Behind the Scenes with Berkshire Hathaway Billionaire Charlie Munger Random House

The best-selling authors of Warren Buffett and the Art of Stock Arbitrage present an in-depth look at the stocks owned by Warren Buffett to explain why he has invested in them, sharing detailed case studies that reveal specific reasons each business has been declared good for long-term investments. 125,000 first printing.

Lassen Sie sich von den Weisheiten der Börsenlegende leiten Columbia University Press Forbidden to make images, fourteen-year-old Tao, the boy with the bad foot, yearns to be a cave painter, recording the figures of the mammals, rhinos, bison, and other animals of his prehistoric times.

The Warren Buffett Stock Portfolio Daniel Pecaut

Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

Inside the Ultimate Money Mind Simon and Schuster

The book is divided into several sections covering Warren Buffett's personal business management: . Managing one's life - focuses on Buffett's insistence on a good education, picking one's heroes early in life, and staying away from things that damage you personally. The authors also discuss Buffett's belief that challenges make life interesting. . Managing One's Career - Buffett

believes that you should work at something that you are passionate about. Do what you like and you will find a way to make money. Do what you hate and you will be miserable even if you are rich. . Managing Employees - place honesty on the same level as intelligence as a managerial attribute. How to keep managers inspired and working hard. . Managing the Business - Buffett has learned that companies that have a durable competitive advantage over their competitors consistently earn more money year after year and are the easiest to manage. . Managing of Personal Money - discover the simple rules that Buffett uses for buying other businesses and how he has incorporated them into his own personal investment style.

The Complete Financial History of Berkshire Hathaway Börsenbuchverlag

Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the fifth-largest public company in the world, valued at nearly \$350 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. My Warren Buffett Bible contains nearly three hundred quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

Warren Buffett Book of Investing Wisdom Harriman House Limited

A detailed look at how Warren Buffett really invests In this engaging new book, author Prem Jain

extracts Warren Buffett's wisdom from his writings, Berkshire Hathaway financial statements, and his letters to shareholders and partners in his partnership firms-thousands of pages written over the last fifty years. Jain uncovers the key elements of Buffett's approach that every investor should be aware of. With Buffett Beyond Value, you'll learn that, contrary to popular belief, Warren Buffett is not a pure value investor, but a unique thinker who combines the principles of both value and growth investing strategies. You'll also discover why understanding CEOs is more important than studying financial metrics; and why you need an appropriate psychological temperament to be a successful investor. Reveals Buffett's multifaceted investment principles Discusses how Buffett thinks differently from others about portfolio diversification, market efficiency, and corporate governance Highlights how you can build a diverse and profitable investment portfolio With this book as your guide, you'll learn how to successfully invest like Warren Buffett.

Damn Right! Simon and Schuster

There are many ways to make money in today's market, but the one strategy that has truly proven itself over the years is value investing. Now, with The Little Book of Value Investing, Christopher Browne shows you how to use this wealth-building strategy to successfully buy bargain stocks around the world.

La sabiduría de un genio Alienta Editorial

Since its hardcover publication in August of 1995, Buffett has appeared on the Wall Street Journal, New York Times, San Francisco Chronicle, Los Angeles Times, Seattle Times, Newsday and Business Week bestseller lists. Starting from scratch, simply by picking stocks and companies for investment, Warren Buffett amassed one of the epochal fortunes of the twentieth century—an astounding net worth of \$10 billion, and counting. His awesome investment record has made him a cult figure popularly known for his seeming contradictions: a billionaire who has a modest lifestyle, a phenomenally successful investor who eschews the revolving-door trading of modern Wall Street,

a brilliant dealmaker who cultivates a homespun aura. Journalist Roger Lowenstein draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the first definitive, inside account of the life and career of this American original. Buffett explains Buffett's investment strategy—a long-term philosophy grounded in buying stock in companies that are undervalued on the market and hanging on until their worth invariably surfaces—and shows how it is a reflection of his inner self.

Buffettology Penguin

Published in 1997, the bestselling BUFFETTOLOGY was tailored to the conditions of investors in the midst of a long bull market. Now, four years later, that market has seen once hot tech stocks crash and investors scramble to move their assets, or what remains of them, back to the safety of traditional blue chip companies. As peaks turn to troughs, worried investors wonder if there are any constants in today's volatile market. The answer is yes: Warren Buffett's value investing strategies make money. And, as THE NEW BUFFETTOLOGY demonstrates, there is no time to acquire like today's bear market. THE NEW BUFFETTOLOGY is the first guide to Warren Buffett's strategy for exploiting down stocks - a strategy that has made him the world's second richest person. Designed to teach investors how to decipher and use financial information like Buffett himself, this one-of-a-kind guide walks readers step-by-step through the equations and formulas Buffett uses to determine what to invest in and, just as importantly, when. Authors Mary Buffett and David Clark explore Buffett's recent investments in detail, proving time and time again that his strategy has earned enormous profits at a time when no one expects them - and with almost zero risk to his capital.

The Buffettology Workbook Simon and Schuster

Praise for Damn Right! From the author of the bestselling WARREN BUFFETT SPEAKS. . . "Charlie Munger, whose reputation is deep and wide, based on an extraordinary record of brilliantly successful business strategies, sees things that others don't. There is a method to his mastery and, through this book, we get a chance to learn about this rare individual." -MICHAEL EISNER, Chairman and CEO, The Walt Disney Company "Janet Lowe uncovers the iconoclastic genius and subtle charm behind Charlie Munger's curmudgeonly facade in this richly woven portrait of our era's heir to Ben Franklin. With a biographer's detachment, an historian's thoroughness, and a financial writer's common sense, Lowe produces a riveting account of the family, personal, and business life of the idiosyncratically complex and endlessly fascinating figure." -LAWRENCE CUNNINGHAM, Cardozo Law School, Author of The Essays of Warren Buffett: Lessons for Corporate America "For years, Berkshire Hathaway shareholders and investors worldwide (me included) have struggled to learn more about Warren Buffett's cerebral sidekick. Now we can rest and enjoy reading Janet Lowe's book about this rare intellectual jewel called Charlie Munger." -ROBERT G. HAGSTROM, Author of The Warren Buffett Way "Charlie has lived by the creed that one should live a life that doesn't need explaining. But his life should be explained. In a city where heroism is too often confused with celebrity, Charlie is a true hero and mentor. He lives the life lessons that he has studiously extracted from other true heroes and mentors, from Ben Franklin to Ben Graham. This book illuminates those life lessons." -RONALD L. OLSON, Munger, Tolles & Olson LLP "Janet Lowe's unprecedented access to Charlie Munger and Warren Buffett has resulted in a first-class book that investors, academics, and CEOs will find entertaining and highly useful." -TIMOTHY P. VICK, Money Manager and Author of How to Pick Stocks Like Warren Buffett

The Tao of Warren Buffett Skyhorse

Zusammen mit David Clark, einem Fondsmanager, Rechtsanwalt und anerkannten Buffett-Kenner, schrieb Mary Buffett bereits mehrere Bestseller zum Thema "Buffettology". Das Erfolgsteam tat sich für dieses Buch erneut zusammen, um dem Leser eine Sammlung aus bemerkenswerten und amüsanten Bemerkungen Warren Buffetts zu präsentieren. Dabei gelang es ihnen, die Lebensphilosophie und Investmentstrategien darzulegen, die Warren Buffett und die Aktionäre von Berkshire Hathaway so un-glaublich wohlhabend gemacht haben. Die Zitate in diesem Buch stammen aus ganz unterschiedlichen Quellen: persönlichen Gesprächen, Unternehmensberichten und Interviews und liefern dem Leser einzigartiges Insider-Wissen und Strategien zur praktischen Umsetzung für seinen Anlageerfolg.

THE INTERPRETATION OF FINANCIAL STATEMENTS

HarperCollins

Charlie Munger, Berkshire Hathaway's visionary vice chairman and Warren Buffett's indispensable financial partner, has outperformed market indexes again and again, and he believes any investor

can do the same. His notion of "elementary, worldly wisdom"—a set of interdisciplinary mental models involving economics, business, psychology, ethics, and management—allows him to keep his emotions out of his investments and avoid the common pitfalls of bad judgment. Munger's system has steered his investments for forty years and has guided generations of successful investors. This book presents the essential steps of Munger's investing strategy, condensed here for the first time from interviews, speeches, writings, and shareholder letters, and paired with commentary from fund managers, value investors, and business-case historians. Derived from Ben Graham's value-investing system, Munger's approach is straightforward enough that ordinary investors can apply it to their portfolios. This book is not simply about investing. It is about cultivating mental models for your whole life, but especially for your investments.

Warren Buffett's Words of Wisdom Scribner

The Warren Buffett Way provided the first look into the strategies that the master uses to pick stocks. A New York Times bestseller, it is a valuable and practical primer on the principles behind the remarkable investment run of the famed oracle of Omaha. In this much-awaited companion to that book, author Robert Hagstrom takes the next logical step, revealing how to profitably manage stocks once you select them. THE WARREN BUFFETT PORTFOLIO will help you through the process of building a superior portfolio and managing the stocks going forward. Building a concentrated portfolio is critical for investment success. THE WARREN BUFFETT PORTFOLIO introduces the next wave of investment strategy, called focus investing. A comprehensive investment strategy used with spectacular results by Buffett, focus investing directs investors to select a concentrated group of businesses by examining their management and financial positions as compared to their stock prices. A strategy that has historically outperformed the market, focus investing is based on the principle that a shareholder's return from owning a stock is ultimately determined by the economics of the underlying business. Hagstrom explains in easy-to-understand terms exactly what focus investing is, how it works, and how it can be applied by any investor at any level of experience. He demonstrates how Buffett arranges his stocks in a focus portfolio and reveals why this is as responsible for his incredible returns as the individual stocks he picks. Ultimately, Hagstrom shows how to use this technique to build and manage a portfolio to achieve the best possible results.

THE COMPLETE INVESTOR

John Wiley & Sons

Timeless Investing Strategies for Any Economy For five decades, Warren Buffett has been making himself one of the wealthiest men in the world, amassing more than 30 billion dollars by investing in the stock market. Remarkably, he did it by spurning popular Wall Street trends, adhering instead to his own unique discipline, one the world has come to know as Buffettology. In The Buffettology Workbook, internationally acclaimed writer and lecturer Mary Buffett has again joined forces with David Clark, the world's leading authority on Warren Buffett's investment methods, to create an in-depth, step-by-step guide to the concepts and equations Warren Buffett uses to create fantastic wealth. Here you will learn: The difference between a great company and a great undervalued company How the short-sightedness of Wall Street pundits can work to your advantage Where to look for investments with long-term, consistent, and extraordinary growth potential To perform the same financial calculations Buffett uses, and apply them to stocks you'd like to buy

CHARLIE MUNGER

Simon and Schuster

Warren Buffett built Berkshire Hathaway into something remarkable— and Fortune journalist Carol Loomis had a front-row seat for it all. When Carol Loomis first mentioned a little-known Omaha hedge fund manager in a 1966 Fortune article, she didn't dream that Warren Buffett would one day be considered the world's greatest investor—nor that she and Buffett would quickly become close personal friends. As Buffett's fortune and reputation grew over time, Loomis used her unique insight into Buffett's thinking to chronicle his work for Fortune, writing and proposing scores of stories that tracked his many accomplishments—and also his occasional mistakes. Now Loomis has collected and updated the best Buffett articles Fortune published between 1966 and 2012, including thirteen cover stories and a dozen pieces authored by Buffett himself. Loomis has provided commentary about each major article that supplies context and her own informed point of view. Readers will gain fresh insights into Buffett's investment strategies and his thinking on management, philanthropy, public policy, and even parenting. Some of the highlights include: The

1966 A. W. Jones story in which Fortune first mentioned Buffett. The first piece Buffett wrote for the magazine, 1977's "How Inflation Swindles the Equity Investor." Andrew Tobias's 1983 article "Letters from Chairman Buffett," the first review of his Berkshire Hathaway shareholder letters. Buffett's stunningly prescient 2003 piece about derivatives, "Avoiding a Mega-Catastrophe." His unconventional thoughts on inheritance and philanthropy, including his intention to leave his kids "enough money so they would feel they could do anything, but not so much that they could do nothing." Bill Gates's 1996 article describing his early impressions of Buffett as they struck up their close friendship. Scores of Buffett books have been written, but none can claim this work's combination of trust between two friends, the writer's deep understanding of Buffett's world, and a very long-term perspective.

The Tao of Warren Buffett Simon and Schuster

"Trading is notoriously tough. But Altucher's new book adds an noteworthy addition to the library on Warren Buffett. He shows a lot of Buffett that isn't readily available in the existing common literature. Definitely required reading for any serious Buffett buff." -Kenneth L. Fisher, Forbes' "Portfolio Strategy" Columnist Founder and CEO, Fisher Investments "Finally, someone blows apart the myth that Warren Buffett is a buy-and-hold investor. Altucher has given us an insightful and well-written commentary on how Buffett has amassed his track record, and what we can do to emulate him. He details the trade-by-trade examples. This is a must read for anyone wanting to learn about how the Master Investor works." -John Mauldin, author, Bull's Eye Investing editor of Thoughts from the Frontline (www.2000wave.com) While Warren Buffett is considered the "world's greatest value investor," there's another side to Buffett that is rarely talked about. Although Buffett has gained recognition for his value investing approach to the markets, the fact is that nobody over the past fifty years has traded and invested with a more diverse group of strategies than Buffett. Trade Like Warren Buffett challenges the current coverage of this great investor by including details of all of Buffett's investing and trading methods, including mean reversion, commodities, bonds, arbitrage, market timing, funds, as well as Graham-Dodd. To augment the discussion of each strategy, Trade Like Warren Buffett also includes interviews with leading financial professionals, who reveal in detail how they've successfully used the same techniques. There is no one way to sum up Warren Buffett's investment style. But if you're interested in boosting the performance of your portfolio, Trade Like Warren Buffett can show you how.

WARREN BUFFETT STOCK PICKS: WHY AND WHEN HE IS INVESTING IN THEM

Simon and Schuster

Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the tenth-largest public company in the world, valued at more than \$600 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The Warren Buffett Book of Investing Wisdom contains 350 quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

Why Warren Buffett Looks to Growth and Management When Investing Simon and Schuster

"All investors, from beginners to old hands, should gain from the use of this guide, as I have." From the Introduction by Michael F. Price, president, Franklin Mutual Advisors, Inc. Benjamin Graham has been called the most important investment thinker of the twentieth century. As a master investor, pioneering stock analyst, and mentor to investment superstars, he has no peer. The volume you hold in your hands is Graham's timeless guide to interpreting and understanding financial statements. It has long been out of print, but now joins Graham's other masterpieces, The Intelligent Investor and Security Analysis, as the three priceless keys to understanding Graham and value investing. The advice he offers in this book is as useful and prescient today as it was sixty years ago. As he writes in the preface, "if you have precise information as to a company's present financial position and its past earnings record, you are better equipped to gauge its future possibilities. And this is the essential function and value of security analysis." Written just three

years after his landmark Security Analysis, The Interpretation of Financial Statements gets to the heart of the master's ideas on value investing in astonishingly few pages. Readers will learn to analyze a company's balance sheets and income statements and arrive at a true understanding of its financial position and earnings record. Graham provides simple tests any reader can apply to determine the financial health and well-being of any company. This volume is an exact text replica of the first edition of The Interpretation of Financial Statements, published by Harper & Brothers in 1937. Graham's original language has been restored, and readers can be assured that every idea and technique presented here appears exactly as Graham intended. Highly practical and accessible, it is an essential guide for all business people—and makes the perfect companion volume to Graham's investment masterpiece The Intelligent Investor.

The Tao of Warren Buffett Warren Buffett's Words of Wisdom: Quotations and Interpretations to Help Guide You to Billionaire Wealth and Enlightened Business Management Simon and Schuster

BUFFETTOLOGY

Simon and Schuster

A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of Buffettology and The New Buffettology. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In The Tao of Warren Buffett, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard

work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.
