The chapters that follow were intended to be read by preachers - specifically calling for Christian preachers to pray more. It is written by the American author, attorney, and member of the Methodist Episcopal Church South clergy - Edward McKendree Bounds. Bounds' beliefs of the importance of prayers for preachers are best summed up in the following excerpt: "The sermon cannot rise in its life-giving forces above the man. Dead men give out dead sermons, and dead sermons kill. Everything depends on the spiritual character of the preacher."

A classic in the field of Christian counseling, *Competent to Counsel* is one of the first works to fully articulate a vision of "nouthetic" counseling—a strictly biblical approach to behavioral counseling and therapy. Dr. Jay Adams defends the idea that the Bible itself, as God's Word, provides all the principles needed for understanding and engaging in holistic counseling. Using biblically directed discussion, nouthetic counseling works by means of the Holy Spirit to bring about change—both immediate and long-term—in the personality and behavior of the counselee. As he points out in his introduction, "I have been engrossed in the project of developing biblical counseling and have uncovered what I consider to be a number of important scriptural principles. . . There have been dramatic results. . . Not only have people's immediate problems been resolved, but there have also been solutions to all sorts of long-term problems as well." *Competent to Counsel* has helped thousands of pastors, students, laypersons, and Christian counselors develop: A general approach to (and theology of) Christian counseling. Specific, practical responses to particular problems useful for teaching, study, and personal application. Since its first publication in 1970, this book has gone through over thirty printings. It establishes the basis for and an introduction to a counseling approach that is being used in pastors' studies, in counseling centers, and across dining room tables throughout the country and around the world.

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but

an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

It can seem as though today's culture encourages weakness, not strength. And this attitude has crept into the church: Don't take a strong position of faith. Don't take a strong view of evangelism. Don't maintain strong moral values. Yet God's people are called to be soldiers, and to fight for His cause and kingdom. Based on the book of Joshua, *Be Strong* is an inspiring guide to pursuing a victorious life. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, *Be Strong* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for strong, dedicated believers. You'll discover how to dodge defeat, pursue your purpose, and take hold of all God has in store for you.

Does the church use words that have lost their meaning? Are there Christian words and phrases that have lost their power to convict the human spirit and bring transformation to the world? One of the twentieth century's most renowned prophetic thinkers, A.W. Tozer, saw a dangerous trend gaining momentum even before his death—a trend that has become commonplace now in the twenty-first century. In this never-before-published book, Tozer sounds his alarm for the modern church: We must stop parroting words carelessly and instead allow the meaning that these words convey to empower, shape, and direct the work of the church. Yet *Reclaiming Christianity* is not just a warning; it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity's sacred messages.

THE CONVICTION TO LEAD

Mango Media Inc.

What is a life of radical discipleship? At the root, it means we let Jesus set the agenda of our lives. We aren't selective. We don't pick and choose what is congenial and stay away from what is costly. No. He is Lord of all of life. In the last book by the leading evangelical churchman of the twentieth century, John Stott opens up what it means to truly be a follower of Jesus. In a refreshing and accessible style, he explores eight aspects of Christian discipleship which are too often neglected and yet deserve to be taken seriously: non-conformity, Christ-likeness, maturity, creation-care, simplicity, balance, dependence and death. Here, including the last public sermon he ever preached, Stott offers wisdom gained from a lifetime of consistent Christian commitment. In addition, he poignantly reflects on his last years of life and ministry. The message is simple, classic and personal: Jesus is Lord. He calls. We follow.
