What the much-admired Blue Note: The Album Cover Art and Blue Note 2 did for jazz, In the Groove does for the sounds of the '40s and '50s, when swing and bebop took off. Selected for their noteworthy design and wonderful illustrations, these visual stunners range from jazz to popular tunes to classical and Latin styles. But it's the lounge vibe that truly runs wild as we tour more than 300 sensational album covers, including seldom-seen issues from Decca, Blue Note, and other labels. A brief text explains what design was like before the photograph took over and how the invention of the LP changed the record business forever. Author Eric Kohler also introduces the stand-out

designers and key labels of the period. Cole Porter, Louis Armstrong, Bing Crosby, Billie Holiday, Frank Sinatra, Desi Arnaz, Carmen Miranda their best album covers are all here, and they're all sizzlin' in the heyday of hip. Easy on the eyes, In the Groove is the real thing: the great covers created by the great designers for the musical greats of yesteryear.

A New Pocket Dictionary of the English & German Languages
Editorial Limusa

This is the 5th edition of an annotated legal dictionary with definitions taken from codes, case law, statutes, legal writing and opinions of attorneys general. It explains Spanish and Latin American law in English and American law in Spanish. This book is intended for anyone interested in the law where Spanish and English converge. Apart from undergoing a general editorial review, the 5th edition has been considerably expanded, with both short and long definitions. Entirely new fields are included, e.g., aviation law, maritime law, e-commerce law, and the law of

security interests.

Control interno y fraudes Ediciones Díaz de Santos

Este diccionario es la guía ideal para estudiantes tanto de nivel escolar como universitario. Muy completo y actualizado, define todos los términos y conceptos habitualmente utilizados en física. Con 4.000 entradas y más de 200 dibujos y esquemas, contiene términos clave del campo de las matemáticas, la astrofísica, la metalurgia, la electrónica y la química física, así como voces actualizadas de física de las partículas, cosmología, física de bajas temperaturas, nanotecnología e informática. Incorpora también nuevas entradas, como las correspondientes al campo de higgs, el principio antrópico, los nanotubos y la condensación Bose-Einstein. Incluye un vocabulario inglés-español.

Ingles-Espanol/Spanish-English University of Oklahoma Press

This new dictionary provides a ready reference to essential terms and phrases used in all areas of law and business, including accounting, banking, civil law, civil procedure, contracts, corporate law, criminal law, criminal procedure, economics, intellectual property, labor law, real property, secured transactions, securities law, and torts. Written by an American attorney who is also an accredited translator, it provides complete coverage of terminology used in all Spanish-speaking countries, not just those countries where the other bilingual dictionaries on the market were written (i.e., Spain and Argentina). Accordingly, it is the only source for translations of terms that are unique to countries such as Colombia, Peru and Venezuela. The dictionary was thoroughly researched using original documents and monolingual dictionaries from the Spanish-speaking various countries and is thus authoritative and

up-to-date. No lawyer or translator who works with Spanish legal and business documents can afford to be without it.

Esta tercera edición de Control interno y fraudes se complementó con los cambios que rigen a partir del 15 de diciembre de 2014 relacionados con adiciones y principios fundamentales al COSO I o Marco Estructurado de Control Interno (Versión 2013) para lograr una mejor implementación de controles y riesgos, así como su debida evaluación, y en especial relacionado con la presentación de informes no solo financieros sino de cualquier índole en las empresas o denominados “no financieros”.

Teniendo en cuenta los nuevos enfoques de Gobierno Corporativo, Controles y Riesgos, se reestructuraron algunos capítulos, y se actualizaron aspectos básicos de identificación de riesgos y su proceso de evaluación con el fin de mitigar los efectos de los diferentes riesgos relacionados con la aplicación y cumplimiento de los objetivos fundamentales de una empresa

(estratégicos, operativos y de cumplimiento de leyes y regulaciones). Siendo el riesgo de fraude uno de los aspectos que viene afectando a las organizaciones de manera creciente se presenta un “manual sencillo de evaluación y prevención de fraudes”, también se incluyen talleres de detección de riesgos que ayudan a lograr una evaluación y análisis de los mismos.

THE FORMATION OF LATIN AMERICAN NATIONS

McGraw-Hill Companies

For more than sixty years, The University of Chicago Spanish-English Dictionary has set the standard for concise bilingual dictionaries. Now thoroughly revised to reflect the most current vocabulary and usage in both languages, this dictionary enables users to find the precise equivalents of the words and phrases they seek. Completely bilingual, the dictionary focuses on two contemporary international languages, American English and a worldwide Spanish rooted in both Latin American and Iberian sources. The sixth edition has been updated with six thousand new words and meanings selected for their frequency of use, rising popularity, and situational necessity. In order to best represent the dynamic and increasingly connected cultures of three continents, this edition features enhanced coverage of the vocabulary associated with four areas of increasing global importance: medicine, business, digital technology, and sports. Clear, precise, and easy to use, The University of Chicago Spanish-English Dictionary continues to serve as the essential reference for students, travelers, businesspeople, and everyone interested in building their linguistic proficiency in both Spanish and English.

Dictionaries, Encyclopedias, and Other Word-related Books, 1966-1974 Pergamon

Más de 15.000 términos ingleses y 14.000 españoles. Una clara explicación en español del significado de los términos ingleses, accesible tanto a los profesionales como a los usuarios con una formación más básica. Familias de términos que agrupan aquellos con una raíz común generadora de múltiples voces, tales como amplificador, ordenador, radar. Muchas voces modernas, en especial del campo de la informática, provenientes de un argot anglosajón que se introduce cada día más rápidamente y a las que es preciso darles una traducción que facilite su uso procurando, en lo posible, mantener una mínima degradación lingüística.

EN EL MARCO DE LA HISTORIA

Psychology Press

The first English-Spanish translation dictionary of accounting terms to cover the differences in accounting terminology for Spanish-speaking countries. This bilingual Accounting Dictionary offers not only English-Spanish and Spanish-English translations of accounting terms but also a Spanish-Spanish section correlating the different terms used in major Spanish-speaking countries. The only accounting dictionary to offer such coverage, this useful reference provides accounting practitioners and students with easy, accurate guidance for translating in and among: Argentina * Chile * Colombia * Mexico * Spain * Venezuela. Ideal for translating financial statements, conducting audits, and performing accounting functions in multinational companies, Accounting Dictionary is an essential tool for

allaccountants, financial managers, and students participating in the burgeoning Spanish-speaking market. Order your copy today!

Memoria que presenta al Congreso de ... el Ministro de Hacienda y Comercio Bogotá, D.E. : Procultura

This pioneering work brings the pre-Columbian and colonial history of Latin America home: rather than starting out in Spain and following Columbus and the conquistadores as they “discover” New World peoples, The Formation of Latin American Nations begins with the Mesoamerican and South American nations as they were before the advent of European colonialism—and only then moves on to the sixteenth-century Spanish arrival and its impact. To form a clearer picture of precolonial Latin America, Thomas Ward reads between the lines in the “Chronicles of the Indies,” filling in the blanks with information derived from archaeology, anthropology, genetics, and common-sense logic. Although he finds fascinating points of comparison among the K’iche’ Maya in Central America, the politics (señoríos) of Colombia, and the Chimú of the northern Peruvian coast, Ward focuses on two of the best-known peoples: the Nahuatl (Aztec) of Central Mexico and the Inka of the Andes. His study privileges indigenous-identified authors such as Diego Muñoz Camargo, Fernando de Alva Ixtlilxóchitl, Inca Garcilaso de

la Vega, and Felipe Guaman Poma de Ayala while it also consults Spanish chroniclers like Hernán Cortés, Bernal Díaz del Castillo, Pedro Cieza de León, and Bartolomé de las Casas. The nation-forming processes that Ward theorizes feature two forms of cultural appropriation: the horizontal, in which nations appropriate people and customs from adjacent cultures, and the vertical, in which nations dig into their own past to fortify their concept of exceptionality. In defining these processes, Ward eschews the most common measure, race, instead opting for the Nahuatl altepetl, the Inka panaka, and the K’iche’ amaq’. His work thus approaches the nation both as the indigenous people conceptualized it and with terminology that would have been familiar to them before and after contact with the Spanish. The result is a truly decolonial account of the formation and organization of Latin American nations, one that puts the indigenous perspective at its center.

The new pocket dictionary, of the english and spanish languages, carefully compiled from the most approved english and spanish dictionaries. By C. M. Gattel, professor of general grammar.

English and spanish Chronicle Books

A dictionary of computer technology and information science lists hundreds of terms in English with their Spanish equivalents and includes definitions.

SPANISH-ENGLISH DICTIONARY OF LAW AND BUSINESS

FC Editorial

Este diccionario que engloba unas 83.000 entradas, casi 10.000 abreviaturas y unas 6.000 definiciones y aclaraciones, es el resultado de la experiencia recopilada durante los últimos 20

años en la traducción técnica especializada en la materia y de la consulta de las principales obras aparecidas recientemente en el mercado sobre estos temas, así como de la explicación y resolución de muchas dudas por ingenieros, expertos y aplicadores de técnicas y sistemas del sector. Está destinado a técnicos, expertos, traductores profesionales, y en general, a toda persona que se relacione con la informática, la electrónica o las telecomunicaciones utilizando ambos idiomas. El diccionario justifica su carácter politécnico porque se han añadido numerosos términos de ramos afines y especializados, como por ejemplo telefonía, electromedicina, telegrafía, sistemas de armas, radiactividad, informática, termoelectricidad, radiodifusión, nucleónica, láser, televisión, electricidad, técnicas de detección, magnetismo, espectrografía, etc.

English-Spanish, Spanish-English, Spanish-Spanish John Wiley & Sons

Presents the essential vocabulary of modern English and Spanish business for bankers, businessmen or government agencies.

Legal economic terms relating to business are included, but local words and those of very limited use are excluded along with the obvious.

This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficulty accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.
