Ninety-five Letters Written to Rabindranath Tagore from Europe and America, 1912-1941 Phoemixx Classics Ebooks
KamaSutra In the literature of all countries there will be found a certain number of works treating especially of love. Everywhere the subject is dealt with differently, and from various points of view. In the present publication it is proposed to give a complete translation of what is considered the standard work on love in Sanscrit literature, and which is called the 'Vatsyayana Kama Sutra, ' or Aphorisms on Love, by Vatsyayana. The rough English translation of Kamasutra is pleasure (kama) treatise (sutra). In the West, since it was first (rather surreptitiously) translated and published back in 1883, the book has generally been associated with a series of beautiful, ancient illustrations of a couple determinedly coupling in a variety of fascinating and often utterly improbable positions; as essentially the erotic counterpart to the ascetic asanas of yoga

A unique autobiography that provides an incomparable insight into the mind of a genius The Renaissance man of modern India, Rabindranath Tagore put his country on the literary map of the world when he won the Nobel Prize for Literature in 1913. My Life in My Words is, quite literally, Tagore on Tagore. Uma Das Gupta draws upon the vast repertoire of Tagore's writings to create a vivid portrait of the life and times of one of India's most influential cultural icons. The result is a rare glimpse into the world of Tagore: his family of pioneering entrepreneurs who shaped his worldview; the personal tragedies that influenced some of his most eloquent verse; his groundbreaking work in education and

social reform; his constant endeavour to bring about a synthesis of the East and the West and his humanitarian approach to politics; and his rise to the status of an international poet. Meticulously researched and sensitively edited, this unique autobiography provides an incomparable insight into the mind of a genius.

Farewell Song (Modern Classics) Atlantic Publishers & Dist
Songs of Kabir Rabindranath Tagore - Kabir lived in the 15th Century (1440-1518); born to Mohammadan parents; he came under the influence of the famous Hindu saint; Sri Ramananda and delved deep into the mysteries of Hindu mysticism. A true worshipper of God; he emphasized the purity of mind and selfless devotion to God. He openly opposed the weaknesses of both Hinduism and Islam. During his life time he composed many poems. They are usually two line couplets; known as dohas; recited by many scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in Hindi.

Short Works of Rabindranath Tagore Arihant Publications India limited

Universalization of primary education has been high on the policy agenda in India. This book looks at the reproduction of social inequalities within the educational system in India, and how this is contested in different ways. It examines whether the concept of 'education for all' is just a mechanically conceived policy target to chasing enrolment and attendance or whether it is a larger

social goal and a deeper political statement about the need for attacking entrenched social inequalities. Drawing on original data collected in the two states of Andhra Pradesh and West Bengal, the authors present the multiple ways in which social class impinges on the educational system, educational processes and educational outcomes. The book goes on to explore issues around autonomy and accountability via an analysis of the position of teachers within the educational hierarchy, and by looking at the various possibilities of making teachers accountable.

Recommendations related to the necessity for a larger debate and normative framework are made, including whether private schools should play a role, and whether it is necessary to move from government action and responsibilities to a broader concept of public action. The book presents an interesting contribution for students and scholars of South Asian studies, as well as Education and Public Policy studies.

GARLAND OF SONGS

editionNEXT.com

Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs. Adventure of Ideas and Innovative Practices in Education Penguin Random House India Private Limited

Description Imagine you go to sleep one night, and find that the entire city has started running! Roads and bridges, schools and buildings, maps, books, doors, hinges have all cut loose and are having the time of their lives! In this famous poem, Rabindranath Tagore ignites a child's imagination gently and hilariously as he describes what happens when the city of Kolkata starts to dance. With beautiful illustrations by Adrija Ghosh that bring to life the city of Kolkata, this book of poetry will provide hours of joy to every child to read and imagine with.

Six Hours Away Penguin UK

This new addition to Springer's series on Key Thinkers in World Education tracks the intellectual and philosophical journey of a trail-blazing innovator whose ideas have fired the imaginations of progressive educationalists for almost a century. The volume's in-depth analysis of the educational philosophy of Bengali polymath Rabindranath Tagore offers an unrivalled focus on his highly influential views. Tagore—poet, internationalist, humanist, and the first non-European to win the Nobel Prize for literature—lived on the cusp of change between two momentous centuries in world civilization and foresaw the dissolution of colonialism and the globalization of culture. His ideas on education placed the creative individual at the centre of the quest for knowledge. Eschewing the artificial distinctions between elementary and

higher learning, he advocated the importance of sowing the seed of humanism as early as possible, and fostering the individual's enjoyment of education as well as their courage to challenge conventions. In doing so, he anticipated the modern concern with critical thinking at the same time as he was encouraging independence of thought and action as a counter to colonial oppression and condescension. Concise yet thorough, this volume on one of the most original thinkers of the last century covers every aspect of Tagore's highly original educational philosophy.

'Terrorism' a Colonial Construct Good Press

Rabindranath Tagore's *Ghare Baire* was first serialised in 1914 and published as a novel in 1916. The events in the novel deal

with the period 1905-7, a period of tremendous political unrest in Bengal. The public upheaval takes place alongside another revolution that of women's emancipation and a new gender equation. *Ghare Baire* (The Home and the World) is the first fictional exploration of the tangled web of crucial issues related to the two spheres, the home and the world, in early twentieth century Bengal. *Towards Freedom* is a collection of critical essays on the issues raised by Tagore's novel in a contemporary world where differences of religion, region, class, caste, gender, etc., constantly demand to be addressed. It focuses upon the crafting of the novel out of complex historical contexts of caste, class and gender politics. By examining the play of ideologies in this novel, the anthology aims to help students recognise the importance of locating imaginative literature within its histories. Given that most of these structured hierarchies of oppression function powerfully in our lives even today, *Towards Freedom* stresses the continuing relevance of engaging with the issues raised by a novel which looks at the private and the political as intertwined.

Songs of Awakening Kanishka Publishers

An endearing poem of a child who refuses tempting invitations, instead staying with her mother at playtime, blissful in her company. Words woven with great tenderness by the greatest poet of all times, a gentle verse for all the little ones.
