Financial Accounting IFRS Principles 4e is an accessible textbook which assumes a basic knowledge of financial accounting, and then helps readers understand and apply the accounting standards collectively known as International Financial Reporting Standards (IFRS). The emphasis is on thorough understanding of the principles which underpin financial accounting and practical application. The book excels in its concepts-based approach and sound pedagogy.

Assurance, Risk and Governance Penguin Random House South Africa

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Auditing Fundamentals in a South African Context Taylor & Francis

Auditing Fundamentals in a South African Context 2e is a practical, applied, and engaging introductory textbook that supports students throughout the undergraduate level of the Auditing curriculum. The text is designed to enhance learning by supporting holistic understanding: theory is presented within the framework of the real-world business environment, assisting students to apply principles and standards with an understanding of their context. The text offers a clear pedagogical framework, which supports applied learning and develops independent, critical and reflective engagement with the subject matter. A continuing case study, which follows each stage of the audit of a South African company, demonstrates the practical application of learned principles and the integration of the auditing process with a typical audit client's business. The second edition is comprehensively revised to reflect all relevant, recent changes in the requirements of legislation, financial reporting and auditing pronouncements and codes, and addresses the new Code of Professional Conduct which was issued by the SA Institute of Chartered Accountants in the final quarter of 2018. Additional educational resources support teaching and learning, assisting students to develop the academic skills required to master their studies.

The hotly anticipated conclusion to the Royals series begun in the #1 New York Times bestselling novels *Paper Princess* and *Broken Prince*. "This generation's Cruel Intentions." Jennifer L. Armentrout, #1 New York Times Bestselling Author *Twisted Palace* was an awesome conclusion to the Royals trilogy. Readers are in for an absolute treat. I eagerly await the next book from Erin Watt. —New York Times Bestselling Author Samantha Towle "Erin Watt's words are addictive brilliance. If you haven't let these Royals ruin you yet, what are you waiting for?"—USA Today Bestselling Author Meghan March These Royals will ruin you... From mortal enemies to unexpected allies, two teenagers try to protect everything that matters most. Ella Harper has met every

challenge that life has thrown her way. She's tough, resilient, and willing to do whatever it takes to defend the people she loves, but the challenge of a long-lost father and a boyfriend whose life is on the line might be too much for even Ella to overcome. Reed Royal has a quick temper and even faster fists. But his tendency to meet every obstacle with violence has finally caught up with him. If he wants to save himself and the girl he loves, he'll need to rise above his tortured past and tarnished reputation. No one believes Ella can survive the Royals. Everyone is sure Reed will destroy them all. They may be right. With everything and everyone conspiring to keep them apart, Ella and Reed must find a way to beat the law, save their families, and unravel all the secrets in their *Twisted Palace*.

Dynamic Auditing Oxford University Press, USA

Financial Accounting for BBA has been written to meet the requirements of undergraduate students, particularly at the BBA level. This book covers the syllabi of major universities across the country, providing basic knowledge of accounting principles and practices in a systematic manner. The topics have been dealt with in a lucid manner to enable better understanding, especially for those students who do not have an accounting background. The text is examination-oriented and is supplemented with relevant solved illustrations for all the topics.

WHERE ARE YOU FROM?

The bestselling book on intermediate accounting, Kieso is an excellent reference for practicing accountants and an invaluable resource for anyone entering the field. They'll learn how to leverage everyday accounting programs like Excel, GLS, and other computerized accounting software giving them a strong background in the tools needed in the accounting profession. *Intermediate Accounting 14th Edition* is the market leader in providing the tools needed to understand what GAAP is and how it is applied in practice. Through many editions, this textbook has continued to reflect the constant changes taking place in the GAAP environment. This edition continues this tradition, which has become even more significant as the financial reporting environment is exploding with major change. There are three areas of major importance that are now incorporated extensively into the text: New way of looking at GAAP, Convergence of U.S. GAAP and IFRS, and Fair Value Movement. The core of Kieso's value statement continues to be authoritativeness and preparation for the profession (CPA exam). New to This Edition: Expanded and Updated Coverage of IFRS: Some of this new content has been adapted from the recently published *Intermediate Accounting, IFRS Accounting*. In addition, readers will benefit from new end-of-chapter content and assignments specifically related to IFRS. Critical Thinking and Conceptual Understanding: Building on traditional strengths from previous editions, the new edition includes new Accounting, Analysis, and Principles review exercises to help reinforce these three important elements from each chapter. Updated Real-world Focus: Contains many new chapter-opening stories and "What Do the Numbers Mean?" boxes. Such applications join theory and practice, and demonstrate the use of accounting in today's business world. Professional Simulations: This edition includes updated professional simulations that model the latest version of the computerized CPA exam.

Economic and Management Sciences, Grade 9 Penguin Random House South Africa

Your guide to becoming financially savvy quickly and successfully! The Savvy Investor's Pocket Guide is a self-improvement guide that provides ordinary people with the tools that will enable them to become financially savvy quickly and successfully. Identifying the common mistakes people make when dealing with their finances, the guide sets out how to rectify them. It also highlights how one can achieve financial independence by cutting back on some expenses, like luxury cars, and the benefits of starting to save as early as possible. The book also explains in easy-to-understand terms how to draw up and stick to a budget; make shrewd investments in various investment vehicles; consolidate and eliminate debt; draw up a will; get the most out of short-term and life insurance; and save enough money to retire. The Savvy Investor's Pocket Guide serves as a wake-up call to stop wasting money and start investing for a financially secure future. A must-read for anyone who wants to not only improve their finances, but also their life in general.

You're Not Broke, You're Pre-Rich Tunmike Pages

The publication provides a comprehensive resource for students of assurance practices. It is also a helpful reference for practitioners who want to stay abreast of developments. The book explains the technical functioning of assurance processes using a principles-based approach aligned with the International Standards on Auditing.

Corporation 2020 Penguin Random House South Africa

The book has been written for 'Business Laws' Paper of the BCom (Hons), Semester-I, Examination of the University of Delhi in accordance with its syllabus under Choice Based Credit System. Its contents have been largely extracted from the author's reputed title *Business Law* which has gained tremendous readership over the years. This book presents the subject matter tailor-made as per the revised course structure of the Paper, to enable the students to possess a textbook that caters to their needs in full. The book has been organized into four parts, namely, Law of Contract, Law of Sale of Goods, Law of Limited Liability Partnership, and Law of Information Technology. Key Features • Quotes Indian and English cases at appropriate places with a view to ensure necessary authenticity and clarity on the subject • Includes objective type questions, test questions and practical problems with hints and solutions in each chapter to enable students to evaluate their understanding of the subject • Explains complicated provisions in easily comprehensible language with the help of illustrations and analogies

A Comparison of IFRS Standards and U. S. GAAP: Bridging the Differences John Wiley & Sons

Citizenship, indigenisation, inter-ethnic marriages and youthful exuberance are the core of WHERE ARE YOU FROM?. The novel questions the true meaning of federalism and highlights the frustration and disappointment young Nigerians face in their quest to succeed in a place where there are differences in background. It is an expose on how one can be lost in a country of one

FINANCIAL FREEDOM THROUGH PROPERTY

Lund Humphries Publishers Limited

If you are a millennial who is trying to figure out how money

works, this book is for you. With simple, relatable and sometimes amusing stories about how to manage money on a day-to-day basis, you will learn how to change your mindset about money, get out of debt and stay debt-free, invest your money and, ultimately, live your best life. You're Not Broke, You're Pre-Rich will help you, the young professional, to think differently about money, while covering pertinent topics like black tax, savings, budgeting, emergency funds and financial scams, as well as estate and retirement planning (and why you should care right now!). It is the best class you never attended ... in a book!

TWISTED PALACE

Financial Accounting

A step-by-step, practical guide on how to purchase your first investment property, written in easy-to-understand, conversational language that explains complex concepts simply. Most people believe that property is a great investment, but that in order to get into property you need money, contacts and experience. When you only see the barriers to entry, you tend to give up before you even try. Property investment expert Laurens Boel believes that with the right knowledge anyone can make money in property, regardless of the resources available to them. Financial Freedom Through Property is filled with practical tips, insider secrets and case studies. It explains the risks and rewards of property investing, how to make the right offer on property deals, raise capital, contract the right team, negotiate win-win scenarios, utilise innovative PropTech, find discounted properties and enjoy positive cash flows from day one. It also tells the story of how the author became one of the top property investors in South Africa – after being retrenched and going broke. Financial Freedom Through Property is an inspirational book for those who want to create a better financial future for themselves. You don't need to be a property mogul to make money on the property market – all you need is the willingness and the time to learn how to do it.

Mid-Rise Urban Living Juta and Company Ltd

Investing overseas can be a very intimidating, even scary, subject. Even though many of us would love to invest internationally, we have limited information on how and where to place our money. This book will demystify global investing by providing novice investors with practical guidelines on how to invest overseas while helping them to avoid the inherent pitfalls. Global Investing Made Easy covers all the main aspects that a non-financial person should know before embarking on a global investment journey and will be helpful to investors across the globe. People of all ages and levels of wealth will benefit from the practical, easy-to-understand, jargon-free information required to invest in the international markets, proving that financial freedom is possible for everyone.

The Creature from Jekyll Island Penguin Random House South Africa

Auditing Fundamentals in a South African Context: Graded Questions offers applied question material which supports students learning throughout the undergraduate level of the B.Com, B.Compt, and B.Acc (Accounting) Auditing curriculum. The second edition offers substantially expanded content, providing many additional questions in every area of the curriculum. A real-world focus engages students to apply their knowledge to a range

of interesting and realistic scenarios. The content tests all concepts, from introductory through to advanced level, providing step-by-step guidance to support the development of sound exam question technique. The question levels within each area of the curriculum are varied and structured to ensure that students acquire a broad understanding, effective integration of knowledge, and a thorough mastery of exam technique. Auditing Fundamentals in a South African Context: Graded Questions includes the following features: A unique selection of example questions, with step-by-step exam technique guidance, coaches students to develop independent skills in exam technique, supporting understanding of how solutions should be worked. Multiple authorship of the question book delivers a balanced variation in the question presentation style, effectively offering a selection of styles representative of various respected academic institutions. Selected solutions are provided within the text. Solutions to all questions in the second edition are available to prescribing lecturers on the Oxford University Press Learning Zone website. In addition to the material in this book, the Oxford University Press Learning Zone website offers further assessment resources: For lecturers, a substantial body of new and unseen worked question material, with solutions. For students, automatically-marked, short, formative assessment questions which may be used for independent self-assessment, and which cover the entire scope of the Auditing curriculum. Auditing Fundamentals in a South African Context: Graded Questions is designed to complement the structure and approach of the textbook Auditing Fundamentals in a South African Context, making these ideal companion volumes, whilst also functioning effectively as a stand-alone question book.

BUSINESS LAWS (FOR B.COM. (HONS), SEM-I, UNIVERSITY OF DELHI) - 5TH EDITION

OUP Southern Africa

Financial accounting is the branch of accounting thought and practice concerned with preparing and providing information for external users of financial statements. This textbook helps students to understand the concepts that underpin the application of accounting theory to solve accounting problems. This international edition includes extracts from financial statements, definitions of key terms and exam examples. Unlike other textbooks, the author provides analysis of why accountants do what they do, and not just how. With such a wealth of accounting models and diagrams intertwined with this analysis, this book guides the reader through all the practicalities and concepts of financial accounting. Additional online questions, exercises and problems provide an opportunity to put this new-found knowledge into practice along the way. This book is an essential guide for students new to accountancy, and an equally useful tool for more experienced students and researchers.
