Under Mr. Nolan's Bed (Original) Crown

~*~*~2010 EPIC AWARD FINALIST!~*~*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:“Peep!” The voice shook the room and the startled girl looked up as Mother came in. “Do you know where your sheep are now?”“No, Mother.” The girl looked up from her position, kneeling on the floor, her blue eyes wide. “I penned them before I left, I swear it.”Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes.“You are a pretty little one,” Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. “Sometimes I think you're just playing dumb.”“No, Mother,” Peep implored, shaking her head. “I penned them, I promise you.”“Is that so?” Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access.Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor.“Mother, please,” Peep pleaded. “I will go tend them, if you let me.”Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. “I think we need a little correction, don't you?” Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection.“Please,” Peep pleaded again, her eyes downcast. “I'll be a good girl.”“Yes,” Mother murmured, coming to caress the her cheek with her soft hand. “You will.”Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her

feet, but then the older woman stopped.“No... this is good,” Mother said, tightening the sashes at the girl's ankles, chuckling. “Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them.”Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall.“Peep's little puss,” Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. “I love peeping at Peep's little puss.” Mother giggled, wiggling her fingers through and finding the girl's clit.“Oh, Mother!” Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

Now he has returned, ablaze with a vengeful hunger. He will gain the MacClaren chief's trust, gather his clan, and take back his lands. And take the MacClaren's daughter as well... Though he pulled her from the river, saving her life, Elspeth has been warned to keep her distance from her father's hired warrior. He is a barbarian—a shame, as he is far more compelling than the lechers and fools competing for her dowry. "Lead us not into temptation..." ~Matthew 6:13What happens when you fall in love with your best friend's father? Leah is a good, Catholic girl, and she and Erica have been best friends since their first communion. Sure, Erica's father is handsome and charming, but Leah spends so much time at the Nolan's—just Erica and her famous, photographer father now, since Erica's mother died—that she's practically part of the family. Both girls have led privileged, sheltered lives and are on the "good girl" track at St. Mary Magdalene's Preparatory College, Leah pursuing her love of dance and Erica sating her endless curiosity as editor of the newspaper. Neither of them could have ever imagined that one fateful discovery will not only push the boundaries of their strict, repressive upbringing, but the bonds of their friendship as well. Leah certainly never could have imagined finding herself torn between her best friend and her best friend's father. Sure, Leah's mother had always talked about Mr. Nolan as "a catch," but Leah herself had never thought of him as anything other than just Erica's dad—until the girls discover something darkly erotic under Mr. Nolan's bed, a deep, shameful secret that will not only lead them into temptation, but will deliver them into a far greater revelation than any of them could ever have imagined. If you read the original *Under Mr. Nolan's Bed*, you will find this retelling a richer experience with deeper secrets to reveal—and don't miss *Under Mr. Nolan's Bed: CONFESSION*, the second installment in the three-part series!

Kirstin has never been out of her den before, but now one of her pack is seriously injured—he may even be dying. Desperate to help, she races straight to Middle March, the borderland between

Scotland and England, and falls right into a dangerous trap. As the new laird of his clan, Donal MacFalon has made it clear that he, unlike his brother before him, will honor the wolf pact, an agreement their father made with England's King Henry VII to protect Scotland's wolf shifters, the wulvers, who most believe to be only the stuff of legend. Wulvers, though, are very real. Kirstin knows. She's one of them. When Donal MacFalon turns those steel blue-grey eyes her way, she realizes she's facing something far more dangerous in this man than any trap. This man, already promised to another, has a power over her no man or wulver has ever had before. When he opens his castle and his heart to her, she finds herself willing to risk not only her own heart, but everything she's ever known, just to be with him. Kirstin will find herself caught—between the man she loves and his intended bride, between her pack and a human world frightened of her kind, between nations whose hatred runs deep. Kirstin will be forced to make choices no woman, or wulver, should ever have to make. All for one man, whose love goes beyond borders, nations, or legends, whose heart beats only for her.

What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf:

But she's grown tired over the centuries of delivering romance to everyone else while secretly longing for someone to call her own. The problem is, angels aren't allowed to fall in love. Muriel knows her arrows are only meant for the lucky race of humans, who can experience such delicious emotions as love and lust and passion. Lizzy may think she and Sarah are going to seduce David--but she underestimates their handsome co-worker, and David turns the tables on them both. But will he be able to tame the

untameable Sarah?-----Warnings: This title contains erotic situations, graphic language, BDSM elements (domination, submission) and a sexy menage a trois (MFF threesome) that gives new meaning to the word "sandwich."-----EXCERPT:We found our way to her apartment, which was as familiar to me as home now. Sarah told David to make himself comfortable and we went to change. Her work clothes gave way to a pair of blue sweats and a U of M t-shirt. I noticed she wasn't wearing a bra, and her nipples were still hard from her run through the rain.She offered me her robe while my clothes dried. I was struck with an eerie sense of déjà vu as I slipped on her old terrycloth robe, pale pink and fraying at the edges, the most un-sexy thing I could imagine. I sighed as I tossed my blouse and skirt—which I'd been so sure would entice home some young hottie tonight—into the dryer.Sarah slipped her hands under my robe before I tied it, one hand kneading the sensitive flesh of my belly just above my pubic hair, the other slipping behind me to my lower back. I knew everything I was feeling showed in my eyes because I could see it reflected in her own, and she kissed my eyelids closed and then kissed my mouth, a gentle, tender and reassuring kiss.I breathed a shaky sigh and she spent a moment feathering kisses on the sweet spot on my neck, just below and behind my ear, which she knew made me instantly wet. Her hand on my belly kneaded lower, slipping under the elastic of my panties and through my pubic hair.I heard and felt her breath quicken with my own when she found and parted my pussy lips, slipping two fingers through my slit, one on each side of my already swollen clit. I moaned when she wiggled her fingers and she stopped the sound with her mouth against mine. I wondered at her boldness, and glanced toward the door, which was open, but out of the line of sight of the living room where we'd left David.Her two fingers moved easily—so wet already!—and found the thin and sensitive sheath of skin covering my clit. The sensation was exquisite, her touch practiced and deft. She applied just a small amount of pressure to the tiny bud of flesh, not so much directly on my clit, just allowing that sweet layer of skin to do the work, rubbing it in slow and easy circles with the flat of her fingers.Her hand on my lower back allowed her to guide me, support me, and I let my head fall back, pushing my hips forward to meet her hand. She pushed me back against the wall, making faster circles now, easing me gently upward. She pressed her mouth to my ear so I could feel her breath and I whimpered. My nipples rubbed against the terrycloth as I rocked my hips, and I sighed when she slipped both fingers down and pressed them into me as deeply as she could.“He's got a big, hard cock for you, Lizzie,” she whispered, stretching me open even further with both fingers, and then slowly sliding in a third. My eyes flew open at the sensation and the thought. “Do you want it?”
