Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

**Brush up your concepts by solving questions from this IBPS PO PYP E-book containing 1700 Questions.** Oxford University

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English.

Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at

[www.oup.com/elt/provensuccess](http://www.oup.com/elt/provensuccess). AmericanHeadway third edition supports students to succeed beyond the classroom more than ever

before.Students can:Accelerate their progress in speaking and prepare for high-stake tests with moreconversation.Manage their own learning with

new digital resources.The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently.

iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style testpreparation exercises.American Headway also

supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers

reported that they are more creative and willing to try new activities after using American Headway. 71% saidthey are more passionate in their

teaching.With the third edition, teachers can now:Download 100% new assessment material from the Testing Program.Bring the Student Book,

Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

*An Introduction to American Culture Teacher's Manual* OUP Oxford

100% new assessment material available to download from the Testing Program Tests include: Exit tests, Progress tests, Skills tests, Stop and Check

tests and Unit tests Flexible: teachers download the tests online, and can send to their class as a digital version or use as a print version Quality: all

test materials have been evaluated by an assessment expert to ensure quality

*Forging an American Solution* OUP USA

Reviews the status of immigration and its role in the American economy, proposing a six-point strategy for reforming the immigration laws to reduce

the number of illegal immigrants and attract highly skilled foreign workers.

### TOUCHSTONE LEVEL 1 STUDENT'S BOOK

Harvard Business Press

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives.

Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

*New Headway: Beginner: Workbook (without Key)* OXFORD

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

*Proven Success Beyond the Classroom* OXFORD University Press

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

*A Proven Plan for Financial Fitness* Cambridge University Press

The world's most trusted English course, now with a new generation of digital support.

*Tactics for Listening: Basic: Student Book* OXFORD

American Headway 2 builds on the firm grammatical, lexical and functional foundation laid in American Headway 1. Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended. Integrated skills work is an important feature of the series. All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.

*Across Asia on the Cheap* OXFORD

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

1 OXFORD University Press

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

### The Total Money Makeover Oxford University

This is a practical and imaginative addition to the New Headway. It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation. There is practice of individual sounds, with a guide to suitable exercises for speakers of particular languages. There is a focus on lexical sets. Training is given in stress and intonation patterns for accurate, functional use. Help is provided with the features of connected speech.

*American Headway* OUP Oxford

New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.
