NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Kidnapped McGraw Hill Professional

THE NEW YORK TIMES BESTSELLER “My favorite kind of whodunit, kept me guessing all the way through, and reminiscent of Agatha Christie at her best -- with an extra dose of acid.” -- Alex Michaelides, author of the #1 New York Times bestseller *The Silent Patient* Everyone's invited...everyone's a suspect... During the languid days of the Christmas break, a group of thirtysomething friends from Oxford meet to welcome in the New Year together, a tradition they began as students ten years ago. For this vacation, they've chosen an idyllic and isolated estate in the Scottish Highlands—the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery, champagne in front of a crackling fire, and reminiscences about the past. But after a decade, the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve, the cord holding them together snaps, just as a historic blizzard seals the lodge off from the outside world. Two days later, on New Year's Day, one of them is dead. . . and another of them did it. Keep your friends close, the old adage says. But how close is too close? DON'T BE LEFT

OUT. JOIN THE PARTY NOW.

Express Series English for Aviation Oxford University Press, USA

The success of any space flight mission depends not only on advanced technology but also on the health and well-being of crew members. This book, written by an astronaut physician, is the first practical guide to maintaining crew members health in space. It combines research results with practical advice on such problems as bone loss, kidney stones, muscle wasting, motion sickness, loss of balance, orthostatic intolerance, weight loss, and excessive radiation exposure. Additional topics include pre-flight preparation, relevant gender differences, long-duration medical planning, post-flight rehabilitation, and the physiology of extra-vehicular activity. Designed as a handbook for space crews, this text is also an invaluable tool for all the engineers, medical personnel, and scientists who plan and execute space missions.

"Feels like a blockbuster movie."—Lisa Jewell, #1 New York Times bestselling author of *Then She Was Gone* "Mackintosh is a pro...the final scene in the book almost made me sick as I read it. I mean that as a compliment of the highest order."—The New York Times You can save hundreds of lives. Or the one that matters most... From New York Times bestselling author Clare Mackintosh comes a claustrophobic thriller set over 20 hours on-board the inaugural nonstop flight from London to Sydney. Mina is trying to focus on her job as a flight attendant, not the problems with her five-year-old daughter back home, or the fissures in her marriage. But the plane has barely taken off when Mina receives a chilling note from an anonymous passenger, someone intent on

ensuring the plane never reaches its destination: "The following instructions will save your daughter's life..." Someone needs Mina's assistance and knows exactly how to make her comply. When one passenger is killed and then another, Mina knows she must act. But which lives does she save: Her passengers...or her own daughter and husband who are in grave distress back at home? It's twenty hours to landing. A lot can happen in twenty hours. For fans of the locked-room mystery of *One by One* and the heart-stopping tension *The Last Flight*, *Hostage* is an explosively addictive thriller about one flight attendant and the agonizing decision that will change her life—and the lives of everyone on-board—forever. Praise for *Hostage*: "A banger of a book with a truly agonizing 'what would you do?'" —Ruth Ware, #1 New York Times bestselling author of *One by One* "Hypnotically good. Should be a hit, could be a classic..." —Lee Child, #1 New York Times bestselling author of the Jack Reacher series "Fiendishly clever." —Lisa Gardner, #1 New York Times bestselling author of *Before She Disappeared* "A propulsive read." —Karin Slaughter, New York Times bestselling author of *The Silent Wife* "A nail-biter of a thriller." —Shari Lapena, New York Times bestselling author of *The Couple Next Door*

Fairy Haven's newest arrival, Prilla, along with Rani and Vidia, embarks on a journey filled with danger, sacrifice, and adventure. The fate of Never Land rests on their shoulders.

The Daily Show (The Book) Oxford University Press, USA

This book provides an authoritative and practical guide to the assessment, management, treatment and care of pilots and other professional groups within aviation; covering a range of relevant topics, for health and human resources practitioners working in the airline industry. Pilot mental health has, hitherto, been regarded as a specialist topic in aviation medicine. Consequently, practitioners and researchers alike have been forced to consult specialist journals or seek out a relevant chapter on this topic in a general textbook to develop or update their understanding of the relevant issues. This book seeks to remedy this situation by gathering together all of the relevant insights into a single authoritative source gathered from the leading specialists in the field. It aims to cover all of the main relevant issues including the assessment, care, management and treatment of mental health problems, as well as the prevention of mental health problems among this occupational group.

Being: Memoirs of the Adventures of David Balfour in the Year 1751 New York : Macmillan

"There are two things that men should never weary of, goodness and humility; we get none too much of them in this rough world among cold, proud people. - Robert Louis Stevenson, *Kidnapped*

Kidnapped (1886) by Robert Louis Stevenson is a coming-of-age novel that recounts the adventures of a teenager named David Balfour during the Jacobite Rebellions in 18th century Scotland. Following his father's death, David reaches out to an uncle, who betrays his nephew and sells him to a slave-trader headed for America. David's rescue from the slave ship by a Jacobite refugee starts David on a series of adventures that ensure his passage into manhood.
