hub of the world's largest global IT media network.

WITH SAMPLE COVER LETTERS

McGraw Hill Professional

Pulitzer Prize winner Tracy Kidder memorably records the drama, comedy, and excitement of one company's efforts to bring a new microcomputer to market. Computers have changed since 1981, when *The Soul of a New Machine* first examined the culture of the computer revolution. What has not changed is the feverish pace of the high-tech industry, the go-for-broke approach to business that has caused so many computer companies to win big (or go belly up), and the cult of pursuing mind-bending technological innovations. *The Soul of a New Machine* is an essential chapter in the history of the machine that revolutionized the world in the twentieth century.

Elements of Reusable Object-Oriented Software Pearson Education India

Up-to-date, professional resume-writing advice details the essential components of successful resumes and cover letters for any profession or background. Includes a variety of resume formats, tips on highlighting strengths and using active vocabulary, and helpful work sheets for gathering personal information.

How to Score a Date with Your Potential Employer McGraw Hill Professional
