INTEGRATED AGRO-INDUSTRIAL PARKS (IAIP s) IN ETHIOPIA
The plan to establish agro-industrial parks in DRC is based on a development model that the World Bank has been promoting in Africa in recent years by encouraging growth poles, development corridors and special

economic zones as instruments to attract foreign investment. In DRC, the World Bank is officially responsible for the agro-industrial parks strategy.
The World Bank is driving a failed strategy in the DRC
Developing an agro-eco-industrial estate begins by using the basic strategies of eco-industrial parks regarding site selection and development, building standards, infrastructure, and management. The opportunity for profitable by-product flows between tenants is particularly high with the biomass, energy, and water intensive companies in food processing.
