A Man Without a CountryDial Press

A Novel Dial Press

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter “A glimpse into the mind of a writer finding his voice.”—The Washington Post “If ever I do write anything of length—good or bad—it will be written with you in mind.” Kurt Vonnegut’s eldest daughter, Edith, was cleaning out her mother’s attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane’s conscientious studying and Kurt’s struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt’s deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple’s marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier’s life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith’s insights and family memories, Love, Kurt is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

Kurt Vonnegut: A Life The Monacelli Press, LLC

From the New York Times bestselling author of Slaughterhouse-Five comes an irresistible novel that combines “clever wit with keen social observation...[and] re-establishes Mr. Vonnegut’s place as the Mark Twain of our times” (Atlanta Journal & Constitution). Here is the adventure of Eugene Debs Hartke. He’s a Vietnam veteran, a jazz pianist, a college professor, and a prognosticator of the apocalypse (and other things Earth-

shattering). But that’s neither here nor there. Because at Tarkington College—where he teaches—the excrement is about to hit the air-conditioning.

And it’s all Eugene’s fault.

A Novel Dial Press

Bob Slocum was living the American dream. He had a beautiful wife, three lovely children, a nice house...and all the mistresses he desired. He had it all -- all, that is, but happiness. Slocum was discontent. Inevitably, inexorably, his discontent deteriorated into desolation until...something happened. Something Happened is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum's brain -- recording what is going on at the office, as well as his fantasies and memories that complete the story of his life. The result is a novel as original and memorable as his Catch-22.

Hocus Pocus Seven Stories Press

A Man Without a Country is an essay collection published in 2005 by the author Kurt Vonnegut. The extremely short essays that make up this book deal with topics ranging from the importance of humor, to problems with modern technology, to Vonnegut's opinions on the differences between men and women. Most prevalent in the text, however, are those essays that elucidate Vonnegut's opinions on politics, and the issues in modern American society, often from a decidedly humanistic perspective. In January 2007, Vonnegut indicated that he intended this to be his final work, a statement that proved to be correct with his death in April 2007. Later published works of Vonnegut's were all published posthumously, and consisted almost entirely of previously unpublished material from early in his career.

God Bless You, Dr. Kevorkian Dial Press

A collection of commencement speeches and other wit and wisdom from the New York Times-bestselling literary icon and author of Slaughterhouse-Five. Master storyteller and satirist Kurt Vonnegut was one of the most in-demand commencement speakers of his time. For each occasion, Vonnegut’s words were unflinchingly insightful and witty, and they stayed with audience members long after graduation. This expanded second edition also includes more than sixty pages of further thoughts from Vonnegut (whose good advice wasn’t limited to graduation speeches). Edited by Dan Wakefield, and including such pieces as “How to Make Money and Find Love!,” “How to Have Something Most Billionaires Don’t,” and “Somebody Should Have Told Me Not to Join a Fraternity,” this book reads like a narrative in the unique voice that made Vonnegut a hero to readers everywhere. Hilarious, razor-sharp, freewheeling, and at times deeply serious, these reflections are ideal not just for graduates but for anyone undergoing what Vonnegut would call their “long-delayed puberty ceremony”—marking the long and challenging passage to full-time adulthood. “Like Mark Twain, Mr. Vonnegut used humor to tackle the basic questions of human existence.” —The New York Times

From a Notebook BoD - Books on Demand

A New York Times Notable Book for 2011 A Washington Post Notable Nonfiction Book for 2011 The first authoritative biography of Kurt Vonnegut Jr., a

writer who changed the conversation of American literature. In 2006, Charles Shields reached out to Kurt Vonnegut in a letter, asking for his endorsement for a planned biography. The first response was no ("A most respectful demurring by me for the excellent writer Charles J. Shields, who offered to be my biographer"). Unwilling to take no for an answer, propelled by a passion for his subject, and already deep into his research, Shields wrote again and this time, to his delight, the answer came back: "O.K." For the next year—a year that ended up being Vonnegut's last—Shields had access to Vonnegut and his letters. And *So It Goes* is the culmination of five years of research and writing—the first-ever biography of the life of Kurt Vonnegut. Vonnegut resonates with readers of all generations from the baby boomers who grew up with him to high-school and college students who are discovering his work for the first time. Vonnegut's concise collection of personal essays, *Man Without a Country*, published in 2006, spent fifteen weeks on the New York Times bestseller list and has sold more than 300,000 copies to date. The twenty-first century has seen interest in and scholarship about Vonnegut's works grow even stronger, and this is the first book to examine in full the life of one of the most influential iconoclasts of his time.

A Novel Penguin

Comic riffs and diatribes on the America of G.W. Bush from the author of *Slaughterhouse 5*

IF THIS ISN'T NICE, WHAT IS?

Dial Press

From Slapstick's "Turkey Farm" to *Slaughterhouse-Five's* eternity in a Tralfamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In *God Bless You, Dr. Kevorkian*, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd "interviews," Vonnegut trips down "the blue tunnel to the pearly gates" in the guise of a roving reporter for public radio, conducting interviews: with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut's personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City's public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, *God Bless You, Dr. Kevorkian* remains a joy.

Those who know Kurt Vonnegut as one of America's most beloved and influential writers will be surprised and delighted to discover that he was also a gifted graphic artist. This book brings together the finest examples of his funny, strange, and moving drawings in an inexpensive, beautifully produced gift volume for every Vonnegut fan. Kurt Vonnegut's daughter Nanette introduces this volume of his never before published drawings with an intimate remembrance of her father. Vonnegut always drew, and many of his novels contain sketches. *Breakfast of Champions* (1973) included many felt-tip pen drawings, and he had a show in 1983 of his drawings at New York's Margo Feiden Gallery, but really got going in the early 1990s when he became acquainted with the screenprinter Joe Petro III, who became his partner in making his colorful drawings available as silkscreens. With a touch of cubism, mixed with a Paul Klee gift for caricature, a Calder-like ability to balance color and line, and more than a touch of sixties psychedelic sensibility, Vonnegut's aesthetic is as idiosyncratic and defiant of tradition as his books. While writing came to be more onerous in his later years, making art became his joyful primary activity, and he made drawings up until his death in 2007. This volume, and a planned touring exhibition of the drawings, will introduce Vonnegut's legion of fans to an entirely new side of his irrepressible creative personality.

The Man Without a Country Dial Press Trade Paperback

A Man Without A Country is Kurt Vonnegut's hilariously funny and razor-sharp look at life, art, politics, himself and the condition of the soul of America today. Written over the last five years in the form of a loose memoir, with the examples of Mark Twain, Jesus Christ, Abraham Lincoln, and a saintly doctor named Ignaz Semmelweis powerfully in mind, *A Man without a Country* is an intimate and tender communication from one individual to his fellow humans - sometimes kidding, at other times despairing, always searching. It is illustrated throughout with Vonnegut's trademark artwork.

The Graduation Speeches and Other Words to Live By Dial Press Trade Paperback

The Man Without A Country - And Other Tales is an unchanged, high-quality reprint of the original edition of 1888. "Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—*Time* *Mother Night* is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—*Cincinnati Enquirer* "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—*Commonweal*

[South and West](#) Seven Stories Press

A New York Times/PBS NewsHour Book Club Pick From award-winning memoirist and critic, and bestselling author of *The Lost*: a deeply moving tale of a father and son's transformative journey in reading--and reliving--Homer's epic masterpiece. When eighty-one-year-old Jay Mendelsohn decides to enroll in the undergraduate *Odyssey* seminar his son teaches at Bard College, the two find themselves on an adventure as profoundly emotional as it

is intellectual. For Jay, a retired research scientist who sees the world through a mathematician's unforgiving eyes, this return to the classroom is his "one last chance" to learn the great literature he'd neglected in his youth--and, even more, a final opportunity to more fully understand his son, a writer and classicist. But through the sometimes uncomfortable months that the two men explore Homer's great work together--first in the classroom, where Jay persistently challenges his son's interpretations, and then during a surprise-filled Mediterranean journey retracing Odysseus's famous voyages--it becomes clear that Daniel has much to learn, too: Jay's responses to both the text and the travels gradually uncover long-buried secrets that allow the son to understand his difficult father at last. As this intricately woven memoir builds to its wrenching climax, Mendelsohn's narrative comes to echo the *Odyssey* itself, with its timeless themes of deception and recognition, marriage and children, the pleasures of travel and the meaning of home. Rich with literary and emotional insight, *An Odyssey* is a renowned author-scholar's most triumphant entwining yet of personal narrative and literary exploration. Named a Best Book of 2017 by NPR, *Library Journal*, *The Christian Science Monitor*, and *Newsday* A Kirkus Best Memoir of 2017 Shortlisted for the 2017 Baillie Gifford Prize

A double volume of the influential author's first and last written works includes the bitter satire "Basic Training" and the unfinished final novel, "If God Were Alive Today."

Armageddon in Retrospect University Alabama Press

NEW YORK TIMES BESTSELLER • "For all those who have lived with Vonnegut in their imaginations . . . this is what he is like in person."—*USA Today* In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age-or any age--holds forth on life, art, sex, politics, and the state of America's soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut's passions. Praise for *A Man Without a Country* "[This] may be as close as Vonnegut ever comes to a memoir."—*Los Angeles Times* "Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut's] crankiness is good-humored and sharp-witted. . . . [Reading *A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend."—*The New York Times Book Review* "Filled with [Vonnegut's] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity."—*Chicago Tribune* "Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity."—*The Australian* "Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family's legacy and his obstinate, unfashionable humanism."—*Studs Terkel*

Breakfast of Champions Bloomsbury UK

A Man Without a Country is Kurt Vonnegut's hilariously funny and razor-sharp look at life ("If I die—God forbid—I would like to go to heaven to ask somebody in charge up there, 'Hey, what was the good news and what was the bad news?"), art ("To practice any art, no matter how well or badly, is a way to make your soul grow. So do it."), politics ("I asked former Yankees pitcher Jim Bouton what he thought of our great victory over Iraq and he said, 'Mohammed Ali versus Mr. Rogers.'"), and the condition of the soul of America today ("What has happened to us?"). Based on short essays and speeches composed over the last five years and plentifully illustrated with artwork by the author throughout, *A Man Without a Country* gives us Vonnegut both speaking out with indignation and writing tenderly to his fellow Americans, sometimes joking, at other times hopeless, always searching.

A MAN WITHOUT A COUNTRY

Random House

"A rich, generous book about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight."—*Gail Godwin*, *New York Times* bestselling author Here is an entirely new side of Kurt Vonnegut, Vonnegut as a teacher of writing. Of course he's given us glimpses before, with aphorisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result. Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. "Part homage, part memoir, and a 100% guide to making art with words, *Pity the Reader: On Writing with Style* is a simply mesmerizing book, and I cannot recommend it highly enough!"—*Andre Dubus III*, #1 *New York Times* bestselling author "The blend of memory, fact, keen observation, spellbinding descriptiveness and zany characters that populated Vonnegut's work is on full display here."—*James McBride*, National Book Award-winning author

Summary of a Man Without a Country by Kurt Vonnegut Graphic Arts Books

NATIONAL BESTSELLER • "One of contemporary literature's most revered essayists revives her raw records from a 1970s road trip across the American southwest ... her acute observations of the country's culture and history feel particularly resonant today." —*Harper's Bazaar* *Joan Didion*, the bestselling, award-winning author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean*, has always kept notebooks—of overheard dialogue, interviews, drafts of essays, copies of articles. Here are two extended excerpts from notebooks she kept in the 1970s; read together, they form a piercing view of the American political and cultural landscape. "Notes on the South" traces a road trip that she and her husband, John Gregory Dunne, took through Louisiana, Mississippi, and Alabama. Her acute observations about the small towns they pass through, her interviews with local figures, and their preoccupation with race, class, and heritage suggest a South largely unchanged today. "California Notes" began as an assignment

from Rolling Stone on the Patty Hearst trial. Though Didion never wrote the piece, the time she spent watching the trial in San Francisco triggered

thoughts about the West and her own upbringing in Sacramento. Here we not only see Didion's signature irony and imagination in play, we're also granted an illuminating glimpse into her mind and process.
