor who understands their company's strategy and

who creates value.

**Positive Organizational Behavior** Pearson

This book is the first Southern African edition of Stephen P. Robbins's Organizational Behaviour, the best-selling organisational behaviour textbook worldwide.

*Classics of Organization Theory* SAGE Publications

How is practical change work carried out in modern organizations?

And what kind of challenges, tasks and other difficulties are normally encountered as a part of it? In a turbulent

and changing world, organizational culture is often seen as central for sustained competitiveness.

Organizations are faced with increased demands for change but these are often so challenging that they meet heavy resistance and fizzle out. Changing Organizational Culture encourages the development of a reflexive approach to organizational change, providing insights as to why it may be difficult to maintain momentum in change processes. Based

around an illuminating case study of a cultural change programme, the book provides 15 lessons on the entire change journey; from analysis and design, to implementation and how organizational members should approach change projects. This enhanced edition considers the most recent studies on organizational change practice, with new examples from businesses and the public sector, and includes one empirical study which uses the authors' own framework, enriching their practical

recommendations. It also draws on the latest theoretical developments, including ideas of power and storytelling.

Accompanying the text is an online pedagogic and research ideas guide available for course instructors and lecturers at Routledge.com.

Changing Organizational Culture will be vital reading for students, researchers and practitioners working in organizational studies, change management and HRM.

### **Organizational**

**Behaviour** Prentice Hall This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

**Organizational Behavior 12Th Ed.** John Wiley & Sons For undergraduate and graduate courses in organizational behavior. Help students better

understand their behavioral and interpersonal skills Long considered the standard for all organizational behavior textbooks, Organizational Behavior provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for readers. The Updated 18th Edition has been thoroughly revised to reflect the most recent research and business events within the

field of organizational behavior worldwide, while maintaining its hallmark features — a clear writing style, cutting-edge content, and intuitive pedagogy. There's a reason why Robbins's textbooks have educated millions of

students and have been translated into twenty languages — and it's because of a commitment that provides the kind of engaging, cutting-edge material that helps students understand and connect with organizational

behavior.
