its original key with chords, strum  
patterns, melody and lyrics.  
*We Are Doomed* Hal Leonard Corporation  
John Denver's poignant lyrics of the birth  
of a dolphin are both a lullaby and a

paean to dolphin kind, as adapted in this gorgeous picture book. Denver embraces the unique, almost mystical quality of a baby dolphin as giving hope to life as all we must. Hardback edition includes the musical score and a CD of John Denver singing this beautiful song. The Authentic Guitar Style of John Denver Everyman's Library

It is

Although he loves the beauty of Christmas and its significance regarding peace on earth and the Son of God, Alfie the Christmas tree also rejoices in the beauty of the natural world and urges us to say a prayer for it and those who live in it.

**John Denver - Love Songs** Black Mesa Publishing

Take Me Home, Country Roads, a book following the lyrics of John Denver's first hit song, is a great teaching tool for young readers about family and appreciation for the natural world around us. This brilliant picture book adaptation of John Denver's first hit song is all about roots, family, and country. Set in Appalachia, a humorously diverse bunch of relatives and their in-laws go up, down

and around the hills of West Virginia to converge by car, pickup, and motorcycle to a family reunion at Grandma and Grandpa's country home. True to Appalachian style, Canyon portrays it all as if on a quilt, complete with little stitches between the "fabric." The lyrics demand to be sung! A book for: fans of John Denver wanting to share his music with their kids! anyone who wants to inspire children to appreciate the country! Parents and children looking for feelings of security and comfort!

Dawn Publications (CA)

A brief biography concentrating on the career of singer and songwriter John Denver.

*John Denver's Take Me Home, Country Roads* Hal Leonard Corporation

John Denver was America's biggest-selling solo star of the '70s. In commercial terms he was on a par with Sinatra in the '40s, Elvis in the '50s and the Beatles in the '60s. He experimented

with a variety of styles and won fans from such diverse worlds as folk, pop and country music. Beneath the often tranquil surface of his music and his clear, clean tenor voice, however, lurked a darker side to Denver's character. The writer of 'Annie's Song', one of the most straightforward and personal expressions of love, became a wife-beater. The man who cavorted with the Muppets was an alcoholic. The committed environmentalist had his own plane, the most polluting form of transport. John Collis has delved deep to discover exactly who John Denver was. By unravelling the complexities of the singer's personality and background, he reveals Denver as a complicated, contradictory man, much more intriguing than the sometimes placid surface of his

music might suggest. Millions of people around the globe found something in his music that touched their souls; Collis, by charting Denver's career and development as an artist, explores his legendary contribution not only to the world of music but also to the society of which he was a protagonist and a victim.
